SHARE the joy of life’s adventures in a bigger, bolder crossover that has everything you need to thrive: muscular sculpted styling, solid capabilities, next-level technologies to keep you in control and all the space, comfort and flexibility you need to enjoy your action-packed trips with the kids. So where to next? Call up directions and your favourite driving music at the touch of a button and go explore. The 2019 Nissan X-TRAIL: built to build FAMILIES.
NEXT-LEVEL TECHNOLOGY FOR A CONFIDENT AND ENERGISING DRIVE

Nissan Intelligent Mobility is redefining the way we power, drive and integrate cars in the world around us. It's bringing you and your X-TRAIL closer together for a more confident, more exhilarating ride. It's making your journey more personal through advanced connectivity and empowering you through progressive technologies. It's enhancing the joy of being behind the wheel and turning the world into a safer place everyday.
BREATHTAKING FROM TOP TO BOTTOM

Want to share an inspiring view on a starry night? Need a cozy refuge on a chilly morning? X-TRAIL makes sure you’re well taken care of.

To design their zero-gravity-inspired seats with spinal support, Nissan’s engineers looked to the cosmos. They recreated the relaxed posture of astronauts floating in space by designing an articulated front seat that supports you from the pelvis to the chest optimising the blood flow, and seat cushions that provide better pressure distribution. The result is exceptional comfort and less fatigue on the long distance trips of your adventures.

More inspiration comes from the available Power Panoramic Sunroof, offering everyone aboard the most stunning theatre view of the sky and stars.
NissanConnect app with latest in-car infotainment, navigation and connectivity

Heated D-Shaped Steering Wheel with Premium Leather

PREMIUM DETAILS THAT ARE A CLASS ABOVE THE REST

Available tan leather with quilting and black seat inserts (Only on Tekna)
Available Heated Leather seats on 1st and 2nd rows
Available Power Panoramic Moonroof

Glossy black trim
Gear lever with double-stitched leather boot
Synthetic leather upholstery
NISSAN ADVANCED DRIVE-ASSIST DISPLAY

INNOVATION THAT’S RIGHT IN FRONT OF YOU.

Turn-by-turn directions, caller ID, available safety features... all your info is right before your eyes on your 5" colour Advanced Drive-Assist Display. Use the steering wheel controls to toggle between different screens. Just push on the arrows. Easy!
PREMIUM BOSE AUDIO SYSTEM.

Soar to the sound of your Premium Bose Audio System. An expansive listening experience in both the front and back, it fills the X-TRAIL with music of both depth and precision.

CUSTOM-TUNED SOUND

Eight high performance speakers channel sound throughout the vehicle: tweeters, front and rear woofers in the doors and a subwoofer at the back work in harmony to deliver wider, clearer sound with a deep, powerful bass - all perfectly balanced to suit you.

*Only available on 5 seat Tekna grade*
YOUR WORLD AT YOUR FINGERTIPS.

Thanks to NissanConnect EVO with Navigation and Mobile Apps, X-TRAIL is your smartphone’s best friend. No more separation anxiety for you! From now on, your own hand-picked music, latest tweets, Facebook, TripAdvisor and more can all come along for the ride, seamlessly integrated through your smartphone and X-TRAIL’s 7-inch color touch-screen.

* Available from Acenta Premium Grade
SLIDE, GLIDE AND SWING WIDE.

A SMARTER 2ND ROW. Thanks to the X-TRAIL’s flexible seating system, this 2nd row is truly first class. The 60/40 split seat slides forward for easy access and adjusts to give you more boot space, more legroom, and everything in between. You can also recline the seats, when it’s time to just relax.

OPTIONAL 3RD ROW. The X-TRAIL’s folding 3rd-row 50/50 split seat gives you additional versatility. Perfect for accommodating extra passengers and their gear, it also folds down completely to make a flat boot floor for maximum storage.

REAR 77° WIDE OPENING DOORS. The X-TRAIL’s rear doors swing out to nearly 80° giving easy access to the kids, the cool-box, the snowboards…making life so much easier.

SEAT FIVE OR ADAPT TO SEVEN COMFORTABLY

All because of the X-TRAIL’s 60/40 split seat and available Power Panoramic Sunroof.

