REDEFINE THE LIMITS

From tough worksites to weekend escapes, the All-New Nissan Navara Pro is engineered to take on more. Its high-strength steel frame provides the strength and confidence to tackle challenging terrain, carry heavy loads, and handle everyday driving with ease.

EXTERIOR

THE ROAD KNOWS WHEN YOU'VE ARRIVED

Bold proportions, a commanding stance and generous ground clearance give the All-New Nissan Navara Pro a powerful presence on every road.

Designed to look every bit as capable as it performs, it's ready to take on demanding terrain wherever the journey leads.

DURABILITY

BUILT TO ENDURE YEARS OF DEMANDING USE.

97% HIGH-STRENGTH STEEL FRAME
Provides the strength and rigidity needed to withstand demanding jobs, rough terrain, and everyday abuse.

70% HIGH-STRENGTH STEEL BODY
A reinforced body structure enhances durability while helping protect what matters most.

20,000 Nm/deg TORSIONAL RIGIDITY
Engineered for exceptional structural stability and long-term durability across challenging conditions.

FULL UNDERBODY PROTECTION
Engine, fuel tank, and transmission are shielded from impacts below, helping protect key components when the terrain gets tougher.

CAPABILITY

READY TO TAKE ON MORE.

865 kg PAYLOAD | 3,300 kg TOWING CAPACITY*
Built to carry heavy loads and tow with confidence, whether for work, adventure, or everyday demands.

Maximum towing capacity when fitted with an appropriate towing device

235 mm GROUND CLEARANCE.
800 mm WATER WADING DEPTH.
Designed to go further beyond the pavement, tackling sand, rocks, and water crossings with confidence.

31° APPROACH | 26° DEPARTURE | 24.7° BREAKOVER ANGLE
Optimized geometry helps navigate uneven terrain, steep inclines, and challenging off-road obstacles with greater ease.

CARGO BED

ROOM FOR EVERYTHING

1,338L of cargo volume: room for camping gear, bikes and everything in between. The premium spray-on bed liner protects against everyday wear.

ADAPTIVE CABIN

FLEXIBLE SEATING

With seven seating configurations, the rear cabin adjusts to however your day looks - from carrying passengers in comfort to making room for bulky equipment.

SINGLE CAB ON DEMAND

Fold the rear seats flat in seconds and unlock up to 970 litres of secure, lockable cargo space. Carry bulky gear without giving up the double cab you need the rest of the time.

SPACE THAT ADAPTS

From work equipment to weekend gear, the Navara Pro adapts to your changing needs with ease.

02

OUTSTANDING PERFORMANCE

- DYNAMIC POWER
- THE ROAD ADAPTS TO YOU

Whether it's the daily commute, a weekend escape, or the road less travelled, the All-New Nissan Navara Pro is built to keep you moving with confidence. Powerful, capable, and ready for more, it adapts effortlessly to every journey and every terrain.

DYNAMIC POWER ON DEMAND

2.0L TURBOCHARGED ENGINE
244 hp POWER
400 Nm TORQUE

Powerful, responsive and ready for every journey. Whether cruising on the highway, carrying heavy loads or exploring beyond the pavement, the turbocharged engine delivers effortless performance without compromising fuel economy.

ZF 8-SPEED AUTOMATIC TRANSMISSION
Smooth and intelligent gear changes help maximise performance, comfort and efficiency, delivering a confident driving experience across city streets, highways and challenging terrain.

THE ROAD ADAPTS TO YOU

Whatever lies ahead, the All-New Nissan Navara Pro is ready for it. Featuring intelligent 4WD, 13 selectable drive modes, advanced traction technologies, and a Multi-Link Rear Suspension, it adapts confidently to changing roads, terrain, and conditions.

INTELLIGENT 4WD
Choose from 2H, AUTO, 4H and 4L modes to optimize traction, control and capability for changing road and terrain conditions.

EATON ELECTRONIC LOCKING DIFFERENTIAL
Soft sand, loose gravel, steep climbs. The Eaton® electronic locking differential sends power where the grip is.

MULTI-LINK REAR SUSPENSION
From city streets to rough tracks, multi-link rear suspension takes the harshness out of the drive without taking the capability out of the pickup.

OFF-ROAD CRUISE
Take the stress out of challenging terrain. Off-Road Cruise automatically maintains a controlled pace, allowing you to focus on steering and choosing the right path ahead. The result is greater confidence, less effort, and a more enjoyable off-road experience.

TANK TURN
Tight trails? No problem. Tank Turn helps the Navara Pro manoeuvre more easily in confined off-road environments, making sharp turns and narrow tracks easier to navigate with confidence.

