

QASHQAI

## New Nissan QASHQAI. Defy Ordinary.

Qashqai - the original crossover - has done it again - defying expectations. It continues to overcome the challenges of the city, bringing excitement to urban drivers with its eye-catching, refined design, even sharper advanced technologies, and enhanced connectivity. Ideal for urban driving, Qashqai e-POWER uses a petrol engine and lithium-ion battery to power an electric motor, giving you the pleasure of an electric drive without the need to plug it in. It is also available with a mild hybrid powertrain allowing reduced CO<sub>2</sub><sup>[1]</sup> emissions without compromising driving style.

The new, sporty N-Design grade brings you bold, distinctive styling with no compromise on comfort. Black Alcantara<sup>®[2]</sup> and Black Quilted Leather<sup>[3]</sup>, special 20" alloy wheels, two-tone paint and a fully-personalised interior add an extra level of dynamism and elegance to the range.

All you have to do now is decide which Qashqai to choose.

[1]Compared with Nissan Qashqai J12 petrol Nissan XYZ XX hp, gasoline/diesel: fuel consumption (l/100 km): low: X,X; medium: X,X; high: X,X; maximum: X,X; combined: X,X; CO<sub>2</sub> emissions combined (g/km): XXX. Nissan XYZ: fuel consumption combined (l/100 km): X,X-X,X; CO<sub>2</sub> emissions combined (g/km): XXX-XXX. Vehicle has been homologated in accordance with EU regulations using the more realistic WLTP test procedure. NEDC values are therefore not available for this vehicle. [2]Alcantara® on dashboard padding, door inserts, door armrest, central console and knee pad. [3]Black quilted leather on customer touch points only.

Images and descriptions shown are for guidance purpose. In some instances photos are of non-local specification vehicles and do not represent a specific model, grade or offer. The features shown may not be available or may not be available as standard or only as option.

# Sharp modernity. Redefined.

With its new, sporty and more dynamic proportions, new Qashqai is an icon redefined. Bolder, subtly sophisticated and resolutely striking, its new lighting signature and sharply cut grille add a powerful expression of modernity.

New redesigned front grille

New rear bumper

New LED lights\*

New 20" alloy wheels\*

New 20" N-Design wheels\* with a distinctive geometric pattern, plus new LED lights with sequential turn signals\* enhance an increased sense of poise and performance.

*\*Feature available depending on version, as standard or only as option (at an extra charge).*

## Surrounded by refinement.

A new, more elegant interior, with quality materials, superior finishes and subtle, sophisticated, customisable lighting\* create an instant feeling of calm and comfort in a cabin you can truly make your own.

\*Feature available depending on version, as standard or only as option (at an extra charge).

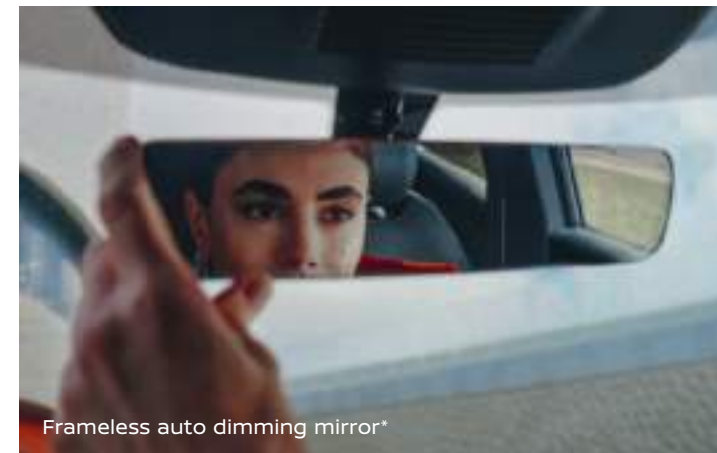

## Elegance at its best.

Qashqai's cabin is even more designed around you. From the three sharper, clearer digital displays to the ergonomically-designed cockpit and seating to the convenient cup holders, USB outlets and storage space. Everything is right where you need it, effortlessly.