First class front headroom and two rows of 2nd row vents help keep everyone comfortable. As available for the rear seats, the 60/40 folding split is ideal, too, when you need to fit more family members and friends inside of your new X-TRAIL — or you can fold it down completely, making the cargo floor flat and maximizing the storage space.
NISSAN HANDSFREE POWER TAILGATE
INNOVATION THAT GIVES YOU A HAND

Got your arms full? No worries! You can open the back door hands-free. Just stand about three feet away with your iKey in your pocket and swing your foot under the centre of the bumper - the door will open with a couple of seconds.
At Nissan, we innovate to make your life easier. Details like the Nissan handsfree power tailgate and the wide opening of the rear doors take the hassle out of packing and unpacking so that you can make the most of your precious days out.

**NISSAN HANDSFREE POWER TAILGATE**

**LITTLE DETAILS THAT MAKE A BIG DIFFERENCE**

The exclusive Cargo System adapts to your next trip in an instant. An adjustable set of shelves and dividers offer a variety of 9 configurations - it's so easy, you can do it with one hand.

SINGLE-HANDEDLY REINVENTING VERSATILITY

Secret spot. A long, flat floor for big items, with under-floor storage for things you want to keep out of sight, such as a laptop.

Lower your floor for added height to fit in those tall items.
Intelligent AVM* gives you a virtual 360° bird’s eye view of your vehicle to bring your parking space and manoeuvring capabilities into full perspective.

Thanks to Intelligent AVM*, you can check the front and back of the car while remaining comfortably in the driver’s seat.

With a front and overhead view, you know just how far to pull up - without going too far.

Tight spot with cars on either side? The overhead view helps you center your X-TRAIL in the space.

The side is a great help for seeing how close you are to the curb.

In reverse, the display helps you see what’s directly behind you, while the overhead view helps with smaller objects that might be hidden below your window.

Intelligent AVM* provides visuals that allow you to park like a pro.

Intelligent AVM* provides multiple views to help you park straight into your space without a scrape.

Intelligent AVM* provides visuals that help you pull all the way into a garage, showing any objects on the floor and ensuring you’ve cleared the garage door.

Intelligent AVM* provides an overhead view and rear bumper view to help you align to a trailer hitch with ease.

*AVM = Around View Monitor

*Available from Acenta Premium grade
SEE MORE AROUND YOU

BECOME A MASTER OF MANOEUVRABILITY

When the going gets tough, Nissan Intelligent Park Assist makes it smoother. Just line up your car with the parking space and it will guide you in. X-TRAIL offers an Intelligent Around View Monitor with Moving Object Detection. Four cameras give you a virtual 360° bird’s-eye view of your vehicle, with selectable split-screen close-ups of the front, in addition to rear and curbside views for a better look.
GET A HAND WHEN YOU WANT IT

STEPPING IN WHEN YOU NEED IT

Meet your co-driver. It sees, it senses, it jumps in. From smart safety features that step in on your behalf to fully autonomous driving aids, from Intelligent Park Assist to Intelligent Emergency Braking with Pedestrian Recognition, Nissan X-TRAIL acts as your N°1 partner, always looking out for you, always there to support you, and never forgetting about those around you.

INTELLIGENT EMERGENCY BRAKING WITH PEDESTRIAN RECOGNITION.
Constantly monitoring the presence of objects or pedestrians in your way, this system can prevent you from bumping anybody hidden from the driver's perspective.

LANE DEPARTURE WARNING.
This system will alert you of drifting by giving audible and visible warnings.

HIGH BEAM ASSIST:
See more on dark roads. This system will activate the beams as soon as you need them and temporarily dip the lights for oncoming traffic.
Nissan’s Intelligent Driving Systems use advanced radar technology to constantly monitor all the activity around you, keeping tabs on the traffic and helping you handle any unexpected situations. It’s like having an extra pair of eyes keeping watch so that you can make the most of your family adventure.

**REAR CROSS TRAFFIC ALERT.** This system will warn you if there is any oncoming traffic or large objects behind you when you’re reversing.

