

**OPT-IN** I have read and accept to the [Terms of Use](#)

We are happy to count you amongst our NissanConnect Services App users.

Why is it helpful to share your personal data: You have been invited to share some personal data with Nissan Automotive Europe and Nissan Motor Co., Ltd., acting as data controller, to provide you with NissanConnect Services, send you communications relating to NissanConnect Services via the App, improve our products and services, and carry out satisfaction surveys.

Who do we share it with: We limit the sharing of your personal data to Nissan dealers, service providers and other entities within Nissan Group. It will be shared outside of the European Economic Area, and all necessary measures to protect it have been taken.

Connected Services pre-activation: for the sake of providing you with a better experience, we would like to inform you that your NissanConnect services have been pre-activated. This results in the automatic transfer of data from your vehicle (such as location data, VIN) to our datacenter. However this data is automatically and immediately deleted without any additional processing until you activate NissanConnect Services via the App.

You can receive your personal data in a standard format. You can also object to the processing of your personal data or request its restriction, modification or suppression, simply by sending an email to *the email address specified in article 9 of the Terms of Use ([Privacy Section](#))*."

You can find more info related to Data Privacy *in article 9 of the Terms of Use ([Privacy Section](#)) by clicking on the above link.*