Improved Full 12.3" digital combimeter\*

Frameless auto dimming mirror\*

NissanConnect 12.3" infotainment screen

# A true sense of harmony.

Step into a more harmonious, refined interior. With quality materials carefully chosen to complement each other, it makes every journey more relaxing, more rewarding... more Qashqai.

Alcantara® & Leather upholstery<sup>[1]</sup>

e-POWER shifter<sup>[1]</sup>

# Onboard quietness.

New thicker glass and improved soundproofing mean less road noise, less wind noise and a calmer, more peaceful journey.

Fast (15W) wireless charger<sup>[1]</sup>

*Designed to the Qi charging standard & optimised for Qi certified devices<sup>[2]</sup>*  
*[1] Feature available depending on version, as standard or only as option (at an extra charge). [2] For non-Qi certified devices, wireless charging performance can be limited.*

Stay connected to your vehicle,  
the road and the world around you

**SIMPLE. INTUITIVE. CONNECTED.**  
NissanConnect Services<sup>[1]</sup> make you and your Qashqai even more connected. You get increased control of features such as remind-me alerts and speed alerts, personalised for each driver-profile.

**FREEDOM OF CHOICE**  
Use Apple CarPlay<sup>®</sup><sup>[2][3]</sup> and Android Auto<sup>™</sup><sup>[2][3]</sup> to access your music, messages, favorite apps and more while you're driving. Benefit from in-car connectivity, wired or wireless.

**SMART-HOME CONTROL**  
Easily connect to and control compatible smart home devices while in the car for peace of mind and convenience such as lights, A/C and even the start of your dishwasher.

**PERSONALISED DRIVING EXPERIENCE**  
Focus on your drive thanks to Qashqai profile personalisation<sup>[5]</sup> [for up to six drivers]. Your Qashqai recognizes you and adapts to your needs & preferences including car language, radio station, journey settings & history, app. login and configuration.

## On board with Google built-In.

Qashqai is now as much a part of your Google ecosystem as all your essential devices<sup>[1]</sup>. Interact seamlessly & naturally in & out of your Qashqai by accessing core Google apps and services making your car a logical extension of your digital world.

