NITCO delivers Fleet Drivers trainings to increase road safety

Fleet drivers of humanitarian organizations experienced Nissan Drivers training in Guatemala (October) and in Ethiopia (December) in coordination with Fleet Forum Excellence trainings. The driver trainings offered by Nissan were free of charge and participants got the chance to experience real life situations in different Nissan vehicles

A comprehensive range of topics are covered in Nissan driver training some of which include, but are not limited to:

- Vehicle and 4WD characteristic,
- Learning from sports driving,
- Proactive measure,
- Physiological phenomenon,
- Maintenance of the vehicle
- etc.

We would like to invite you to watch the video of our training which is posted in our website or follow this link:
