V-MOTION GRILLE

The car's muscle-bound persona, the sleek lines and aesthetically designed intersection add a commanding character to the V-Motion grille.

SIGNATURE NISSAN PATROL SIDE BADGE

A symbol of consistent performance, the Nissan Patrol badge is a tribute to innovative engineering.

DISTINCTIVE FRONT BUMPER

Make heads turn with the purposefully designed and formidable bumpers that complement the aesthetically streamlined body.

DUAL-TONE EXTERIOR

A symbol of consistent performance, the Nissan Patrol badge is a tribute to innovative engineering.

UNIQUE WHEEL DESIGN

Exhibit power with the wheel design, a perfect fusion of modern aesthetics and exceptional style. Whether conquering the dunes with 18" and 20" wheels or commanding the urban roads with 22" wheels, each revolution sets new standards

SIGNATURE DOUBLE C-SHAPE HEADLIGHTS

Impose your presence on the road with the signature Double C-Shape headlights, designed to flow seamlessly around the exterior.

ICONIC PUDDLE LAMPS

Embrace heritage with the Nissan Patrol's special throwback motif that auto activates as you approach the car or unlock the doors. It's an iconic symbol celebrating the legacy of Nissan Patrol since 1951.

28.6" DISPLAY MONOLITH

Stay updated with all the necessary information about your vehicle and journey displayed in real time on the Twin 14.3" Screen.

HEAD-UP DISPLAY

Keep an eye on your vehicle data and surroundings simultaneously, all while enjoying a stress-free drive.

MASSAGE SEATS

Long drives are even more relaxing. Enjoy a massage on the go with the built-in seat massage system for the driver and front passenger seats via the 4-way pneumatic lumbar support.

ZERO GRAVITY SEATS

WITH JAPANESE-INSPIRED DESIGN

Feel the unmatched comfort of premium leather-quilted seats printed with stunning Japanese-inspired patterns. Made from high-damping foam, each seat offers exceptional support for improved posture.

Klipsch
PREMIUM AUDIO

Founded in 1946 in the USA, Klipsch® has reshaped the audio landscape with its innovations. Now, for the first time, Klipsch® is partnering with Nissan to bring this legacy of audio excellence to the Nissan Patrol.

This premium audio system features 12 speakers strategically placed throughout the cabin, immersing you and your passengers in both sound and clarity.

12.8" REAR ENTERTAINMENT SCREENS

Elevate the travel experience with the new 12.8" Rear Entertainment Screens. Passengers in the second row can stream, watch movies, and enjoy games by connecting their devices through Miracast, HDMI, or USB.

OPEN UP A NEW SPACE

Reaching the car's third-row seats for adults has never been so convenient. With a simple pitch and slide of the EZ Flex second-row seats, you can easily access the back row seats—no folding seats, no removing child seats, no hassle.

MORE ROOM FOR ADVENTURES

Conveniently fit all your essentials inside the combined 9-liter storage across the intelligently designed glove and console box. The spacious cargo area allows you to accommodate everything you need for every journey.

IN-VEHICLE INFOTAINMENT (IVI)