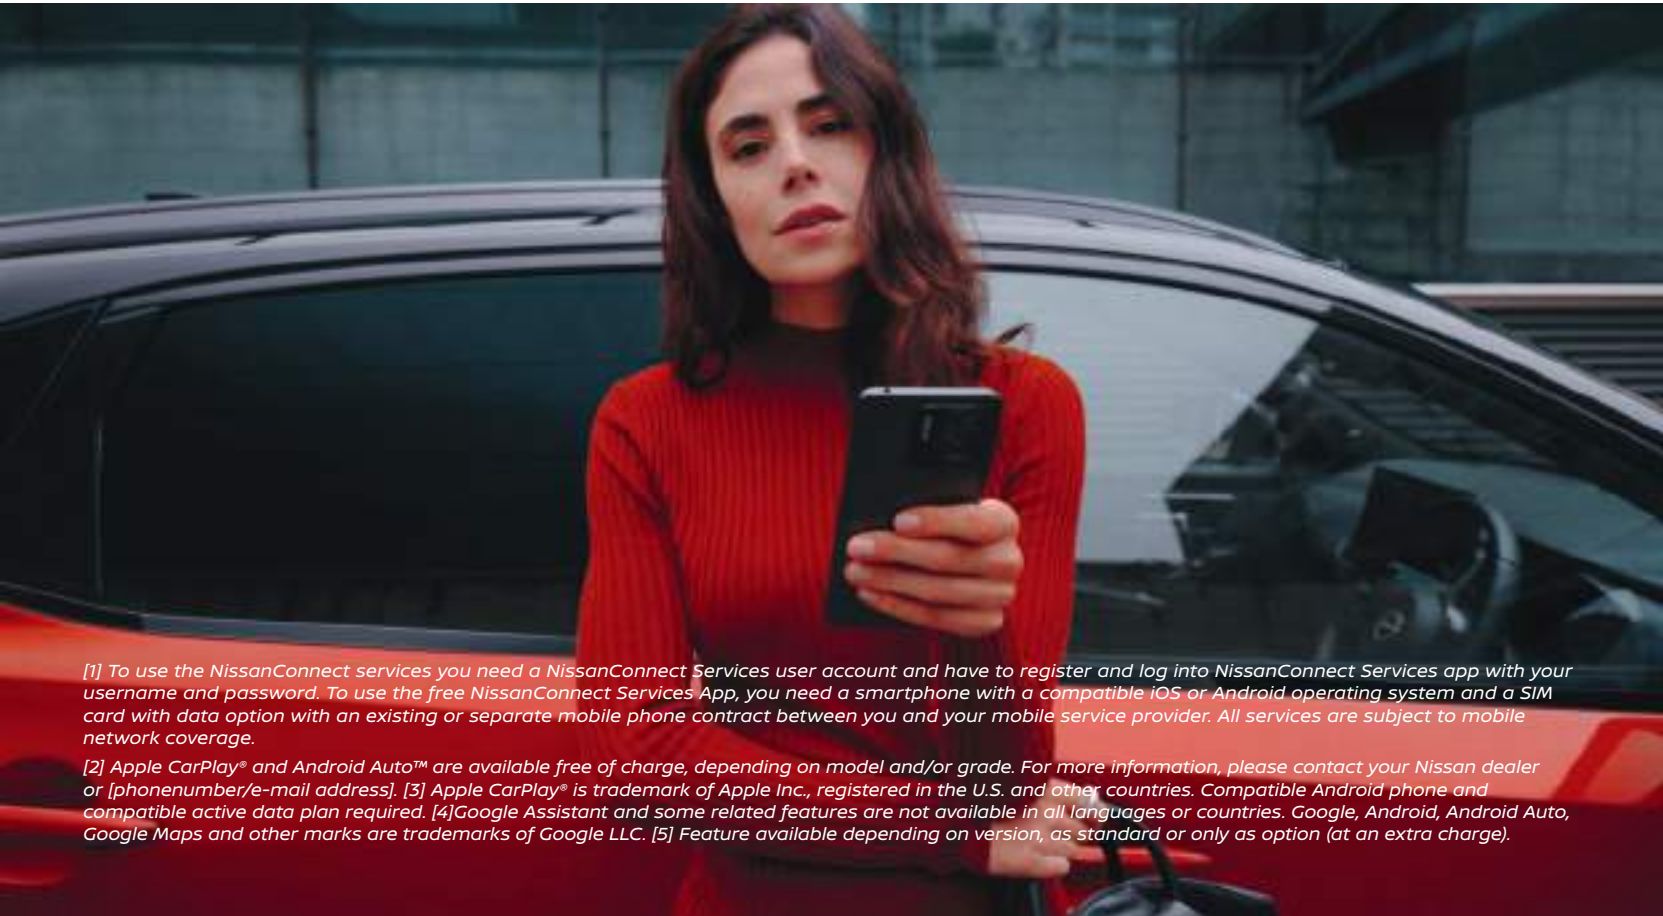

Talk to Google Assistant in your Qashqai to control functions such as navigation, calls & messages, calendar events creation and the A/C. Just say, "Hey Google" to get started.

Simple Google Maps navigation with live updates and no need to connect your smartphone. Once connected to your Google Account, get a personalised experience with maps that match your routine, your preferences and your schedule.

Whether for functional needs (e.g. parking) or for pure entertainment, Google Play Store brings over 70 apps to Nissan's in-car catalogue when you're connected to your Google Account. Use of the apps requires an internet connection. You can purchase in-car WIFI or use your phone data.

