

PRIMASTAR

Ready for your next move

Robust, reliable and practical. Nissan Primastar is ready for whatever tomorrow brings. With the versatility to handle cargo of all shapes and sizes, Nissan Primastar keeps you energised, optimistic and on top of things wherever the road takes you.

Key performance indicator

LIGHT ON FUEL, STRONG ON POWER

Discover a powerful engine line up with power from 110 to 170PS* and torque of up to 380Nm. Featuring variable-geometry turbocharger, stop/start and ECO mode, Nissan Primastar's engine range balances confident performance with low running costs.

GET THE JOB DONE

Nissan Primastar is a highly capable load carrier. Even the standard version can take three Europallets or up to ten 2.5m long plasterboards. Lift the bulkhead flap and you can carry extra long items such as pipes or carpet rolls - up to 3.75m in the L1 model and up to 4.15m in the L2 model.

LOW RUNNING COSTS

Nissan Primastar engines are Euro 6e compliant. Their low fuel consumption coupled to 2 years / 30,000km service intervals make for very favourable running costs.

DESIGNED FOR YOU

There's an ideal Nissan Primastar for you. Choose from two lengths and two heights for the Panel Van, two lengths for the Combi or Crew Van, plus a long Platform Cab, ready for your specific conversion.

KEEP IN TOUCH

Keep in touch with NissanConnect**, your navigation, communication and audio-entertainment system. Display maps, music, info and phone files on your 8" colour touchscreen, get voice guidance across Europe, enjoy USB or Bluetooth* audio streaming

**Features available depending on version, as standard or only as option (at an extra charge)

Stylish and versatile

With its sleek LED headlamps, distinctive Interlock-grille design and bold side vents, Nissan Primastar stands out in a crowd. For maximum versatility, you'll discover two lengths and two heights available for the Panel Van model, as well as a choice of two lengths for the Combi and Crew Van models. For specialised conversions, the long wheelbase Platform Cab variant makes the perfect base.

More efficient, more powerful

Nissan Primastar's efficient engine line-up offers power just when you need it, even on steeper climbs. With variable-geometry turbocharger, all variants offer a confident performance, with 110 to 170PS* and up to 380Nm of torque. There is also a choice of transmissions available: a standard 6-speed manual or optional DCT automatic transmission.

For efficiency and lower running costs, all engines are Euro 6e compliant with Stop/Start and smart energy management technology, like ECO mode. For extra peace-of-mind, there's also Nissan's exceptional 5-year, 160,000km warranty.

Always looking out for you

Make parking feel like child's play with front, rear and side parking sensors* (ultrasonic) and rear parking camera*. And thanks to a whole suite of other intelligent assistance systems available, Nissan Primastar has your back in any driving situation.

BLIND SPOT WARNING*
When the system detects a vehicle driving in an adjacent lane approaching the rear of the driver's vehicle - a common blind spot area, an LED light appears in the mirror on the side where the other vehicle is approaching. If the driver activates the turn indicator, the LED warning will flash continuously to alert the driver to the danger.

LANE DEPARTURE WARNING*
Lane Departure Warning provides an alert to the driver if they are beginning to leave the travelling lane. The system visually monitors the left and right side lane markers of the traveling lane. If there is a risk of the vehicle leaving the travelling lane unintended, the system flashes an indicator and sounds a warning chime.

REAR VIEW CAMERA*
Makes manoeuvring easier by giving you a clear view from the rear.

FRONT AND REAR PARKING SENSORS*
All-round ultrasonic sensors provide 360° protection against low-speed impacts while parking and manoeuvring.

TRAFFIC SIGN RECOGNITION*
Keeps you up to date with the latest speed limit by detecting road signs as you go.

INTELLIGENT EMERGENCY BRAKING*
Continuously monitors the area in front of the vehicle to identify braking vehicles or parked vehicles and alert the driver to their presence. If the driver does not respond, the system will apply emergency braking.

*Features available depending on version, as standard or only as option (at an extra charge)

CUSTOMER SERVICES

SPECIALISED LCV NETWORK

- Nissan provides a specialised network of LCV dealerships to support your specific commercial vehicle requirements:
- Pan-European coverage
 - Dedicated LCV Sales & Aftersales staff
 - Attractive financing solutions
 - Tailor-made conversion offers
 - Competitive extended warranty offers to go even beyond Nissan LCV 5-Year Warranty.
 - Test drive your choice

AFTERSALES SERVICES

If your car breaks down, it's inconvenient. If your van breaks down, it's a serious blow to your business. Even time allowed for servicing is downtime, when your van isn't earning its keep. At Nissan, we understand these hard business facts. So we do the best to ensure that your van stays where it belongs – working for you, on the road.

5-YEAR ROADSIDE ASSISTANCE

- Pan-European coverage for breakdowns, accidents, non-warrantable incidents (such as flat tyres, lost keys, wrong fuel...)
 - 24/7, 365 days
 - Emergency Call Centre
 - Prompt roadside assistance
- If this is not possible and your vehicle is still immobilised after a few hours, we will make sure you are provided with a courtesy vehicle as soon as possible or if necessary, overnight accommodation and travel to your onward destination or back to your base. We will also recover your immobilised vehicle.

SUSTAINABILITY

Nissan's strategy centers on sustainability, aiming for carbon neutrality by 2050 and achieving a 41.2% reduction in CO₂ emissions from new vehicles compared to 2000. The company plans to electrify all-new vehicle offerings in key markets by the early 2030s. We are committed to developing driver assistance technologies for safer journeys, with 2.27 million vehicles already equipped with ProPILOT Assist systems. Additionally, Nissan is focused on creating a diverse, equitable, and inclusive workplace.

90 YEARS

OF DARING TO DO WHAT
OTHERS DON'T.

We have built our heritage on a passion for innovation and electric mobility, from the creation of the first Datsun in 1933 to cutting-edge technologies such as e-POWER and e-4ORCE. We are also committed to achieving carbon neutrality by 2050, reducing road deaths to zero and promoting diversity, equity and inclusion.

DEFY ORDINARY

Why stick to the beaten path when you can forge your own? It's something we've always done and unites us with those who dare to be different. Those who refuse to settle for the status quo. It means we're continually creating radical new experiences, challenging conventional ways of thinking and shaking up worldviews. We're firm believers that real thrill happens when you take the plunge.

That's why we welcome boldness and fearlessly embrace the unexpected.

That's why we defy ordinary.
