INTELLIGENCE is beautiful, and the smart, sophisticated design of the ultimate urban crossover proves it. Nissan QASHQAI combines stunning looks with efficient aerodynamics to help you enjoy enlightened city driving AT ITS BEST.
THINK IN SYNC.
MOVE INTO A NEW ERA.

Nissan Intelligent Mobility is redefining the way we power, drive and integrate our cars into our lives. For the QASHQAI, it is about a suite of intelligent technologies that increase safety and make you more confident behind the wheel. From Intelligent Park Assist to Intelligent Emergency Braking with Pedestrian Recognition, Nissan QASHQAI is looking out for you and those around you.
SLEEKER LOOKS SMARTER DESIGN.

It's never looked better, or felt better. Featuring a stunning range of styling updates including a sleek headlamp design, alloy wheels and a robust front grille and hood design, the QASHQAI is more sophisticated and dynamic than ever.
FINE-TUNED TO PERFECTION.
Take control with confidence behind the premium sports steering wheel, while QASHQAI's panoramic glass roof with one-touch electric shade lets the light pour in.

PREMIUM QUALITY AND COMFORT.
- Sports D-shaped steering wheel
- Panoramic glass roof with one-touch electric shade
- Premium Nappa leather trim with 3D quilting
- 4-way Power lumbar support with driver seat memory function
MORE ACTION LESS DISTRACTION.

The New QASHQAI’s Advanced Drive-Assist Display puts all your info right in front of you – just toggle between the screens using the steering wheel controls. Easy.

*Some features not available on all grades*
NEW NISSANCONNECT
The all new Infotainment system on Qashqai comes with exciting new features like 3D Maps, Smartphone Integration, Voice Commands & multi touch 7” screen which you can customize as per your convenience. New NissanConnect also brings the familiar experience of your smartphone via Apple CarPlay® and Android Auto®.

3D MAPS. Navigate your way around the world with 3D maps.

CUSTOMIZE HOME MENU. Display your most frequently used features like audio, call history and traffic information.

VOICE RECOGNITION. Press the talk button on steering wheel to safely use voice commands for Navigation, Music & Phone.

SINGLE LINE SEARCH. Fast & Convenient search for destination or Point of Interests.

YOUR MUSIC. YOUR WAY Access your music using Bluetooth, USB or connect with Apple CarPlay or Android Auto.
INTELLIGENT INTEGRATION TO MAKE YOUR CAR A MORE PRODUCTIVE SPACE.

Plan your trip ahead based on Real Time Traffic, send destination to car or locate your parked vehicle using the Door to Door Navigation App. Your Navigation system can be updated over the air delivered via your Smartphone or by connecting to external WiFi Hotspot. TomTom Premium Traffic and Map Updates are free for 5 Years.

PREMIUM TRAFFIC DATA. Get accurate time to destination (ETA) information before you leave based on Real Time Traffic and decide the best route to your destination.

FREE MAP UPDATES. Get over the air updates or download them via USB to keep your system up to date. With New NissanConnect, Map Updates and Premium Traffic are free for the first 5 Years.

PUSH DESTINATION TO CAR VIA A COMPUTER OR THE MOBILE APP. Send destination to car using any interface and plan your trip before leaving.

DOOR-TO-DOOR NAVIGATION. The Mobile App enables you to navigate end to end, from where you parked your car to your destination.

Download the Door-to-Door Navigation App on your Smartphone and access all your maps on your next generation NissanConnect multi-touch display screen.
They're the best in the house, with their monoform design and finished in high quality Nappa leather with soft 3D quilting, the seats in the Nissan QASHQAI envelope you in lasting, luxurious comfort.

*Nappa leather is only available on Tekna+ grade.
Some parts of leather seats contain artificial leather.
ROOM WITH A VIEW.

Keep an open mind - There's always space for more. Fold down a rear seat or make a flat floor for bulky gear, and use those smart storage spaces to avoid clutter.

*Luggage board system available from Acenta grade

Nissan's divide-and-hide cargo system with adjustable shelves and dividers offers a variety of configurations. A bucket-type glove box and phone-holder with USB/12V power sockets and a twin cup holder come in very handy.

*401 litres of boot space on Tekna and Tekna+ grades. 1,569 litres of boot space with folded seats on Tekna and Tekna+ grades.
SEE MORE AROUND YOU
A WHOLE NEW PERSPECTIVE.

Parking and manoeuvring is a breeze when you've got an extra pair of eyes. The Nissan Intelligent Around-View Monitor uses four cameras to give you a virtual bird's-eye view of your QASHQAI with selectable split-scene close-ups of the front, rear and kerbside to give you an even better look. You'll be sure to fit into your chosen spot and every move you make will be simpler and more precise.

RIGHT ON THE NOSE.
In Drive, the display gives you both a front and overhead view, so you know just how far to pull up - without going too far.