[1] To use the NissanConnect services you need a NissanConnect Services user account and have to register and log into NissanConnect Services app with your username and password. To use the free NissanConnect Services App, you need a smartphone with a compatible iOS or Android operating system and a SIM card with data option with an existing or separate mobile phone contract between you and your mobile service provider. All services are subject to mobile network coverage.  
[2] Apple CarPlay<sup>®</sup> and Android Auto<sup>™</sup> are available free of charge, depending on model and/or grade. For more information, please contact your Nissan dealer or [phonenumber/e-mail address]. [3] Apple CarPlay<sup>®</sup> is trademark of Apple Inc., registered in the U.S. and other countries. Compatible Android phone and compatible active data plan required. [4]Google Assistant and some related features are not available in all languages or countries. Google, Android, Android Auto, Google Maps and other marks are trademarks of Google LLC. [5] Feature available depending on version, as standard or only as option (at an extra charge).

# Focus on what matters.

Every Nissan Qashqai is now equipped with advanced safety technologies<sup>[1]</sup> to monitor the road and help keep you and your passengers safe. ProPILOT Assist with NAVI-Link<sup>[1][2]</sup> ensures a comfortable, relaxing driving while maintaining an ideal distance from the vehicle in front.

Nissan Qashqai, with its suite of active and passive safety technologies, has achieved a 5 star Euro NCAP safety rating

**INTELLIGENT CRUISE CONTROL**  
Keeps your distance. It measures the distance from the vehicle ahead, controlling acceleration and deceleration to automatically maintain a suitable following distance within your set speed.

**INTELLIGENT FORWARD COLLISION WARNING**  
Keeps an eye up to two vehicles in front of you. When the system detects a sudden deceleration ahead, it gives you an audible and visual warning to slow down.

**EMERGENCY LANE KEEPING**  
A full suite of technologies to help you avoid unintentional lane departure. Keeps you centered in the lane either by steering wheel action or braking in an emergency situation.

**INTELLIGENT EMERGENCY BRAKING WITH JUNCTION ASSIST, PEDESTRIAN AND CYCLIST RECOGNITION**  
Monitors constantly the presence of vehicles, cyclists, or pedestrians in your way. The system warns the driver and applies brakes if there is any danger ahead and if it is necessary. Junction Assist improves safety at intersections by reducing the risk of collision with upcoming traffic.

*[1]Feature available depending on version, as standard or only as option (at an extra charge). [2] ProPILOT Assist is available on a limited range of vehicles. ProPILOT Assist is an Advanced Driver Assist technology but cannot prevent collisions. ProPILOT Assist is intended for "Eyes on/ Hands On" for highways only (road separated by Barriers). Driver should monitor all traffic sign and obey traffic laws. It is the driver's responsibility to stay alert, drive safely and remain in control of the vehicle at any time.*

*You should not rely solely on driver convenience features. Some features may not work in all conditions and circumstances. Speed and other limitations apply. For terms and conditions relating to Nissan technologies, please contact your Nissan dealer or [www.nissan.xx](http://www.nissan.xx)*

