Elegant design

The LEAF redefines electric design with a confident, unmistakably Nissan style. Its sleek silhouette isn't just for looks. It's been designed to be the most aerodynamic LEAF ever, and every detail matters - from sculpted surfaces to a fully covered underfloor. Blending sporty elegance with advanced efficiency, the LEAF delivers more range, more performance, and exactly what modern drivers demand.

Flush front door handles

Illuminated Nissan front logo<sup>[1]</sup>

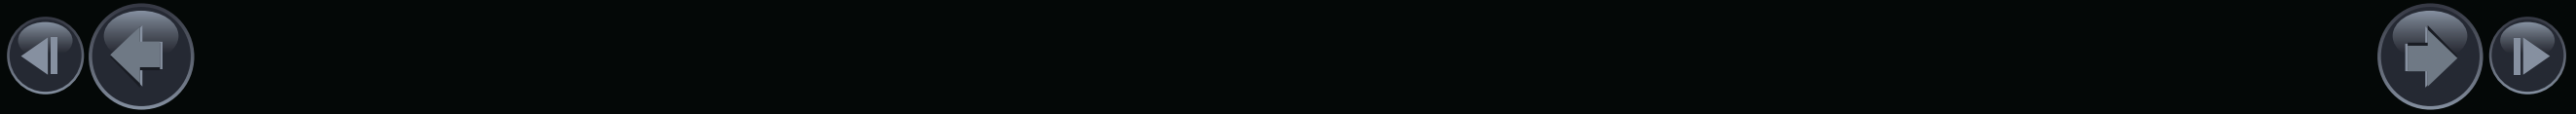

3D hologram rear lights<sup>[1]</sup>

19" alloy wheel<sup>[1]</sup>

<sup>[1]</sup>Feature available depending on version, as standard or only as option (at an extra charge).

Dimming panoramic roof<sup>[1]</sup>

Black Interior also available

Wireless charger<sup>[3]</sup>

Bose® Premium Sound System<sup>[1]</sup>

<sup>[1]</sup> Feature available depending on version, as standard or only as option (at an extra charge).  
<sup>[2]</sup> Google, Android, Android Auto, Google Maps and other marks are trademarks of Google LLC.  
<sup>[3]</sup> For non-Qi certified devices, wireless charging performance can be limited.

## Sound. Space. Smart.

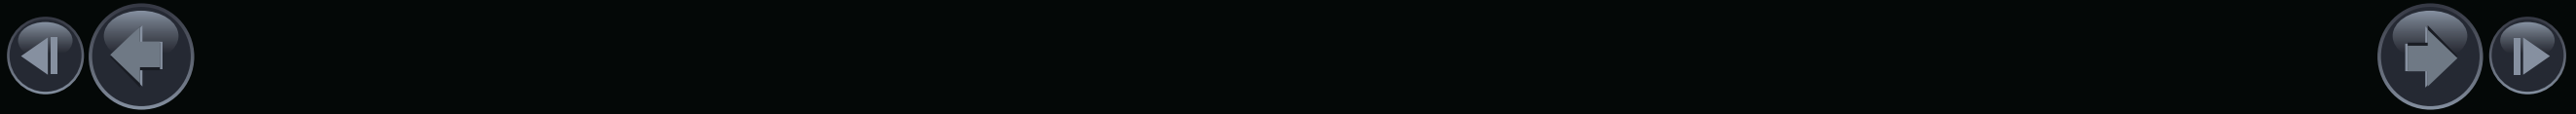

Step into a spacious, ergonomic cabin with a clean, clutter-free design. The dimming panoramic roof<sup>[1]</sup> lets in light without heat, while twin 14.3" screens with Google<sup>[2]</sup> built-in keep key information in view. The BOSE® Premium Sound System<sup>[1]</sup> delivers immersive sound for the driver, all powered by a Fresh Air Subwoofer that delivers incredible performance. Clean lines, ambient lighting, and enhanced visibility make the interior smart and inviting.

Standard battery	Up to	445km	Long Range battery	Up to	622km
52kWh	range <sup>[1]</sup>		75kWh	range <sup>[1]</sup>	

[1] WLTP figures in combined drive.