COMPLETE THE PICTURE.
Located under the door mirrors, these cameras complete your virtual 360° bird's-eye view for every manoeuvre.

SPARE YOUR WHEELS.
In Drive or Reverse, you can push the camera button to switch between the overhead view for a close-up side view. A great help for checking your distance from the kerb.

BACKGROUND SAVVY.
In Reverse, the display helps you see what's directly behind you, while the overhead view helps with smaller objects that might be hidden below your line of sight.

SPARE YOUR WHEELS.
In Drive or Reverse, you can push the camera button to switch between the overhead view for a close-up side view. A great help for checking your distance from the kerb.
GET A HAND WHEN YOU WANT IT
RELAX, YOU'RE NOT ALONE.

Nissan Intelligent Mobility is taking your driving experience to the next level. It's bringing you and your QASHQAI closer through Intelligent Driving technologies that make you feel more confident and in control. It's turning driving into a more exhilarating experience and making the road a better place to be everyday.

INTELLIGENT PARK ASSIST WITH REAR CROSS-TRAFFIC ALERT

Let QASHQAI take over steering duties in tight parking spots – and let Rear Cross-Traffic Alert warn you of approaching traffic when you are reversing.

*Available from Tekna grade
ProPILOT, YOUR PARTNER FOR A SMARTER, MORE CONFIDENT DRIVE

Ready, set... enjoy. With Nissan ProPILOT*, you can free yourself from driving stress while QASHQAI takes care of the little things. Just check the road conditions, switch it on and make the most of your journey. It turns your daily trip down the motorway into one of the best parts of the day.

CLOSE UP ON THE TECH

**EASES DRIVING IN HEAVY TRAFFIC**
Based on the traffic flow, it can bring your QASHQAI to a complete stop and then bring it back up to speed when traffic starts moving again.

**HELPS KEEP YOU CENTERED IN THE LANE**
Monitors lane markings and helps steer the car to keep you centered in the lane.

**KEEPS AND ADJUSTS SPEED**
Adjusts your car speed to maintain safe distance according to the flow of traffic.

*Nissan ProPILOT is available on a limited range of vehicles. ProPILOT is an Advanced Driver Assist technology but cannot prevent collisions. ProPILOT is intended for “Eyes on/ Hands On” for Highways only (road separated by Barriers). It is the driver’s responsibility to stay alert, drive safely and be able to take control of the vehicle at any time.
GET A HAND WHEN YOU WANT IT
STEPS IN WHEN YOU NEED IT.

Nissan's Intelligent Driving technologies are always on the alert and ready to step in to keep you out of trouble.

**INTELLIGENT LANE INTERVENTION.**
This technology gives you a visual alert as well as assistance through subtle wheel braking to guide you back into the lane when drifting out without indicating.

**INTELLIGENT EMERGENCY BRAKING WITH PEDESTRIAN RECOGNITION.** QASHQAI looks out for you - and those around you. If there are any objects in your way, this system will warn you. It will even help you to reduce speed if necessary.

**INTELLIGENT AUTO HEADLIGHTS WITH ADAPTIVE FRONT LIGHTING SYSTEM.**
QASHQAI's sleek headlamps intelligently light your way by automatically turning on when it gets dark or when you enter a tunnel or underground car park – and automatically turning off when you stop. The Adaptive Front Lighting System controls light distribution to improve your visibility at night. On a winding road, it will change the lighting pattern to compensate for the curve and at a crossroads, it will illuminate your chosen direction – left or right.
IT SENSES MOVEMENT AND WARNS YOU.

Nissan's Intelligent Driving technologies use advanced radar technology to constantly monitor activity going on around you, keeping tabs on the traffic and helping you handle any unexpected situations.

- **TRAFFIC SIGN RECOGNITION.** This system keeps you up to date with the latest speed limit by detecting road signs as you go.

- **BLIND SPOT WARNING.** Boost your vision; the system will warn you if there are vehicles in the blind spots diagonally behind the car.
INTELLIGENT ENGINE BRAKE. This technology adds engine braking to the Xtronic automatic transmission, applying greater control whencornering or braking. By minimising the frequency and effort normally required to brake the vehicle, the system increases driver comfort and safety.

INTELLIGENT 4X4. Off road or on road, the QASHQAI's 4x4 technology maximises tyre traction. Using advanced sensors, the Intelligent 4x4 system monitors the traction at the wheels and by measuring wheel slip, instantly redistributes torque by up to 50% to the rear wheels.

INTELLIGENT RIDE CONTROL. Take the rough with the smooth. This system applies subtle braking to prevent disturbance when encountering bumps and ensures a comfortably smooth ride.