# Take a fresh view of parking.

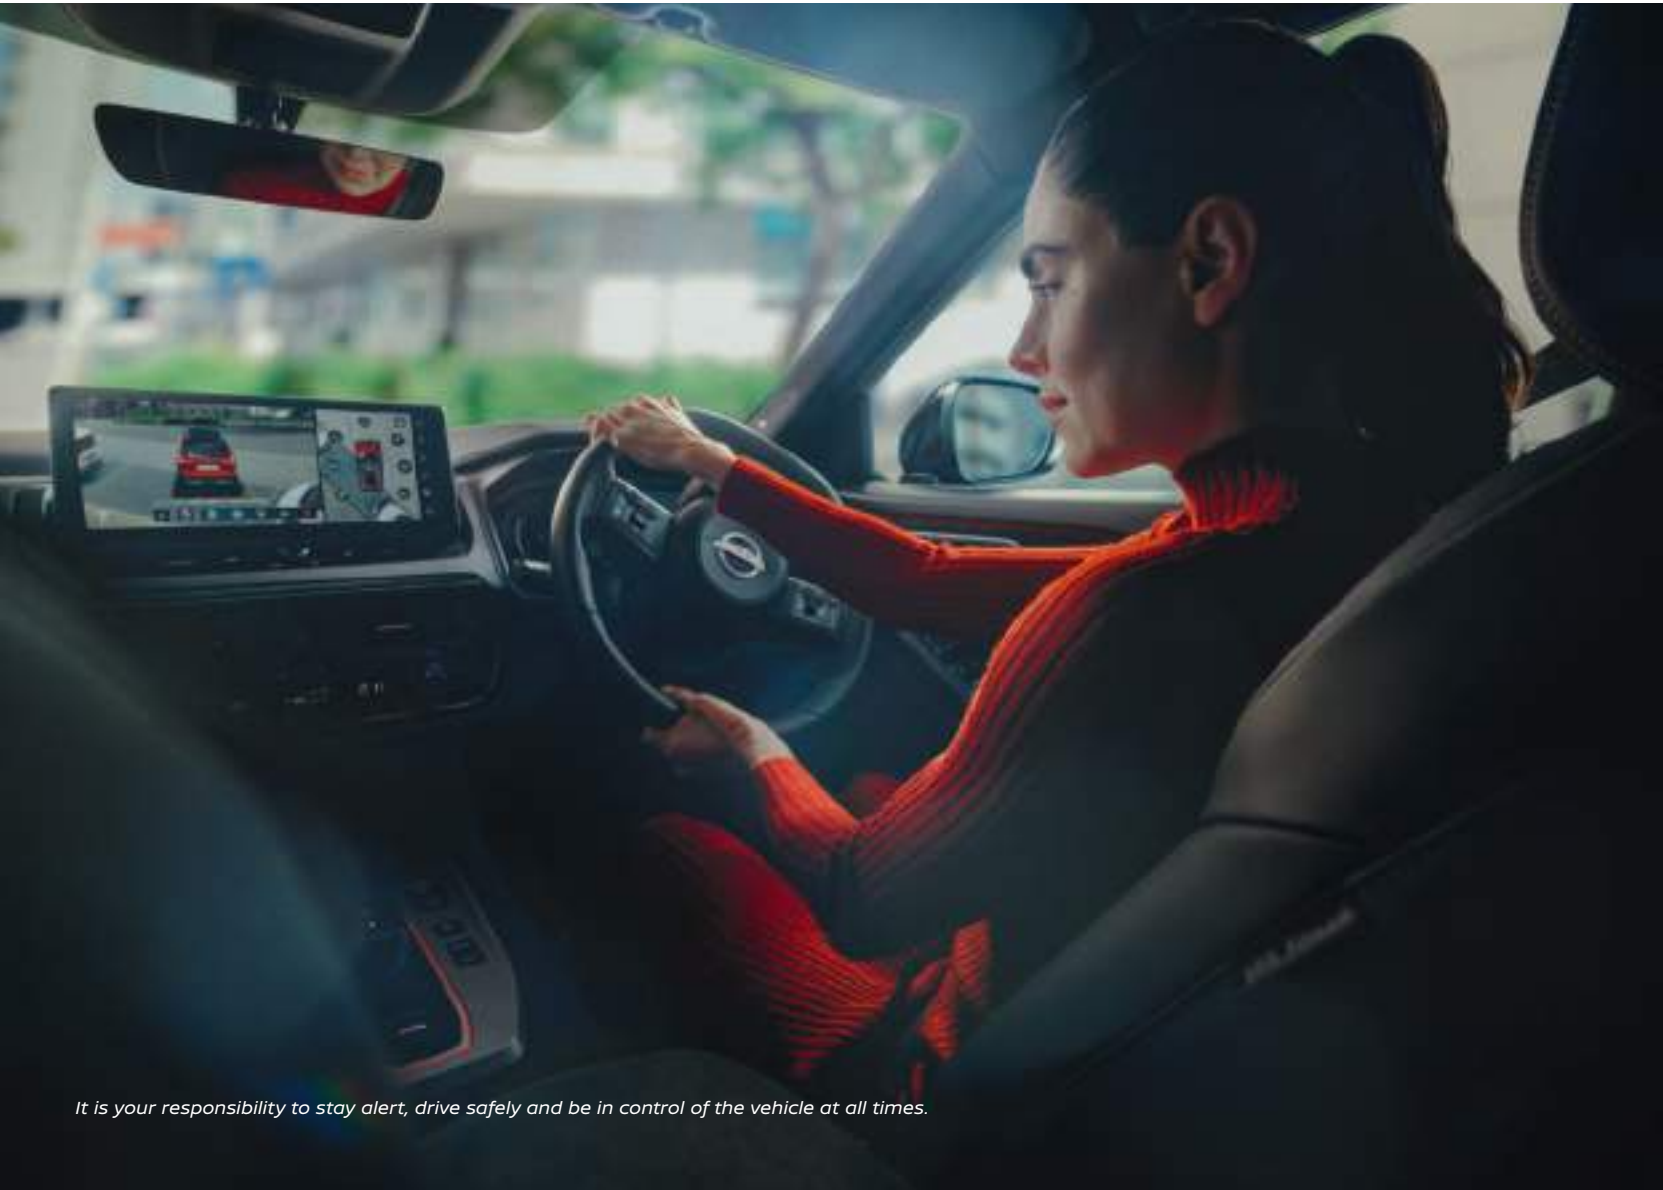

Qashqai's new 3D Around View Monitor\* helps you park with confidence. ProPILOT Park\*, available on Qashqai with e-POWER, offers automatic parking space detection and automatic control of steering, braking and acceleration while parking.

Rear camera shows what is right behind you

Side camera shows you a kerbside view

All-around view adds a virtual 3D, 360° view as you manoeuvre

Front camera combines front and overhead views

*It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times.*

# Better all round.

Split-screen closeups of your front, rear and kerbside views and the new Invisible Hood View\* giving you full visibility at ground level, are perfect for narrow spaces where precision is key.

*\*Feature available depending on version, as standard or only as option (at an extra charge).*

optimisation in  
combined drive<sup>[2]</sup>

**190hp**  
Instant Power  
& Acceleration

# The perfect engine for your driving style.

New Qashqai offers two exciting powertrains to match the way you drive. Feel electrified driving pleasure with e-POWER, this unique technology delivers instant torque and smooth acceleration from an electric, battery-powered motor that is recharged by a fuel-efficient petrol engine. Or enjoy the convenient mild hybrid petrol engine, ideal for extra-urban driving.

## e-POWER

Wheels are driven by an electric motor, with the battery topped up by a petrol engine.

## MILD HYBRID

Wheels are driven by a petrol engine assisted by a Lithium-ion battery charged on the go.

[1] Comparison made between Nissan Qashqai e-POWER and Nissan Qashqai Mild Hybrid 158hp XTronic.  
[2] Nissan XYZ XX hp, gasoline/diesel: fuel consumption (l/100 km): low: X,X; medium: X,X; high: X,X; maximum: X,X; combined: X,X; CO<sub>2</sub> emissions combined (g/km): XXX. Nissan XYZ: fuel consumption combined (l/100 km): X,X- X,X; CO<sub>2</sub> emissions combined (g/km): XXX-XXX. Vehicle has been homologated in accordance with EU regulations using the more realistic WLTP test procedure. NEDC values are therefore not available for this vehicle.

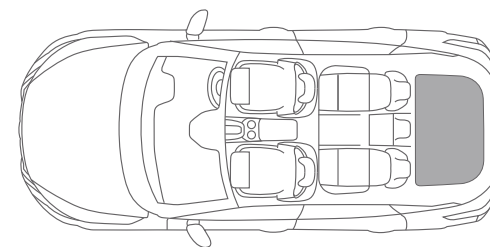

Handsfree power tailgate\*

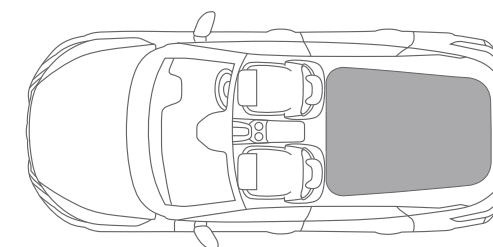

504L boot space

UP TO 504L  
BOOT SPACE

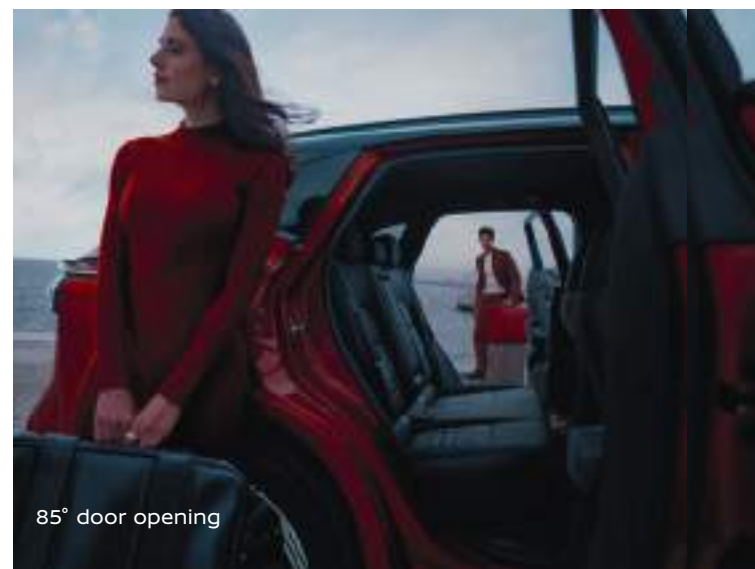

UP TO 1447L BOOT SPACE  
WITH FOLDED SEATS

## Step into space.

Up to 1447L of space means Nissan Qashqai is ready to carry everything you need. Two luggage boards (both with one wipe-clean surface) offer 16 boot configurations for maximum flexibility, whatever your cargo. Smart features like the Nissan handsfree power tailgate\* and wide opening rear doors take the hassle out of loading and unloading, to help you enjoy your trips even more.

\*Feature available depending on version, as standard or only as option (at an extra charge).

85° door opening

## Your Qashqai. Your way.

With five grades – including the distinctive, all-new sportiness of N-DESIGN, new Qashqai is all about choices. Pick from eight full-body colours and five two-tone options, then take it further with sharp alloy wheels. Whatever your style, whatever your personality, there's a Qashqai for you.

Accessories and any additional equipment fitted after-sale by the customer may have an impact on the communicated range figures of the vehicle. Genuine Nissan Accessories are covered by the new vehicle warranty of 3 years / 60,000 miles (whichever comes first), if fitted before Vehicle Handover or during the new vehicle warranty period. Genuine Nissan Accessories must be fitted by a Nissan dealer or Nissan repairer. Genuine Nissan Accessories fitted outside of the new vehicle warranty period or by a 3rd Party or by the Customer are only covered by the Genuine Nissan Parts and Accessories Warranty of 12 months / unlimited mileage

🍌 Accessory Select products' warranty coverage depends on supplier, for further information please speak to your authorised Nissan dealer or repairer