## Power to explore

The LEAF is your ideal partner for spontaneous trips or long journeys. Choose between two battery options and up to 622km<sup>[1]</sup> of overall range. With fast charging, you can gain up to 420km<sup>[1]</sup> of range in as little as 30 minutes<sup>[2]</sup>. Intelligent battery management syncs with Google Maps to optimise charging stops, while Plug & Charge<sup>[3]</sup> makes payments seamless. The In-car route planner by Google Maps makes long-distance driving effortless.

[1] WLTP figures in combined drive.

[2] Charging speed and time is dependent on various conditions, including charger type and condition, battery temperature as well as ambient temperature at the point of use. In cold climates, the use of on-board battery heating may be required to specifically improve quick charging speeds.

[3] Feature available at a later date.

In-car route planner by Google Maps

Regenerative braking paddle shifts

Regenerative braking level

**INTELLIGENT DISTANCE CONTROL** LEAF adapts to your driving style. Choose paddle shifters for manual control of deceleration and regenerative braking or let Intelligent Distance Control optimise speed and energy recovery using traffic conditions and navigation allowing to have a complete stop.

# Confident drive

The LEAF combines intelligent assistance with dynamic performance. Built on an EV platform with multi-link rear suspension, it delivers exceptional comfort and precise control. Standard safety features include Intelligent Cruise Control, Lane Keep Assist, and Driver Monitoring System. Experience effortless control with ProPILOT Assist with Navi-Link that adapts to curves and speed limits for seamless motorway cruising.

Head-up display<sup>[1]</sup>

The 3D 8 point Around View Monitor offers real-time 360° visuals for precise manoeuvring, while the Invisible Hood View reveals hidden obstacles, boosting your confidence for stress-free parking.

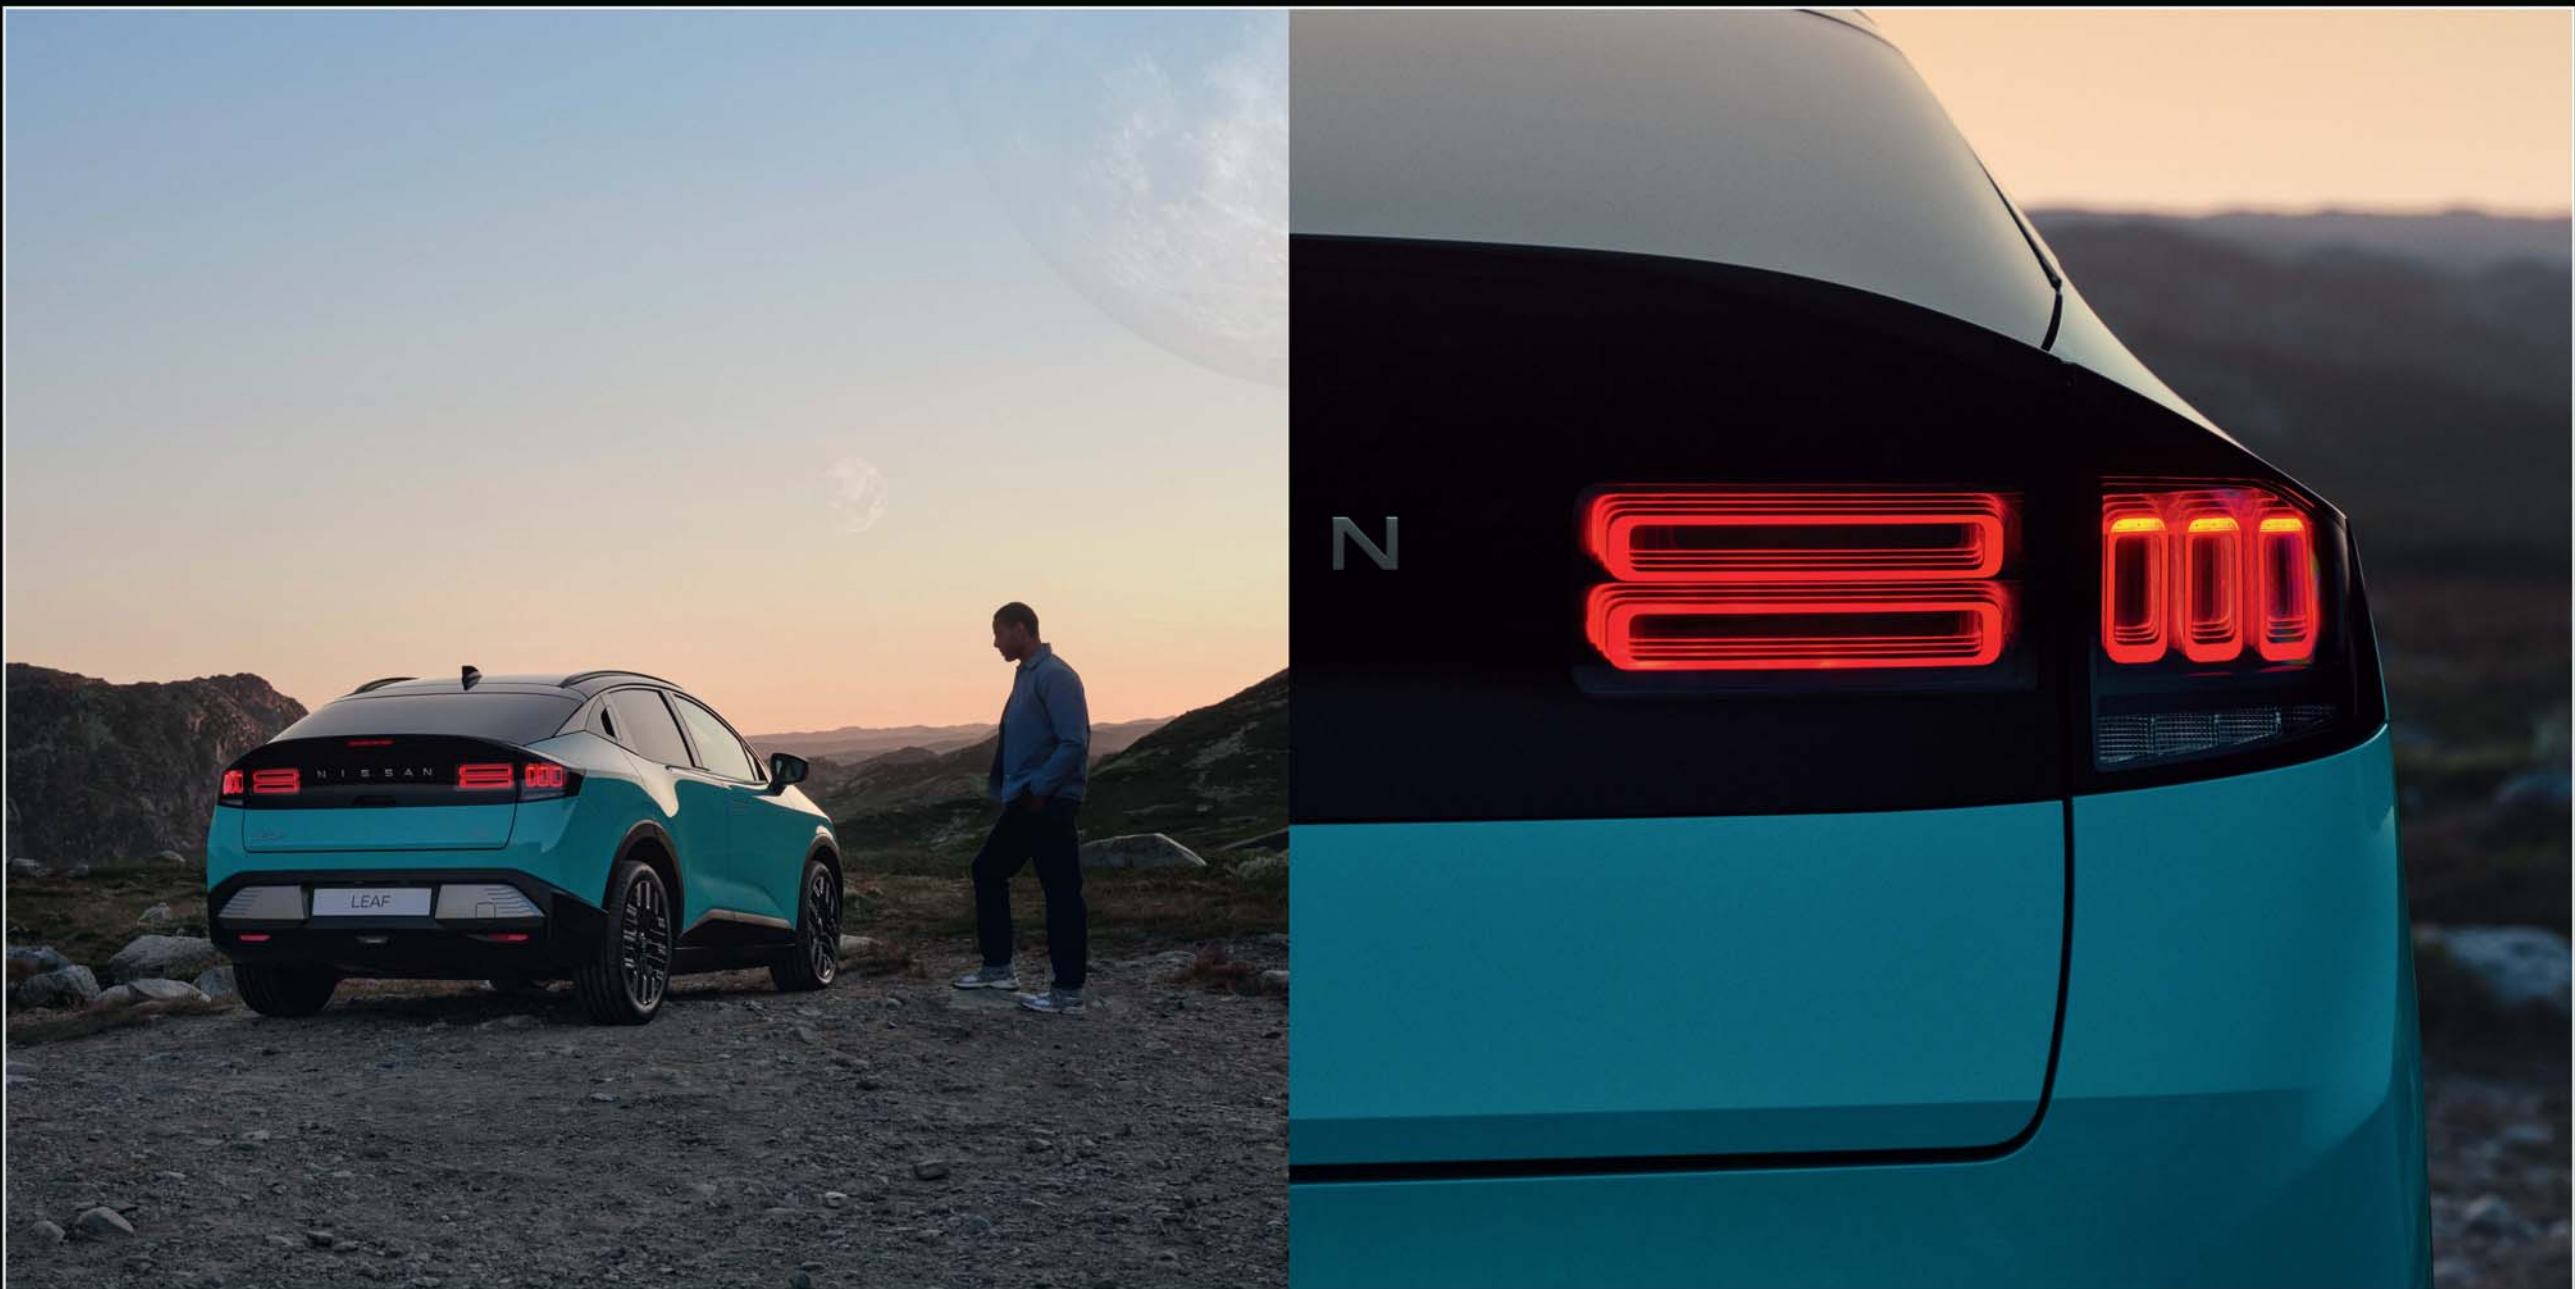

<sup>[1]</sup>Feature available depending on version, as standard or only as option (at an extra charge).

