DESIGNED TO RAISE EXPECTATIONS. Audacious by nature, the 5th generation Nissan MICRA arrives to challenge the small car standards in design, comfort and performance. Praised for its unique blend of expressive yet premium design inside-out, intelligent features and its agile driving characteristics, MICRA WILL BECOME YOUR AUDACIOUS AND TECH ADVANCED CITY CAR.
Imagine a more exciting journey every day – driving with greater exhilaration, confidence and connection to the world around you. That’s the thinking behind Nissan Intelligent Mobility. It comes to life in MICRA through Intelligent Driving systems that keep an eye out all around you, alerting you and stepping in when you need it to help keep you out of trouble. Because the more secure you feel behind wheel, the more you can enjoy the sheer pleasure of driving.
EXPRESS YOURSELF

Create your own MICRA design inside-out. Dare to express yourself by choosing among the stunning range of body colours, interior themes, exterior coloured inserts, wheels.

MULTIPLE CONFIGURATIONS

Interior trims  Door mirror caps  Body side mouldings  Front bumper finishers  Rear bumper finisher  17 alloys with colour inserts
MAKE IT YOUR LIVING SPACE

MICRA’s interior has been finely crafted to uplift your experience on the road. From its harmonious horizontal dashboard wrapped in soft-touch materials to the premium details and the exclusive choice of coloured trims, the MICRA’s design flawlessly blends comfort and style to create a truly inspiring atmosphere.

EXCEPTIONAL DETAILS

D-Shape Steering Wheel  LED Ambient light  Smart grouping of commands  Soft-touch materials and silver finishings
DISCOVER THE
MICRA-N SPORT STYLE

With a comfortable driving position, ergonomic anti-fatigue seats, and maximized noise insulation, MICRA has been engineered to amplify your experience.

Discover and feel the energy inside the MICRA N-SPORT cockpit with its shock-proof knee pads and dynamic black trims. Alcantara® seats with "synthetic" leather parts and Alcantara® dashboard with privacy glass guarantee premium comfort in action too.
SMART DESIGN.
Compact and smartly engineered, the BOSE® PERSONAL® system gives you the premium audio experience without jeopardizing your storage space.

360° PREMIUM SOUND SPACE.
With 6 speakers – of which 2 Ultra-Nearfield™ Speakers in the driver’s headrest – a ride in the MICRA brings you the ultimate, high-definition audio experience.

TAYLOR IT YOUR WAY.
Personalise your listening experience for you and your passengers by adjusting the width of the sound via the head unit. With its fully integrated controls, creating a driver-focused, wide or immersive soundstage is at the reach of your fingertips.

BOSE® PERSONAL®
UNIQUE SOUND EXPERIENCE
Driving MICRA is a rousing experience thanks to its BOSE® PERSONAL® audio system. Highly praised by its outstanding performance and soundstage possibilities, it will turn each ride into a stimulating and uplifting journey.
NEW NISSANCONNECT
Nissan’s next-generation audio and navigation system comes with Smartphone integration, Bluetooth hands-free communication and in-vehicle applications and features a 7” multi-touch display screen that makes everything simple, quick and convenient. You can customize the layout, choose shortcuts and widgets to suit your preferences and use voice recognition. New NissanConnect also allows you to use your familiar application with Apple CarPlay® and Android Auto®.

CUSTOMIZE HOME MENU. With the shortcuts and widgets manager you can customize your home screen to display most frequently used features like audio, call history and traffic information.

VOICE RECOGNITION. Press and hold the talk button on your steering wheel to activate simple voice commands – it’s safe, quick and convenient when you’re on move.

SINGLE LINE SEARCH. You can now Search for Addresses, POI’s or both using a Single Line Search Option which makes it so much easier to search for your destination.

YOUR MUSIC. YOUR WAY Use Bluetooth streaming audio or the USB input to play music directly from your smartphone.

NISSAN INTELLIGENT MOBILITY
INTELLIGENT INTEGRATION TO MAKE YOUR CAR A MORE PRODUCTIVE SPACE.

Plan your Trip ahead through Mobile/ Web or Onboard Navigation with Premium Traffic Data giving you accurate Route Options based on Real Time Traffic. Keep yourself always updated with Over the Air Updates delivered via your Smartphone or by connecting with an external WiFi Hotspot. Push destination to car from the Web interface or the Door-to-Door navigation App. Navigate to your favorite destinations or contacts straight from the Door-to-Door navigation App.

- **PUSH DESTINATION TO CAR VIA A COMPUTER OR THE MOBILE APP.** Send Destination to Car using any interface and plan your trip before leaving.

- **DOOR-TO-DOOR NAVIGATION.** The Mobile App enables you to navigate end-to-end, from where you parked your car to your destination.

- **PREMIUM TRAFFIC DATA.** Get Accurate time to destination (ETA) information before you leave based on Real Time Traffic and decide the best route to your destination.

- **DOOR-TO-DOOR NAVIGATION APP**
  Download the Door-to-Door Navigation App on your Smartphone and access all your maps on your next generation NissanConnect multi-touch display screen.
Designed to reduce distractions and make the most of your journey, the MICRA's Advanced Drive-Assist Display brings you, in its high-definition 5" TFT screen, all the information you need, when you need it, at glance of your eyes. Effortless.
SPACE FOR YOURSELF AND MORE

MICRA is designed for living to the full. Even if engineered for an optimal pilot and co-pilot comfort, the MICRA brings lots of space to the rear passengers with top class shoulder and knee room so you and those around you make the most out of the journey. All with still plenty of space for the luggage. Time to start sending the invitations out.
ROOM THAT BENDS TO YOUR IDEAS

The capacity of Micra is surprising. Fold down the rear seats to take any extra bags or bulkier objects on board and use all the smart storage spaces for your personal items, including a bucket-type glove box, 1.5L bottle door pocket, seat pockets, cup holders or even the phone-holder with USB/12V power sockets.
NISSAN INTELLIGENT AROUND VIEW MONITOR
WITH MICRA AS YOUR PARTNER, EVEN PARKING’S A PLEASURE

What if parallel parking was easier? A rearview camera and rear parking sensors are great to give you further confidence when baking up – but when it comes to parking, it’s nice to see more than just what’s directly behind you. That’s why MICRA’s Class-Exclusive Around-View Monitor, uses four cameras that give you a virtual 360° bird’s-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look. And since all obstacles aren’t stationary (like a shopping trolley), Moving Object Detection helps keep an eye around your MICRA, and warn you about moving objects detected nearby.

RIGHT ON THE NOSE.
In Drive, the display gives you both a front and overhead view, so you know just how far to pull up – without going too far.

COMPLETE THE PICTURE.
Located under your driver’s side mirror, this camera helps round out your virtual 360° bird’s-eye view, whether you’re in Drive or Reverse.

SPARE YOUR WHEELS.
In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

BACKGROUND SAVVY.
In Reverse, the display helps you see what’s directly behind you, while the overhead view helps with smaller objects that might be hidden below your window.

NISSAN INTELLIGENT MOBILITY
NISSAN INTELLIGENT DRIVING
BRIM YOUR CONFIDENCE

Enjoy the ride with radar and cameras to back you up. MICRA features a class-leading range of technologies that support you all the way. Like having a third eye and sixth sense all in one. Nissan’s Intelligent Driving systems make your journey safer and more pleasurable every day.

INTELLIGENT LANE INTERVENTION. This technology gives you a visual alert, haptic feedback via the steering wheel and even applies subtle wheel braking to guide you back into the lane, in case of you start drifting out without indicating.

BLIND SPOT WARNING. Boost your vision: the system will warn you if there are vehicles in the blind spots diagonally behind the car.

INTELLIGENT EMERGENCY BRAKING. Constantly monitoring the presence of vehicles or pedestrians in your way, this upgraded system gives you warning and applies braking if there’s any danger ahead.

NISSAN INTELLIGENT MOBILITY

MICRA features a class-leading range of technologies that support you all the way. Like having a third eye and sixth sense all in one, Nissan’s Intelligent Driving systems make your journey safer and more pleasurable every day.
NISSAN INTELLIGENT DRIVING
ALWAYS LOOKING OUT FOR YOU

Because being behind the wheel is more pleasurable when in-control, the Nissan Intelligent Driving systems cover most driving scenes. Whether you driving in the city, outside, through a tunnel or if you are just stationary, the MICRA technologies are always ready to give you information and assist you, when need it.