ENGINE & DIMENSIONS

	MILD HYBRID				e-POWER
A - Overall length (mm)	4425				
B - Wheelbase (mm)	2665				
C - Overall width without mirrors (mm)	1835				
D - Overall height (mm)	1625				
Displacement (cc)	1332				1497
Combined output (HP/PS)	138/140	156/158			190/193
Transmission	Manual	Manual	Automatic	Automatic	Automatic
Driven wheels	Front	Front	Front	4WD	Front
Torque (NM)	240	260	270	270	330
Acceleration (0-100km/h in s)	10,2	9,5	9,2	9,9	7,9
Combined CO <sub>2</sub> emissions (g/km)	142 - 146	142 - 146	141 - 145	155 - 160	117 - 120
Combined fuel consumption (l/100km) <sup>[1]</sup>	6.3 - 6.5	6.3 - 6.5	6.2 - 6.4	6.9 - 7.1	5.1 - 5.3
Mass in running order (kg) - vehicle with all fluids & driver	1420	1420	1465	1574	1665
Gross vehicle weight (kg) - vehicle + maximum payload	1935	1935	1985	2040	2180
Towing capacity (braked, kg) <sup>[2]</sup>	1400	1650	1800	1800	750
Boot space behind 2 <sup>nd</sup> row (L)	504			479	504
Boot space up to roof with all folded seats (L)	1447			1422	1440
Fuel tank capacity (L)	55				

[1] WLTP figures shown are pending homologation. s. Actual real-world driving results may vary depending on factors including the starting charge of the Lithium Ion battery (e-POWER variants), accessories fitted after registration, weather conditions, driving styles and vehicle load.

[2] Towing capacity will vary depending on vehicle specification.

Service Contracts

Give your Nissan Qashqai the care it deserves with a Nissan Service Contract and save money in the long run. Nissan Maintenance Contract covers all the scheduled operations recommended by Nissan and specified in the owner’s manual & warranty booklet. Maintenance Contract allows you to know from the start how much your maintenance will cost and protects you against price inflation. In addition to the scheduled operations, you can benefit from the replacement of wear and tear parts such as wiper blades or brake pads by subscribing to a Full Maintenance Contract. Select the duration that covers your needs and benefit from the use of Nissan Genuine Parts fitted by our trained technicians, at a discounted price. A well maintained vehicle has a greater resale value. If you sell your Nissan before your contract expires, the Service Contract will be transferred to the new owner. So do not wait any longer and subscribe to a Nissan Service Contract for extra peace of mind!

Extended Warranty

Nissan Extended Warranty gives you the opportunity to extend your warranty for a longer period or mileage. Select the contract that best suits your driving usage. In case of a repair, only Nissan genuine parts will be used and fitted by Nissan trained technicians.

# SUSTAINABILITY

Nissan's strategy centers on sustainability, aiming for carbon neutrality by 2050 and achieving a 41.2% reduction in CO<sub>2</sub> emissions from new vehicles compared to 2000. The company plans to electrify all-new vehicle offerings in key markets by the early 2030s. We are committed to developing driver assistance technologies for safer journeys, with 2.27 million vehicles already equipped with ProPILOT Assist systems. Additionally, Nissan is focused on creating a diverse, equitable, and inclusive workplace.

# 90 YEARS

OF DARING TO DO WHAT  
OTHERS DON'T.

We have built our heritage on a passion for innovation and electric mobility, from the creation of the first Datsun in 1933 to cutting-edge technologies such as e-POWER and e-4ORCE. We are also committed to achieving carbon neutrality by 2050, reducing road deaths to zero and promoting diversity, equity and inclusion.

# DEFY ORDINARY

Why stick to the beaten path when you can forge your own? It's something we've always done and unites us with those who dare to be different. Those who refuse to settle for the status quo. It means we're continually creating radical new experiences, challenging conventional ways of thinking and shaking up worldviews. We're firm believers that real thrill happens when you take the plunge.

That's why we welcome boldness and fearlessly embrace the unexpected.

That's why we defy ordinary.