DRIVE MORE LIKE A PRO
GAIN CONFIDENCE, OWN THE ROAD.
So agile and responsive, so smooth to handle, so supple and yet secure: the QASHQAI is an engaging drive thanks to Nissan's innovative Chassis Control technology.
DRIVE WITHOUT COMPROMISE
OPTIMISE YOUR PERFORMANCE.

Feel more in control of your drive thanks to the technologically advanced performance of the Qashqai new powertrain line up. Fully engineered to respect the environment, it reduces running costs while delivering even more power and torque for a smoother response, faster acceleration and quick, clean overtaking.

1.3L NEW PETROL ENGINE. Available in 140 or 160 PS, our new engine is designed and engineered to boost driving pleasure while improving energy efficiency to meet rigorous new European norms.

For the engine performance data such as CO2 emission and fuel consumption please refer to model technical data sheet available in the brochure and in the dealership.
ELEGANCE PACK REFINE YOUR RIDE.
Pack your New QASHQAI with elegance and refinement. Start your accessory personalisation with a set of stylish black or chrome bumper finishers to enhance the front and rear design. Put your signature on your own QASHQAI with bi-coloured alloy wheels, illuminated entry guards and premium welcome lighting.

AT NISSAN, WE FOCUS ON QUALITY.

360° PROCESS
We build in quality from the outset, meticulously conceiving each car to make them more comfortable and more durable through innovative design, intelligent technology and thoughtful details inspired by you.

SAFETY
We work with our intelligent driving systems to constantly look out for you and help you avoid any mishaps for a bolder, more confident driving experience day after day. Our Around View Monitor uses 4 cameras to give you a virtual birds eye view of your car in its surroundings.

EXTREME RELIABILITY
We push our cars to the limit to guarantee their daily performance and reliability. We travel millions of kilometres in pre-production tests, open and close doors and bonnets thousands of times a day and even use real volcanic dust from Japan to test window resistance.

ULTIMATE PROOF | reevoo
Our commitment to quality is best demonstrated by you. Search for testimonials, reviews and ratings online or find out what people are saying about Nissan on Reevoo. It’s the best place to compare vehicles and get real answers from real owners you can trust.

*Bose® audio system*
### TECHNICAL SPECIFICATION

- Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures.
- There is a new test used for fuel consumption and CO₂ figures. The CO₂ figures shown however, are based on the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration.
- Figures may not reflect real driving results which will vary depending upon a number of factors including weather conditions, driving styles, vehicle load or any accessories fitted after registration.

### REQUEST A TEST DRIVE
**WHAT IS A GPF & DPF?**

A Gasoline Particulate Filter (GPF) or Diesel Particulate Filter (DPF) forms part of the vehicle's exhaust in order to limit the amount of soot particles contained within the exhaust gas passing into the atmosphere.

When the amount of soot in the filter reaches a specific level, this needs to be reduced in order to maintain the filter's function. This reduction is called 'REGENERATION' and is carried out by the vehicle's electronic control system which raises the exhaust gas temperatures during normal driving. If a vehicle requires frequent regeneration due to driving style, these high temperatures cause the engine oil to degrade more quickly.

However, from 2011 onwards Nissan vehicles were fitted with an **OIL CHANGE SUPERVISOR (OCS)** as well as a GPF or DPF to help monitor the condition of the oil and ensure the quality never falls below a minimum level.

**WHAT IF I ONLY DRIVE SHORT JOURNEYS?**

If the vehicle is only driven for short journeys, or at low speed, then it may not be possible for regeneration to occur. In this situation, the below warning lights will be illuminated on your dashboard:

- **SERVICE REGENERATION**

Please refer to your Owner's Manual for further information.

After seeing these warning lights you need to drive, as soon as possible, above 40mph until the light goes out. This can take up to 30 minutes depending on the amount of soot collected in the filter.

**WHAT IF I IGNORE THEM?**

If you continue to drive at low speeds the exhaust gas temperatures cannot rise, so regeneration cannot occur. In this instance, a combination of the below warning lights will be illuminated on your dashboard:

- **SERVICE REGENERATION**

In this case, and in order to protect the engine and DPF filter, the vehicle will require **SERVICE REGENERATION** which can only be carried out by a workshop equipped with Nissan diagnostic equipment. You will need to go to your nearest Nissan dealer in case the oil and filter needs to be replaced.

With a Nissan Service Plan you will benefit from genuine Nissan parts and Nissan Genuine Motor Oil, which have been engineered specifically for Nissan vehicles.

