All-New Nissan X-Trail with e-POWER. Fit in more family adventure

Introducing Nissan's latest family adventure crossover, powered by either unique e-POWER technology for a quiet, electrified drive with no need to plug, or Mild Hybrid engine, for invigorating performance and lower emissions vs a traditional combustion engine.

For superior control and a unique electrified experience, choose e-4ORCE technology, the all-wheel drive version associated to e-POWER.

All-New Nissan X-Trail is a spacious crossover with up to seven seats*, and everything you need to keep your family safe and comfortable with advanced Nissan's safety technologies.

With cutting-edge connectivity* to keep everyone entertained, the All-New Nissan X-Trail shows that family-friendly trailblazing is possible.

*Feature available depending on version, as standard or only as option (at an extra charge).

Never compromise on style,
in the All-New Nissan X-Trail

Get noticed wherever you go with sleek LED headlights, distinctive and imposing front air vents and robust, yet crafted lines. Up front, the unmistakable Floating Roof and V-motion grille bears the familiar signature of Nissan's exciting design DNA, to show that this electrified family crossover refuses to blend into the background.

Close the door on the chaos outside

With up to 35"* of interior displays to supplement your drive, you're guaranteed to experience Nissan technology at its best. Enjoy advanced Nissan Driver Assistance* and high definition navigation* displayed right in your view as you settle into your comfortable, ergonomically designed seat. Wondering where to place your belongings? Don't miss the storage space beneath the floating central console. Inside the X-Trail's cabin, it's all about quality details – the relaxing atmosphere of ambient lighting*, the soft feel of premium materials and the seamless convenience of wireless charging* for your smartphone.

Wireless charger**

Ambient lighting*

12.3" Fully digital meter*
10.8" Windscreen Head-up display*

Driving Aids*

*Features available depending on version, as standard or only as option (at an extra charge).

**Designed to the Qi charging standard & optimised for Qi certified devices. For non-Qi certified devices, wireless charging performance can be limited.

The unique electrified experience, now unplugged. This is Nissan e-POWER

With Nissan e-POWER, pioneering doesn't have to pause. e-POWER is a unique electrified technology composed of a fuel efficient petrol engine and lithium ion battery. Working together the engine and battery provide power to an electric motor, this alone drives the wheels at all times. The result is a responsive and quiet driving sensation, without the need to plug in. Just enjoyable driving with no compromise on efficiency.

Digital combimeter with energy flow*

SIMPLIFY YOUR DRIVE, WITH E-PEDAL STEP
Experience a more intuitive way to drive. Unique to Nissan, e-Pedal Step gives you the option to accelerate and decelerate effectively with just the accelerator pedal at speeds above 6mph. Meanwhile leaving the brake pedal for harder braking and coming to a complete stop.

*Features available depending on version, as standard or only as option (at an extra charge).

Reinvent your all-wheel drive experience, electrified. With e-4ORCE

Take on new terrains with more confidence with Nissan's unique all-wheel drive technology, now available on All-New X-Trail. e-4ORCE* delivers the perfect balance between powerful and unprecedented control, with a smooth ride for all family thanks to superior handling on any surface. Tailor your drive even further with 5 selectable Drive Modes, including Standard, Sport, Eco, Off-road and Snow Mode for enhanced comfort.

All-Wheel Drive mode switch*

*Feature available depending on version, as standard or only as option (at an extra charge).

Mild Hybrid: comfort and efficiency, without compromise

Why choose between an invigorating drive and fuel efficiency? With All-New X-Trail's new Mild Hybrid 1.5L Variable Compression 3 cylinder engine you can have both. Mild Hybrid technology provides torque assist when accelerating, while the lithium-ion battery and starter generator optimise the engine shut-down situations to improve efficiency. The unique variable compression ratio alternating between 8:1 and 14:1 is a true engineering marvel dedicated to greater efficiency and driving excitement.

Service Contracts

Give your Nissan X-Trail the care it deserves with a Nissan Service Contract and save money in the long run. Nissan Maintenance Contract covers all the scheduled operations recommended by Nissan and specified in the owner's manual & warranty booklet. Maintenance Contract allows you to know from the start how much your maintenance will cost and protects you against price inflation. In addition to the scheduled operations, you can benefit from the replacement of wear and tear parts such as wiper blades or brake pads by subscribing to a Full Maintenance Contract. Select the duration that covers your needs and benefit from the use of Nissan Genuine Parts fitted by our trained technicians, at a discounted price. A well maintained vehicle has a greater resale value. If you sell your Nissan before your contract expires, the Service Contract will be transferred to the new owner. So do not wait any longer and subscribe to a Nissan Service Contract for extra peace of mind

Extended Warranty

Nissan Extended Warranty gives you the opportunity to extend your warranty for a longer period or mileage. Select the contract that best suits your driving usage. In case of a repair, only Nissan genuine parts will be used and fitted by Nissan trained technicians.