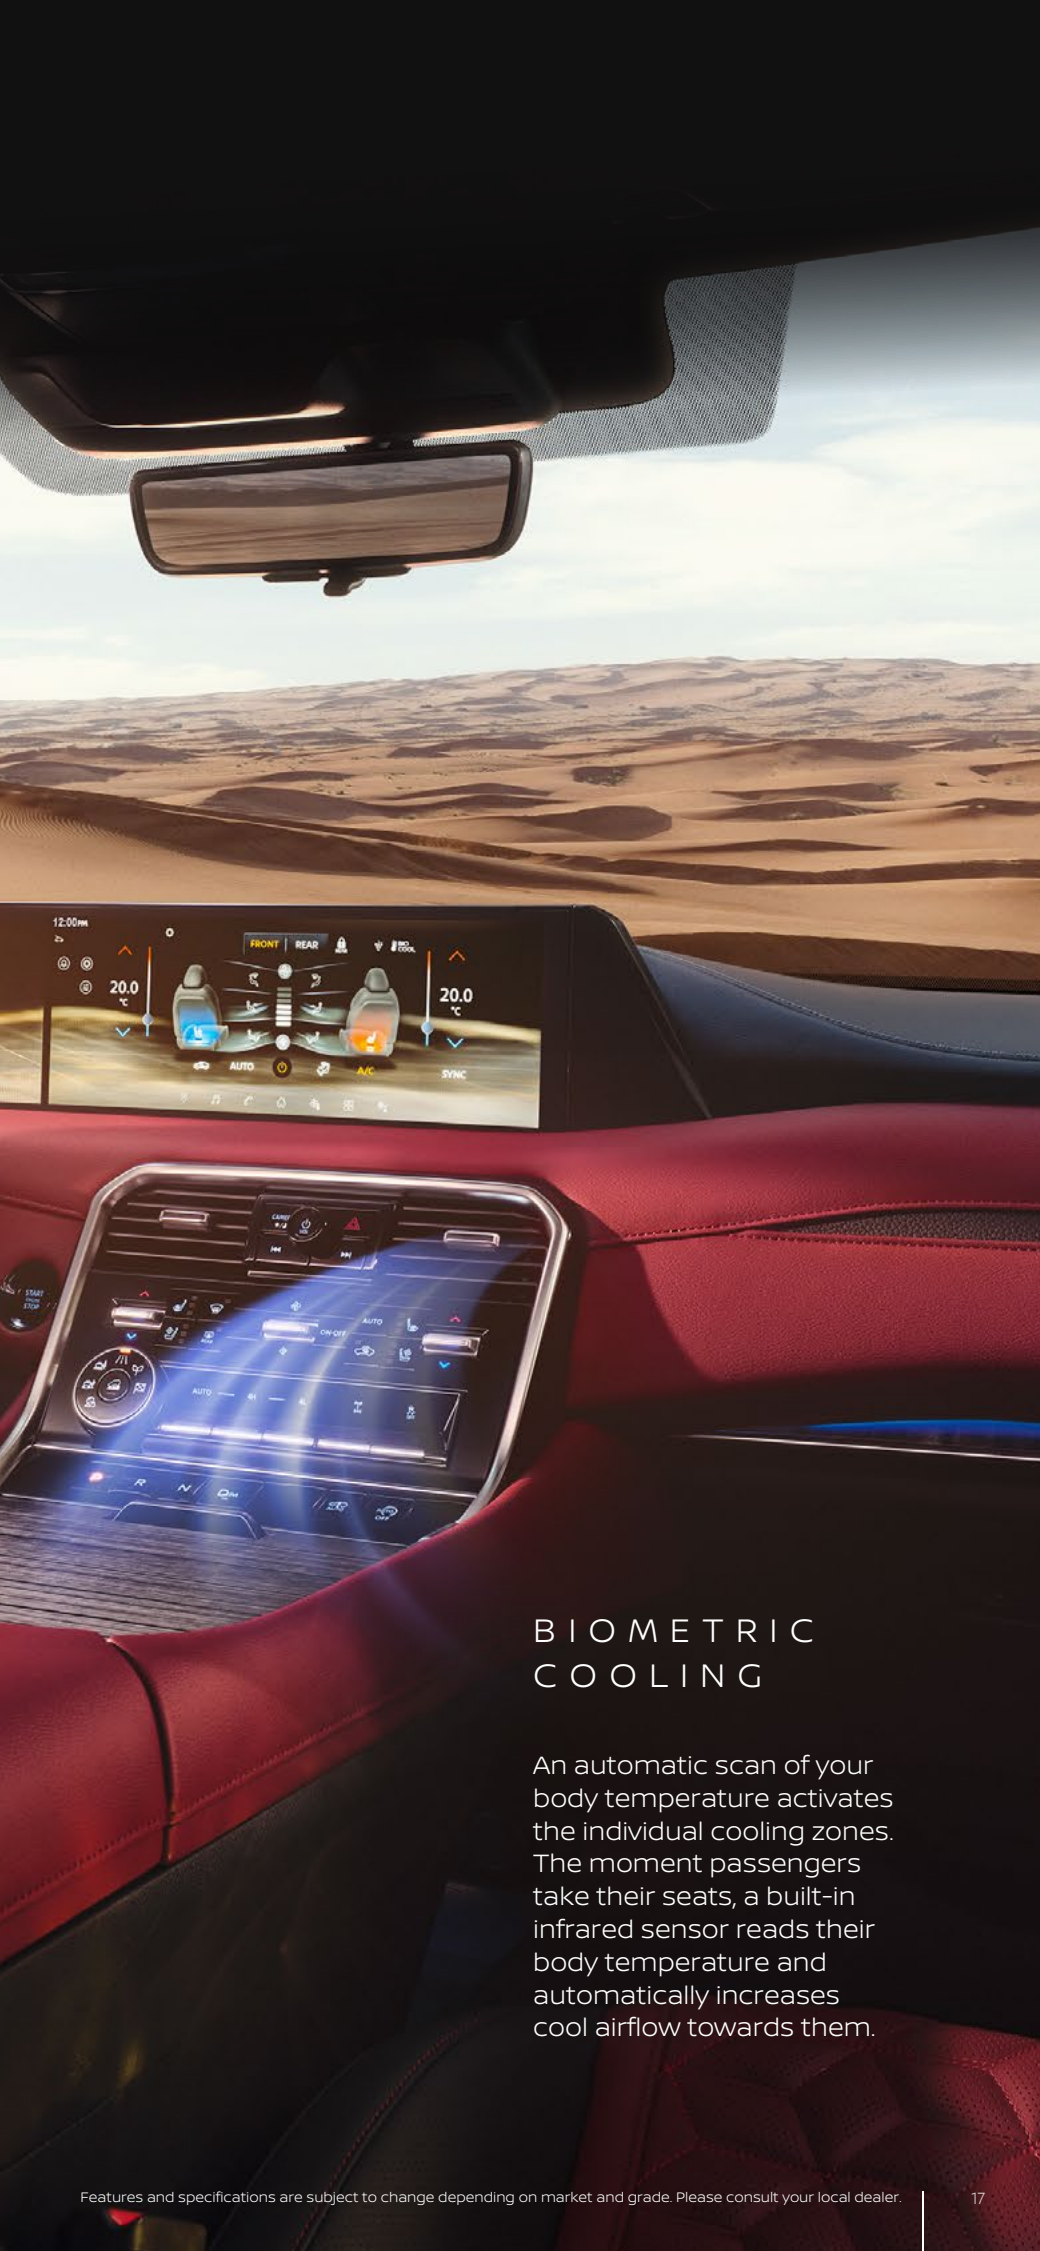

SCREEN FOR CONTROLS THIRD-ROWSEATS

Convenience at your fingertips. A touch on the 28.6" horizontal Monolith Display folds and unfolds the third-row seats to create more legroom or fit in more luggage.

PANORAMIC SUNROOF

Experience the world from a new perspective with the Panoramic Sunroof. Enjoy a sense of spaciousness and freedom on your journey as you let the outside in, making every drive a scenic adventure.

BIOMETRIC COOLING

An automatic scan of your body temperature activates the individual cooling zones. The moment passengers take their seats, a built-in infrared sensor reads their body temperature and automatically increases cool airflow towards them.

POWER IN MOTION

A force to be reckoned with, the V6 Twin-Turbo engine variants and 9-speed automatic transmission are the powerhouse behind the Nissan Patrol. With its full potential, you can achieve the best on-road and off-road acceleration performance while maintaining optimal fuel economy even in low gears.

ADAPTIVE AIR SUSPENSION

The Nissan Patrol introduces e-damper technology, which electronically adjusts the damper settings according to driving conditions for a more controlled and comfortable onboard experience.

It also features the new innovative adaptive air suspension, making it a versatile companion for all your adventures. It allows for:

- Easy passenger entry and exit
- Convenient gear loading and unloading
- Better ride handling
- Optimized off-road performance

When you engage the off-road mode, the suspension raises the vehicle's ground clearance, allowing you to effortlessly tackle challenging terrain. And when you shift to park, it automatically lowers the vehicle by 7 cm for easy cargo area access.

SWITCH BETWEEN DRIVE MODES ON THE FLY

Your ultimate driving experience is tailored to perfection with six distinct drive modes. From tackling rugged terrain to cruising around the city and improving fuel economy, the drive modes enable the Nissan Patrol to take on any challenge and conquer every track.

ROCK

Tackle the most exciting terrains with confidence by reducing tire slip on uneven ground.