As **SERVICE REGENERATION** is not a manufacturing fault, so the cost will NOT be covered under warranty.
Nissan Insurance has been designed to help Nissan drivers get the most from their cover, boasting the following benefits:

- Use of Nissan Approved Repairers and franchised trained technicians
- Use of only Nissan genuine parts for repairs
- Guaranteed repair for 3 years
- New car replacement, if your vehicle is written off when under 12 months old
- Cover provided for driving in the EU, subject to a maximum 30 days per year
- Personal accident benefit up to £5,000
- Up to £100 personal belongings cover
- £300 towards replacement locks if your keys are lost or stolen

Call Nissan Insurance today on 0344 335 3780

Calls charged at the same rate as local 01 and 02 numbers and will be included in inclusive call packages from mobiles. Lines are open Monday to Friday 9am-7pm and Saturday 9am-5pm.

Terms and Conditions
Quotations are subject to underwriting terms and acceptance criteria. * g/km = grammes of CO₂ per kilometre travelled.

All Light Commercial Vehicles will have a standard VED rate of £240 per annum.

VAT and VED

VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing.

VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.

Optional equipment. This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

Nissan’s commitment to you includes all of the following benefits – some of which may be the reasons why you chose your new Nissan in the first place:

Manufacturer's warranty – Nissan’s comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located.

If your vehicle becomes inoperative due to a warrantable defect, a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer. Petrol and diesel engine cars - Three-year/60,000 miles. Petrol and diesel engine LCVs and Navara - Five-year/100,000 miles.

LEAF and e-NV200 – Nissan LEAF and e-NV200 offer a 5-year / 60,000 mile warranty on all EV dedicated components, including the lithium-ion battery, and a 3-year / 60,000 mile warranty on standard components. This is with the expression of e-NV200 which offers a 5-year / 60,000 mile warranty on mechanical components and corrosion. The Nissan LEAF and e-NV200 lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on LEAF and e-NV200's capacity gauge for a period of 5 years / 60,000 miles. For LEAF and e-NV200 flex customers, the battery state of health guarantee applies for the duration of the battery lease.

*The Basic Vehicle Warranty for e-NV200, according to 3.1 of the Warranty Booklet and Maintenance Record, is extended to 5 years (from the warranty start date) / 60,000 miles (whichever comes first). Only vehicles registered on or after 1st November 2016 are eligible for the Extended Warranty. Body parts and paint excluded during year four and year five. Terms and exclusions apply; for further information please see Extended Warranty Terms and Conditions. Apart from the afore-mentioned, all warranty conditions included in the Warranty Booklet and Maintenance Record remain unchanged. Issuer of this Extended Warranty is Nissan International Insurance Ltd.
Nissan European Roadside Assistance is provided for the period of your new vehicle manufacturer warranty.

Roadside, Recovery and At Home products are provided by RAC Motoring Services (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Motoring Services (in respect of insurance mediation activities only) is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Onward Travel and European Cover are underwritten by RAC Insurance Limited (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Insurance Limited is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Nissan EV Pan-European Roadside Assistance is provided by AXA for 3 years or 60,000 miles, whichever comes first.

For LEAF and e-NV200 Flex (battery lease) customers, the Nissan EV Pan-European Roadside Assistance will cover you for the duration of your battery lease agreement should your Nissan EV run out of battery charge. For any other repair work, the basic warranty clause still applies. Benefits and Services are provided by AXA Assistance. AXA Assistance is authorised and regulated by the Financial Conduct Authority (FCA).

FCA Register number 439069. AXA Assistance UK Limited (registration 2638890) 106 - 118 Station Road, Redhill Surrey RH1 1PR

Peace of mind – we always guarantee our workmanship, and all genuine Nissan replacement parts and accessories have a minimum of one year’s warranty. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices. Our technicians have been trained by Nissan to work on your vehicle and they are the Nissan specialists. They use the latest equipment to ensure your vehicle is given the best treatment. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices.

Recyclability – we take all our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind.

Nissan Finance offers a wide range of flexible finance schemes to meet the needs of both our retail and business customers. Preferences, Hire Purchase, Nissan Contract Hire and Finance Lease, all offer the in-built flexibility to make the package tailor-made to meet your individual needs. We also provide added security to your finance agreement with a comprehensive range of payment protection plans. Ask your local Authorised Nissan Dealer for details.

The Nissan Motability Programme developed in association with the registered charity Motability enables those with difficulty getting around to obtain selected models on preferential terms.

All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan’s policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify, among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Authorised Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.

Images shown are for guidance purposes. In some instances photos are of non UK specification vehicles and do not represent a specific model, grade or offer.
Every effort has been made to ensure that the content of this publication is correct at the time of going to press. (October 2013). However, the continued development, improvement and introduction of modifications to vehicles and the introduction of new components may mean that the current specification may differ from that which is described in this publication. Nissan International reserves the right to change at any time the specification and the vehicles may be changed without notice. Nissan dealers will be informed of any such modifications as quickly as possible. Please check with your local Nissan dealer to receive the most up-to-date information. Because of the limitations of the printing processes used, the colours may differ from the actual colours of the paint and interior trim materials used. All rights reserved.