**TRAFFIC SIGN RECOGNITION.** Stick to the latest speed limits thanks to automatic road sign detection as you go.

**BLIND SPOT WARNING.** This system can see what the eye cannot. It will warn you if it detects any vehicles in your rear diagonal blind spot.
MORE EYES ON THE ROAD

X-Trail includes two important Nissan technologies to help keep you and your family safe on the road. Intelligent Cruise Control adjusts your speed to match the road conditions ahead, while Lane Keep Assist steers the car if you drift over the line. Relax, stay focused: we’ve got your back.

INTELLIGENT CRUISE CONTROL. Adjusts your car speed to maintain safe distance according to the flow of traffic.

LANE KEEP ASSIST. Helps to keep the vehicle centered during single lane driving, even on slight curves. Steering Assist will provide small steering inputs to help the driver center the vehicle in the lane.
INTELLIGENT RIDE CONTROL.
Take the rough with the smooth. This system applies subtle braking to prevent turbulence over bumps and enhances the overall comfort of the ride for the whole family.

INTELLIGENT TRACE CONTROL.
Keep cool when cornering. This system adjusts brake pressure on individual wheels to keep you on an optimal line through turns.

INTELLIGENT ENGINE BRAKE.
Feel the curve. This system controls the CVT as though you’re driving manual through a light bend. It shifts down to smoothly decelerate on your way through the curve, then shifts back up to accelerate on your way out.

The X-TRAIL is so agile and responsive, it actually improves your driving. Nissan’s Chassis Control technologies make it smooth to handle and supple yet secure to drive – ensuring an exciting yet comfortable journey for everyone on board. So pile in and have fun.
ADAPT TO RAIN OR SLEET IN THE BLINK OF AN EYE

The X-TRAIL can adapt to changing conditions 30 times faster than the blink of an eye. Whether it’s snow, rain-covered pavement or a tight turn, the system will automatically send power to the wheels that need it the most. Even in ideal conditions, the X-TRAIL’s Intelligent 4x4 system pays big dividends: getting a grip has never felt better.

STAND STILL ASSIST/AUTO HOLD. No rolling backwards. With Stand Still Assist, the feature will hold your X-Trail at a stationary position for up to 3 minutes, at which point the electric parking brake will be applied if there is no driver interaction. The feature works on all gradients. Only available on manual transmissions.

INTELLIGENT 4X4. With X-TRAIL’s All-Mode 4x4-i, is a system that’s capable on-road and off. You can choose full-time 2WD for maximum efficiency. Auto Mode constantly monitors conditions and adjusts the balance of power between front and rear.
Looking for excellent fuel economy in a roomy SUV that’s lots of fun to drive? That’s what you get with X-TRAIL. From exterior aerodynamics that whisper through the wind to advanced engines transmissions including the virtually gearless XTRONIC and dual clutch DCT transmissions, it takes efficiency and performance to the next level.

Powering the X-TRAIL are Nissan’s advanced 1.7 litre diesel and 1.3 litre Petrol engines, providing enhanced fuel economy, lower CO₂ emissions and excellent performance. These engines feature Nissan’s automatic Start/Stop technology, which automatically shuts down the engine when temporarily not in use - to save fuel, then smoothly and quickly restarts as you pull away. Nissan engines also provide up to 2000kg towing capacity for your X-Trail.

In the latest version of XTRONIC (Continuously Variable Transmission), friction is reduced up to 40% and the ratio coverage is increased greater than that of some 8-speed automatics. An Eco mode improves fuel economy at the touch of a switch. Combined with such smooth performance, it’s like riding a continuous wave of power.

For engine performance data such as CO₂ emission and fuel consumption, please refer to model technical data sheet available online at your local dealership.
NISSAN GENUINE ACCESSORIES
CUSTOMISE YOUR ADVENTURES
TO SUIT YOUR FAMILY

Make your next adventure with the family even more memorable by kitting out your X-TRAIL to suit you. From illuminated entry guard and double USB sockets to family-sized ski/snowboard carriers and more – you can count on Nissan Genuine Accessories to keep the whole crew comfortable and ready for action.

1. Rear styling plate (compatible with removable towbar)
2. Removable towbar
3. Ski/snowboard carrier up to 6 pairs slideable

Accessories and any additional equipment customer may fit after sales can have an impact on the CO2 emission and fuel consumption of the car.

4. Double USB socket for second row
5. Side steps aluminum
6. Smartphone holder 360 grip black
7. Door entry guard illuminated

REQUEST A TEST DRIVE
We build in quality from the outset, meticulously conceiving each car to make them more comfortable and more durable through innovative design, intelligent technology and thoughtful details inspired by you.

We work with our intelligent driving systems to constantly look out for you and help you avoid any mishaps for a bolder, more confident driving experience day after day. Our Around View Monitor uses 4 cameras to give you a virtual birds eye view of your car in its surroundings.

We push our cars to the limit to guarantee their daily performance and reliability. We travel millions of kilometres in pre-production tests, open and close doors and bonnets thousands of times a day and use real volcanic dust from Japan to test window resistance.

Our commitment to quality is best demonstrated by you. Search for testimonials, reviews and ratings online or find out what people are saying about Nissan on Reevoo. It’s the best place to compare vehicles and get real answers from real owners you can trust.

https://www.nissan.co.uk/vehicles/new-vehicles/xtrail/customer-reviews.html

At Nissan, we do everything with the customer in mind. Every action and decision we make, is made with the utmost care, precision and quality because ultimately, it’s for you. From conception to car construction, from testing to transparency, from customer service to commitment. Quality is in every fine detail.
REQUEST A TEST DRIVE

ANYWHERE, ANYTIME, ANYTHING. JUST CALL 0800 000 000 AND WE'LL BE RIGHT THERE.

NISSAN X-TRAIL OFFERS YOU:
- 3-YEAR WARRANTY OR 60,000 MILES YEARLY OR 18,000 MILES INTERVAL FOR DIESEL ENGINES
- YEARLY OR 12,500 MILES INTERVAL FOR PETROL ENGINES
- SERVICE PRICE MATCH: We promise to deliver the highest care for your Nissan thanks to the expertise of Nissan trained teams and the use of genuine Nissan parts. We simply know best how to service your Nissan. And to guarantee best value-for-money, Nissan will price match like-for-like quotes within 10km of your local dealer.
- LIFETIME NISSAN ASSISTANCE: We promise to keep you on the road 24/7. Should anything unexpected happen, we guarantee 24-hour Nissan assistance, whatever the age of your Nissan.

**FURTHER INFORMATION**

VAT and VED

VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing.

VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.

Optional equipment

This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

Nissan’s commitment to you includes all of the following benefits—some of which may be the reasons why you chose your new Nissan in the first place:

Manufacturer’s warranty—Nissan’s comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to a warrantable defect a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer. Petrol and diesel engine cars - Three-year / 60,000 miles. Petrol and diesel engine LCVs and Navara - Five-year / 100,000 miles.

LEAF and e-NV200—Nissan LEAF and e-NV200 offer a 5-year / 60,000 mile warranty on all EV dedicated components, including the lithium-ion battery; and a 3-year / 60,000 mile warranty on standard components. This is with the expression of e-NV200 which offers a 5-year / 60,000 mile warranty on mechanical components and corrosion.¹ The Nissan LEAF and e-NV200 lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on LEAF and e-NV200’s capacity gauge for a period of 5 years / 60,000 miles. For LEAF and e-NV200 flex customers, the battery state of health guarantee applies for the duration of the battery lease.

¹The Basic Vehicle Warranty for e-NV200, according to § 31 of the Warranty Booklet and Maintenance Record, is extended to 5 years (from the warranty start date) / 60,000 miles (whichever comes first). Only vehicles registered on or after 1st November 2016 are eligible for the Extended Warranty. Body parts and paint excluded during year four and year five. Terms and exclusions apply for further information please see Extended Warranty Terms and Conditions. Apart from the afore-mentioned, all warranty conditions included in the Warranty Booklet and Maintenance Record remain unchanged. Issuer of this Extended Warranty is Nissan International Insurance Ltd.

Nissan European Roadside Assistance is provided for the period of your new vehicle manufacturer warranty.