SAND

Take on the dunes and tear up even the steepest slopes.

ECO

Conserve energy as you cruise through the city.

MUD

Keep the adventure going and push through even on mushy and uneven surfaces.

STANDARD

For ease of use select the standard setting for general driving.

SPORT

Experience the excitement and the speed when you switch to sport mode.

NO COMPROMISE ON SAFETY

Your safety is at the forefront of our innovations. Complete visibility is essential while driving on-road and off-road, which is why, our cutting-edge Increased Visibility Technology eliminates blind spots around the vehicle, enhancing your safety and peace of mind.

DRIVER ASSIST

Empowering you for every situation, the Nissan Patrol comes equipped with a range of advanced chassis systems and electronic aids, ensuring a safe and effortless response to any road condition.

INTEGRATED PADDLE SHIFT

Unmatched control, uncompromising technology. With our advanced system, you can seamlessly shift gears manually and access the majority of your Nissan Patrol's operations without ever needing to take your hands off the steering wheel.

INVISIBLE HOOD VIEW

No more guessing what's on the other side of a sand dune or worrying about hitting the edges of a sidewalk. The Invisible Hood View displays the area over crests or overhangs in the desert on the 28.6" horizontal Monolith Display. It also helps to protect the sides of the car from hitting the sidewalks and curbs on narrow roadways.

3D AROUND VIEW MONITOR

Be more aware of the area surrounding your Nissan Patrol with the 360 degree rotating camera that provides better visibility in 3D, enabling you to check for obstacles and obstructions from different angles while driving in and out of parking spaces.

ALL - ROUND SAFETY ASSURED

Putting your safety first, the Nissan Patrol is equipped with a comprehensive safety package featuring seven airbags, including a knee airbag, specifically designed to enhance the driver's safety.

INNATE.
INTELLIGENT.
INTUITIVE.

Elevate your journey with Advanced Safety that seamlessly enhances your perception and responsiveness. It works alongside you as a natural extension of your senses, and at times, even on your behalf. Advanced Safety is our commitment to a brighter tomorrow, ushering us into a world that's not only safer and more sustainable, but also filled with excitement.

ProPILOT

A first for the Patrol, Nissan's intuitive and user-friendly driving assistant, the ProPILOT, is designed with you in mind. It takes control of steering, braking, and accelerating, all while ensuring you stay confidently centered in your lane. Your convenience and safety are at the heart of this ultimate co-pilot.

ULTRA WIDE VIEW

Enjoy enhanced visibility and stay informed and secure at road intersections when you press to activate the frontal intersection view with 170 degrees on the expansive 28.6" horizontal Monolith Display.

REAR ZOOM VIEW

Navigate with confidence, knowing exactly what's in your path. With the Rear Zoom View feature, you can get a clearer view of what's behind, allowing you to enlarge the ground view behind.