The LEAF transforms into your personal power station with Vehicle-to-Load<sup>[2]</sup> (V2L) functionality. Whether you're camping under the stars or venturing into remote places, you can draw up to 3.6kW of power straight from your car. The LEAF effortlessly powers all your outdoor adventures.

<sup>[2]</sup>Functionality requires a V2L adapter available as option

Intelligence that connects you  
to everything that matters.

#### FREEDOM OF CHOICE

Use Apple CarPlay<sup>[3][4]</sup> and Android Auto<sup>TM[3][4]</sup> to access your music, messages, favourite apps and more while you're driving. Benefit from in-car connectivity, wired or wireless.

#### SMART-HOME CONTROL

Thanks to Google Assistant, easily connect to and control compatible smart home devices while in the car for peace of mind and convenience such as lights, A/C and you could even start your dishwasher.

#### PERSONALISED DRIVING EXPERIENCE

Your LEAF adapts to whoever's in the driver's seat with profile personalisation for up to six people - including preferences like language, radio stations, journey settings & history and app preference.

## On board with Google<sup>[1]</sup> built-in.

Welcome to your mobile command center. Google built-in delivers Google Maps, Google Assistant, and Google Play directly on the twin 14.3" screens, with hands-free voice control for navigation, climate, and media. The NissanConnect Services app<sup>[2]</sup> offers remote access to battery status, charging, and cabin pre-conditioning. Your LEAF is always future-ready and ready to adapt.

#### Google Assistant<sup>[5]</sup>

Use Google Assistant in your LEAF to control navigation, calls, messages, music, and climate - all with your voice. Create calendar events, get directions, or adjust the A/C without taking your hands off the wheel. Simply say "Hey Google" to get started.

#### In-car route planner by Google Maps

Built-in Google Maps, visible in the Head-Up Display and central display, plans routes with charging stops based on your battery level. Once signed in, it adapts to your daily habits with no phone needed.

#### Google Play

Access 70+ apps for info or entertainment, directly from the LEAF. Stream with Prime Video or play a game while parked and charging. Just log in with your Google Account and stay connected via in-car Wi-Fi or phone data.

<sup>[1]</sup> Google, Google Play and Google Maps are trademarks of Google LLC  
<sup>[2]</sup> The NissanConnect Services app will be renamed to MyNISSAN in the future.

To use the NissanConnect Services app you need a NissanConnect Services user account and have to register and login to NissanConnect Services app with your username and password. To use the free NissanConnect Services app you need a smartphone with a compatible iOS or Android operating system and a SIM card with data option with an existing or separate mobile phone contract between you and your mobile service provider. All services are subject to mobile network coverage.

<sup>[3]</sup> Apple CarPlay<sup>®</sup> and Android Auto<sup>™</sup> are available free of charge, depending on model and/or grade. For more information, please contact your Nissan dealer or [phonenumber/e-mailaddress].

<sup>[4]</sup> Apple CarPlay<sup>®</sup> is trademark of Apple Inc., registered in the U.S. and other countries. Compatible Android phone and compatible active data plan required.

<sup>[5]</sup> Google Assistant and some related features are not available in all languages or countries.

# Space for life

The LEAF's roomy, clutter-free cabin fits rear-facing child seats with ease, while giving everyone space to stretch out. Perfect for stargazing trips where little ones drift off on the way home. With up to 437 litres of boot space and a power tailgate, there's room for all your family's gear - and dreams. Every detail turns family trips into fun, eco-friendly adventures.

Rear passenger seats with 2 isofix on each side

## ENGINE & DIMENSIONS

		52kWh BATTERY	75kWh BATTERY
<b>ENGINE</b>			
Motor power	kW	130	160
Transmission		Front	Front
Electric motor type		Permanent magnet synchronous motor	

<b>PERFORMANCES</b>			
Max electric motor torque	Nm	345	355
Max speed on track	km/h	160	
Acceleration 0 to 100 km/h	secs	Standard mode 8.4 Sport mode 8.3	Standard mode 7.8 Sport mode 7.6
Drag coefficient (min/max)	cd	0.25/0.27	

<b>BATTERY</b>			
Battery capacity gross/net	kWh	55.1/52	78.3/75
Battery type		Lithium-ion (NMC)	

<b>RANGE / CONSUMPTION / EMISSION<sup>[1]</sup></b>			
Pure electric range - Combined cycle WLTP (min-max)	km	419 - 445	584 - 622
Electricity consumption - Combined WLTP (min-max)	kWh/100km	13.7 - 14.5	13.8 - 14.7
Pure Electric Range - City cycle WLTP	km	up to 630	up to 802
Pure Electric Range - Highway WLTP	km	up to 224	up to 330

[1] Figures were determined under the new Worldwide harmonized Light Vehicles Test Procedure (WLTP) test cycle. WLTP figures shown are for comparability purposes. Actual real world driving results may vary depending on factors such as the starting charge of the battery, accessories fitted after registration, weather conditions, driving styles and vehicle load.

<b>RECHARGE<sup>[2]</sup></b>			
Max AC charging power	kW	7.4 (11 optional)	11
Max DC charging power	kW	105	150
Max Vehicle-to-load (V2L) power output	kW	3.6	
AC 7.4 kW charge time (10 to 100%)	hours	8.5	11.5
AC 11 kW charge time (10 to 100%)	hours	6	7
DC 150 kW charge time (10 to 80%)	mins	35	35
Range recovered in 30 minutes on a fast charger (≥ 150 kW)	km	277	420

[2] Figures quoted are for 52kWh and 75kWh batteries. Charging speed and time is dependent on various conditions, including charger type and condition, battery temperature as well as ambient temperature at the point of use. In cold climates, the use of on-board battery heating may be required to specifically improve quick charging speeds. Indicated quick charging time requires use of a CCS 2 charger. The Nissan LEAF is equipped with charging safeguards to protect the battery during repeated quick charging sessions in a short period of time. The time taken for successive quick charging can take longer if the battery temperature activates the battery safeguarding technology.

## ENGINE & DIMENSIONS

		52kWh BATTERY	75kWh BATTERY
<b>DIMENSIONS / CAPACITY</b>			
Number of seats		5	
A- Overall length	mm	4350	
B- Wheelbase	mm	2690	
C- Overall width / with mirrors opened	mm	1810 / 2098	
D- Overall height / with roof rails	mm	1550 / 1555	
Ground Clearance	mm	140	
Turning circle (curb-to-curb)	m	10.8	
Luggage volume	L	up to 437	
Luggage volume with all rear seats folded	L	up to 1052	

<b>MASSES</b>			
Kerb weight (min - max)	kg	1789 - 1852	1881 - 1942
Mass In Running Order	kg	1864 - 1927	1956 - 2017
Permissible Total Weight (PWT)	kg	2305	2400
Max. Towing Weight - Braked 12%	kg	975	
Max. Towing Weight - Unbraked	kg	750	

<b>BRAKE / SUSPENSION</b>			
Brake Disc Front/Rear	mm	350/292	
Suspension Front/Rear		Independent MacPherson strut / Independent multi-link	

<b>MAINTENANCE / WARRANTY</b>			
Service intervals		1 year or 15,000km	
Warranty		3 years or 100,000km EV equipment (inverter, electric engine): 5 years or 100,000km Battery: 8 years or 160,000km

## More LEAF, more you.

Nissan Accessories are designed to bring advanced technology, dynamism and elegance to your LEAF. Do more, go further and enjoy our LEAF Accessory line-up.

- 1 - Removable Towbar & Towbar Electrical Kit (TEK) 13 PIN
- 2 - Mirror caps
- 3 - Luxury and Velour textile mats crafted from recycled materials
- 4 - Reversible Trunk liner (Velour & Rubber)
- 5 - Illuminated Kick Plates
- 6 - 18" Alloy wheels
- 7 - Front styling part\*
- 8 - Rear styling part\*
- 9 - Side styling part\*
- 10 - V2L connector
- 11 - Charging cable with charging bag

*Accessories and any additional equipment fitted after-sale by the customer may have an impact on the communicated range figures of the vehicle. Genuine Nissan Accessories are covered by the new vehicle warranty of 3 years / 100,000 kms (whatever comes first), if fitted before Vehicle Handover or during the new vehicle warranty period. Genuine Nissan Accessories must be fitted by a Nissan dealer or Nissan repairer. Genuine Nissan Accessories fitted outside of the new vehicle warranty period or by a 3<sup>rd</sup> Party or by the Customer are only covered by the Genuine Nissan Parts and Accessories Warranty of 12 months / unlimited mileage.*

*\*Accessory Select products' warranty coverage depends on supplier, for further information please speak to your authorised Nissan dealer or repairer.*

*\*Available in 3 colors (Gloss Black, Satin Grey, Dark Satin Grey)*

## NISSANCONNECT SERVICES\* APP

Drive with confidence—Nissan's latest safety and vehicle health services are designed to support you proactively. Through the NissanConnect Services\* app, you'll receive real-time notifications and personalized guidance in three key areas:

- Collision
- Mechanical repair (malfunctions indicator)
- Predictive maintenance

Whether it's a routine service or an unexpected alert, the app keeps you informed and in control—helping you take the right action at the right time.

### BENEFIT

Enjoy peace of mind knowing Nissan is always ready to support you with any issues. The app offers clear guidance to help you confidently navigate each of the three key situations below:

#### IN THE EVENT OF A COLLISION

Receive real-time alerts and clear, step-by-step guidance based on the severity of the incident.

With the NissanConnect Services\* app, you can:

- Contact emergency services or roadside assistance
- Book your dealer visit online\*\*
- Get accident report assistance
- Share collision events with your dealer for further support.

#### IF WARNING LIGHTS APPEAR ON YOUR DASHBOARD

When a warning light appears, through NissanConnect Services\* app you receive real-time alerts with clear explanations and recommended actions based on the severity of the issue. From booking a dealer visit online\*\* to contacting roadside assistance, everything you need is at your fingertips. And you can share malfunction events with your dealer for further support.

#### WHEN IT'S TIME FOR MAINTENANCE

The NissanConnect Services\* app keeps you informed with proactive maintenance notifications, helping your Nissan stay safe, perform at its best, and run efficiently. Nissan ensures monitoring of your service needs, so you'll always know when it's time for periodic maintenance or parts replacement, and you can book your dealer visit online\*\*.

#### HOW TO BENEFIT

- Log in to the NissanConnect Services\* app.
- Keep Privacy Mode OFF to allow vehicle data sharing with Nissan.
- During the service process, provide the authorization to share information to Nissan.

\*The NissanConnect Services app will be renamed to MyNISSAN in the future.

\*\*Availability of Online booking service depends on your country.

## ENJOY LIFE-PROOF SERENITY

### MAINTENANCE CONTRACTS

Give your Nissan LEAF the care it deserves with a Nissan Maintenance Contract and save money in the long run. Nissan Maintenance Contract covers all the scheduled operations recommended by Nissan and specified in the owner's manual & warranty booklet. Maintenance contract allows you to know from the start how much your maintenance will cost and protects you against price inflation. Select the duration that covers your needs and benefit from the use of Nissan genuine parts fitted by our trained technicians. A well maintained vehicle has a greater resale value. If you sell your Nissan before your contract expires, the Service Contract will be transferred to the new owner. So do not wait any longer and subscribe to a Nissan Service Contract for extra peace of mind!

### EXTENDED WARRANTY

Extended Warranty gives you the opportunity to extend your warranty for a longer period or mileage. Select the contract that best suits your driving usage. In case of a repair, only Nissan genuine parts will be used and fitted by Nissan trained technicians.

### NISSAN ASSISTANCE SERVICE

All new Nissan vehicles come with free pan-European Roadside Assistance for the duration of the warranty period. Nissan European Roadside Assistance is there for you 24/7. From a flat tyre to lost keys or an accident, we help you get back on the road as fast as possible.