Roadside, Recovery and At Home products are provided by RAC Motoring Services (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Motoring Services (in respect of insurance mediation activities only) is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Onward Travel and European Cover are underwritten by RAC Insurance Limited (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Insurance Limited is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Nissan EV Pan-European Roadside Assistance is provided by AXA for 5 years or 60,000 miles, whichever comes first.

For LEAF and e-NV200 Flex (battery lease) customers, the Nissan EV Pan-European Roadside Assistance will cover you for the duration of your battery lease agreement should your Nissan EV run out of battery charge. For any other repair work, the basic warranty clause still applies. Benefits and Services are provided by AXA Assistance. AXA Assistance is authorised and regulated by the Financial Conduct Authority (FCA).

Peace of mind— we always guarantee our workmanship, and all genuine Nissan replacement parts and accessories have a minimum of one year’s warranty. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices. Our technicians have been trained by Nissan to work on your vehicle and they are the Nissan specialists. They use the latest equipment to ensure your vehicle is given the best treatment. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices. Recyclability—we take all our environmental responsibilities very seriously — innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind.

Nissan Finance offers a wide range of flexible finance schemes to meet the needs of both our retail and business customers. Preferences, Hire Purchase, Nissan Contract Hire and Finance Lease, all offer the in-built flexibility to make the package tailor-made to meet your individual needs. We also provide added security to your finance agreement with a comprehensive range of payment protection plans. Ask your local Authorised Nissan Dealer for details.

The Nissan Motability Programme developed in association with the registered charity Motability enables those with difficulty getting around to obtain selected models on preferential terms.

All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan’s policy of continuous product improvement, all particulars Contained are subject to constant revision and Nissan reserves the right to change, alter or modify, among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Authorised Nissan Dealer for the exact introduction dates of all models and for the most up to date information.

Images shown are for guidance purposes. In some instances photos are of non UK specification vehicles and do not represent a specific model, grade or offer.
GPF & DPF FILTER

WHAT IS A GPF & DPF?

A Gasoline Particulate Filter (GPF) or Diesel Particulate Filter (DPF) forms part of the vehicle's exhaust in order to limit the amount of soot particles contained within the exhaust gas passing into the atmosphere. When the amount of soot in the filter reaches a specific level, this needs to be reduced in order to maintain the filter's function. This reduction is called 'REGENERATION' and is carried out by the vehicle's electronic control system which raises the exhaust gas temperatures during normal driving. If a vehicle requires frequent regeneration due to driving style, these high temperatures cause the engine oil to degrade more quickly.

However, from 2011 onwards Nissan vehicles were fitted with an OIL CHANGE SUPERVISOR (OCS) as well as a GPF or DPF to help monitor the condition of the oil and ensure the quality never falls below a minimum level.

WHAT IF I ONLY DRIVE SHORT JOURNEYS?

If the vehicle is only driven for short journeys, or at low speed, then it may not be possible for regeneration to occur. In this situation, the below warning lights will be illuminated on your dashboard.

Please refer to your Owner's Manual for further information.

After seeing these warning lights you need to drive, as soon as possible, above 40mph until the light goes out. This can take up to 30 minutes depending on the amount of soot collected in the filter.

WHAT IF I IGNORE THEM?

If you continue to drive at low speeds the exhaust gas temperatures cannot rise, so regeneration cannot occur. In this instance, a combination of the below warning lights will be illuminated on you dashboard.

In this case, and in order to protect the engine and DPF Filter, the vehicle will require 'SERVICE REGENERATION' which can only be carried out by a workshop equipped with Nissan diagnostic equipment. You will need to go to your nearest Nissan dealer in case the oil and filter needs to be replaced.

With a Nissan Service Plan you will benefit from genuine Nissan parts and Nissan Genuine Motor Oil, which have been engineered specifically for Nissan vehicles.

As 'SERVICE REGENERATION' is not a manufacturing fault, so the cost will NOT be covered under warranty.

NISSAN INSURANCE

Nissan insurance has been designed to help Nissan drivers get the most from their cover, boasting the following benefits:

- Use of Nissan Approved Repairers and franchised trained technicians
- Use of only Nissan genuine parts for repairs
- Guaranteed repair for 3 years