HIGH BEAM ASSIST. See more on dark roads. The system activates the high beams and temporarily dips the lights for oncoming traffic.

HILL START ASSIST. No rolling back. This system holds the brakes for the time it takes to get going on a hill.

TRAFFIC SIGN RECOGNITION. Never miss a speed limit sign with realtime information on the speed limitations on the road.
INTELLIGENT RIDE CONTROL applies subtle braking to prevent unpleasant upper body motion over bumps and enhance the overall comfort of your ride.

INTELLIGENT TRACE CONTROL delivers confident handling around corners. It adjusts the brake pressure on individual wheels to help keep you on an optimal line through turns.

NISSAN INTELLIGENT DRIVING
MICRA, QUIETLY MAKING YOU A BETTER DRIVER.

Agile and responsive, MICRA'S driving dynamics give you a better feel for the road. Intelligent Ride Control reduces body motion for a smoother drive while Intelligent Trace Control works with Nissan's new Electric Power Steering (EPS) system to deliver supple yet secure maneuverability. Excitement. Confidence. Control. With the MICRA, Nissan has engineered the driving experience you've been waiting for.
NISSAN INTELLIGENT POWER

CATCH ME IF YOU CAN

Put your foot down and enjoy the MICRA’S best-in-class aerodynamic performance and its choice of downsized, responsive and fuel efficient engines. Choose the IG-T 100PS MT engine for exceptional responsiveness and fuel economy or the IG-T 117PS petrol engine for higher performance and agility.

With the automatic transmission available on the IG-T 100PS, find the driving experience that fits you the best.

CHOOSE YOUR ENGINE

Choose an engine to match the way you drive. Use our table to compare power, torque, fuel consumption and emissions or visit your nearest Nissan dealer for advice.

The range of CO2 Comb and F.E. Comb figures mentioned are for the grades from Visia to Tekna for IG-T 100 engines.

*Figures are obtained from laboratory testing in accordance with EU legislation and are intended for comparison between vehicles. The figures may not reflect real driving results. Optional equipment, maintenance, driving behavior and weather conditions may affect the official results. Figures were determined under the new Worldwide harmonized Light vehicles Test Procedure (WLTP) test cycle.

Accessories and any additional equipment customer may fit after sales can have an impact on the CO₂ emission and fuel consumption of the car.
AT NISSAN,
WE FOCUS
ON QUALITY.

We build in quality from the outset, meticulously conceiving each car to make them more comfortable and more durable through innovative design, intelligent technology and thoughtful details inspired by you.

SAFETY
We work with our intelligent driving systems to constantly look out for you and help you avoid any mishaps for a bolder, more confident driving experience day after day. Our Around View Monitor uses 4 cameras to give you a virtual birds eye view of your car in its surroundings.

EXTREME RELIABILITY
We push our cars to the limit to guarantee their daily performance and reliability. We travel millions of kilometres in pre-production tests, open and close doors and bonnets thousands of times a day and use real volcanic dust from Japan to test window resistance.

It comes first in everything we do, in the lab and the design studio, the factory and our dealerships and in our relationship with you. We try, retry and try again. Because everything we do is mastered through experience. We call it Nissan Quality.
NISSAN MICRA OFFERS YOU:
7-YEAR WARRANTY OR 150,000 KM
(3 YEARS MANUFACTURER WARRANTY PLUS ADDITIONAL 4 YEARS FOR ENGINE AND GEARBOX)
12-YEAR ANTI-CORROSION BODY PERFORATION WARRANTY

AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it’s about crossing the line to reinvent the status quo. It’s about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design cars, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

NISSAN MICRA OFFERS YOU:
7-YEAR WARRANTY OR 150,000 KM
(3 YEARS MANUFACTURER WARRANTY PLUS ADDITIONAL 4 YEARS FOR ENGINE AND GEARBOX)
12-YEAR ANTI-CORROSION BODY PERFORATION WARRANTY
Intelligent Mobility guides everything we do. We’re using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it’s cars that share the task of driving with you, or highways that charge your EV as you go along. It’s all in the very near future. And it’s a future already taking shape in the Nissan you drive today.
