### FLEET FORUM Annual conference & Drivers trainings by NISSAN

Fleet Forum annual meeting was hosted this year by WFP Rome in May 2015 and NISSAN TRADING and NISSAN EUROPE CSR were present during the two day session.

We would like to thank WFP and all participants to make this interactive sessions very interesting and fruitful and we hope that the outcome of the sessions will give you some inspiration and fresh ideas to improve your fleet operations.

NISSAN would like to use the opportunity to invite organizations to join the Fleet Excellence **Trainings in Guatemala (October)** and **Ethiopia (December)**, during these 2 sessions organized by Fleet Forum NISSAN TRADING will provide an extra training with focus on road safety – please contact us for more information.

### NISSAN CHILE launches the new NP300

In the Region of Antofagasta, known for being the heart of Chilean mining and for having the world's driest desert, Nissan Chile organized the Press launch of Nissan NP300. Precisely in San Pedro de Atacama, where 18 journalists were invited to test a group of 11 pickups at heights of between 2,500 and 3,500 meters above sea level.