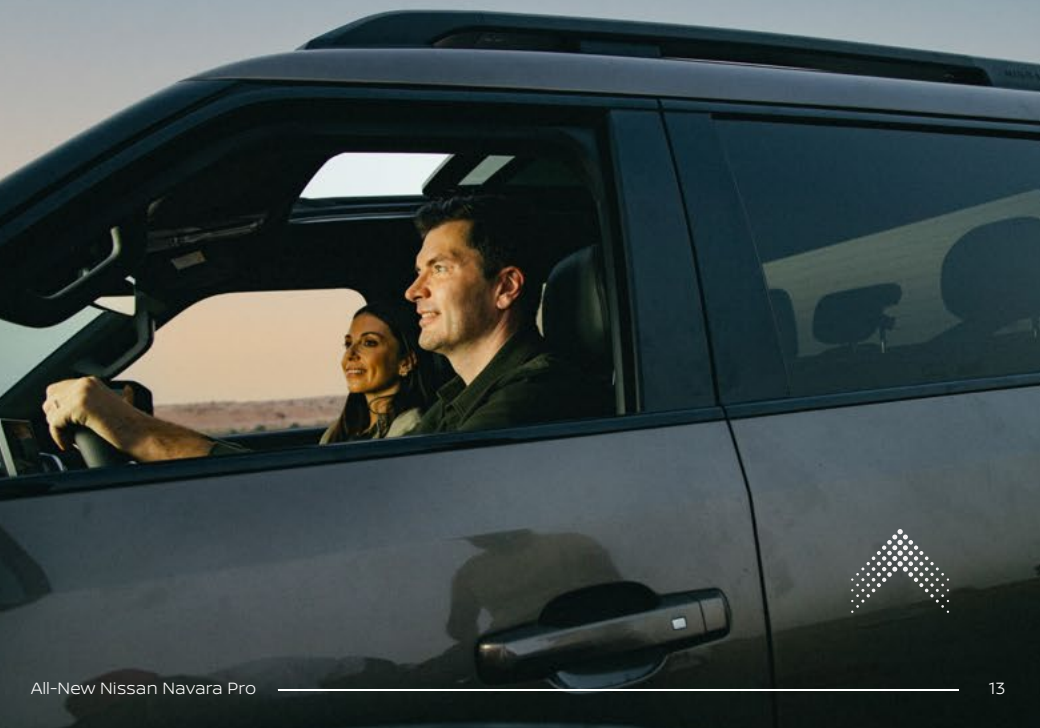
03

ADAPTABLE COMFORT

- EXPAND YOUR COMFORT ZONE
- QUIET. COOL. COMFORTABLE.
- ACCESS MADE EASY

FIND YOUR SANCTUARY WHEREVER YOU GO

From daily commutes to weekend adventures, the Navara Pro is designed to keep everyone comfortable. A spacious cabin, premium materials, and thoughtful features create a more refined and relaxing experience wherever the road leads.



EXPAND YOUR COMFORT ZONE

GENEROUS PASSENGER SPACE
One of the most spacious cabins in its class, giving everyone room to relax and enjoy the journey, with a comfortable, SUV-like feel.

GRAND COMFORT, TAILORED TO YOU
Six layers of cushioning and ventilated front seats keep long drives easy. Seat memory restores your position instantly, reverse-tilt mirrors make parking simpler, and rear seats recline in three positions.

PREMIUM INTERIOR ENVIRONMENT
Soft-touch materials, refined finishes and ambient lighting create a welcoming cabin that feels more like an SUV than a traditional pickup.

QUIET.
COOL.
COMFORTABLE.

QUIETER CABIN
Less noise. More comfort. Enhanced cabin refinement helps every journey feel quieter, more relaxing, and more enjoyable.

PANORAMIC SUNROOF
Bring more light into every journey. Advanced glazing helps reduce heat and glare while creating a brighter, more open cabin experience.

IDLE LOCK
Keep cool, even when you step away. Leave the air conditioning running while the vehicle remains securely locked.

ACCESS MADE EASY

THE ELECTRIC TONNEAU COVER
Secure and access your cargo at the touch of a button using the vehicle display, exterior switch, or key fob.

ELECTRIC REAR STEP
Deploys automatically when needed, making cargo access easier and more comfortable. Supports up to 200 kg for added convenience and practicality.

90° DOOR OPENING WITH INTEGRATED SIDESTEP
Wide-opening doors and an integrated sidestep make getting in, getting out, and loading bulky items easier than ever.

04

UNCOMPROMISED SAFETY & TECHNOLOGY

- SAFETY
- TECHNOLOGY

SAFETY TECH THAT HAS YOUR BACK

Drive with greater confidence knowing advanced safety and driver assistance technologies are working alongside you every step of the way.

From busy city streets to open highways and challenging terrain, the Navara Pro is designed to help keep you aware, in control, and ready for whatever lies ahead.

SAFETY

TECHNOLOGY IS YOUR ASSISTANT

540° HD PANORAMIC CAMERA SYSTEM
See more. Drive with confidence. A 540° high-definition view shows what's around and beneath the truck, so tight spots, trailers and rough ground feel easier.

- **TRAILER VIEW:** Keep what you're towing in sight.
- **INVISIBLE HOOD VIEW:** Look through the hood on steep climbs and descents.
- **INVISIBLE CHASSIS VIEW:** Check the ground under the truck to avoid bottoming out.
- **WHEEL HUB VIEW:** Place your wheels precisely at curbs and road edges.

SIX AIRBAGS
Protection comes standard. Six airbags help provide peace of mind for you and your passengers on every journey.

ELECTRONIC PARKING BRAKE + AUTO HOLD
Less effort. More convenience. Whether you're in traffic or parked on an incline, EPB with Auto Hold helps make everyday driving easier and more comfortable.

14.6-INCH DISPLAY WITH FOCAL PREMIUM SPEAKERS

Stay connected, informed, and entertained with the expansive 14.6-inch display and FOCAL premium audio system. Everything you need is always within easy reach.

10-INCH FULL TFT DRIVER INFORMATION DISPLAY

Key information displayed right where you need it, helping you stay informed without distraction.

WIRELESS CHARGER WITH COOLING PAD

Simply place your phone down and charge as you drive. The integrated cooling pad helps maintain charging performance, even in GCC heat.
