PASSENGER AIRBAG INFLATOR RECALLS

Nissan Motor Co., Ltd. has announced the subject recall campaign for certain Nissan vehicles equipped with passenger airbag inflator made by Takata Corporation.

The subject vehicles are equipped with the defective inflator propellant, which may not deploy properly.

Due to safety reason, we urge the customers to identify if your vehicle is subject to these recalls.

How to identify your vehicle

1. Customers who bought NISSAN vehicles from
NISSAN TRADING CO., LTD. or KJAER & KJAER A/S.
OR

Customers who did not bought NISSAN vehicles from local dealership:

Please check if you own following vehicle:

Model	Model Code	Model Year	VIN Data*
Pickup/Frontier	D22	2004-2008	Please click here
X-Trail	T30	2004-2008	Please click here
Patrol	Y61	2004-2008	Please click here
Pulsar/Almera	N16	2004-2008	Please click here

*If you cannot find out VIN number, please contact us.

If your vehicle was on above list, please immediately contact us (contact detail mentioned below).

We will arrange free of charge inflator replacement.

2. Other customers:

Please contact to your nearest NISSAN dealership to check if your vehicle is involved in these recalls.