AUTOMATIC EMERGENCY BRAKING

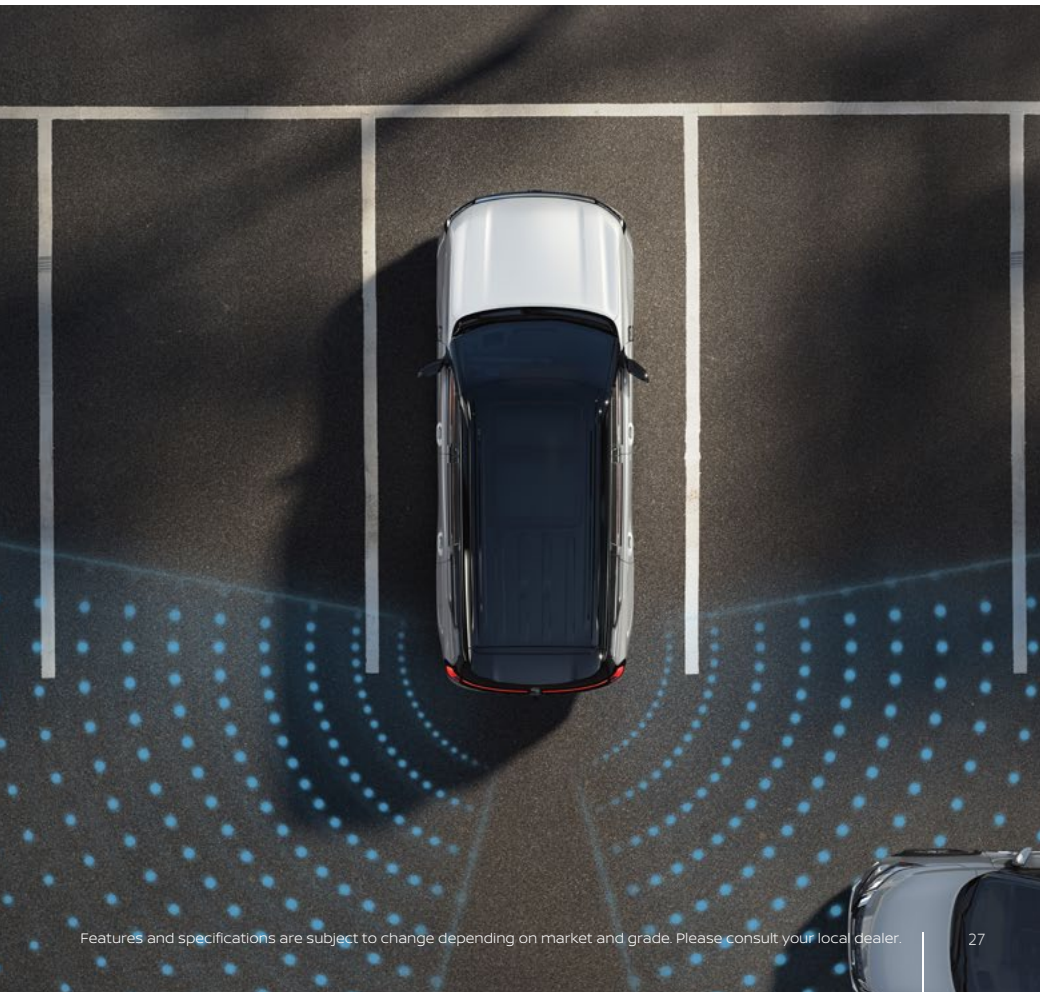

Your guardian on the road. Automatic Emergency Braking monitors your speed and distance between you and the car ahead, and lets you know if you need to slow down. It can even automatically engage the brakes to help avoid a collision or lessen the severity of an impact. And when it detects a pedestrian in the crosswalk, it can apply the brakes for you

FRAMELESS SMART REAR VIEW MIRROR

Gain a sharper perspective in the Frameless Smart Rear View Mirror so you can see around obstructions for a completely unimpeded view. Day or night, your visibility will be enhanced with the help of the rear hatch camera, which expands your rear field of vision and brightens low-light conditions.

REAR AUTOMATIC EMERGENCY BRAKING

Reverse with complete control. The Rear Automatic Emergency Braking is designed to keep an eye out for moving objects when you're reversing, and if necessary, takes immediate action by automatically applying the brakes and alerting to obstacles, ensuring your safety.

PREDICTIVE FORWARD COLLISION WARNING

When you are on the road, sensors will be on the lookout for what is ahead. Predictive Forward Collision Warning with the Patrol's laser range finder will alert you with visual and audible warnings to potential collisions.

LANE DEPARTURE PREVENTION

You're always in your lane with the Lane Departure Prevention that helps keep you where you want to be. It activates to help gently guide you back if it detects that you're unintentionally straying out of your lane for too long.

You should not rely solely on driver convenience features. Some features may not work in all conditions and circumstances. Speed and other limitations apply. For terms and conditions relating to Nissan technologies, please contact your Nissan dealer or www.nissan-me.com

THE NEW NISSAN PATROL

75th ANNIVERSARY EDITION

ICONIC FROM 1951 AND EVERY YEAR AFTER

Since 1951, the Nissan Patrol has redefined the SUV category by reaching places others could not. Seventy-five years later, it still refuses to stop where the road ends.

Across seven generations, it has conquered demanding terrain, carried families through life's biggest journeys and earned a lasting place in their homes.

The region has changed around it, but the Nissan Patrol has remained what it was built to be: the one that leads the way, now and forever.

AL DAR DARNA
DAR NISSAN PATROL

This is the Nissan Patrol's home!

From the first 4W60 to the latest Y63, the Nissan Patrol has been shaped by this land, proven across its toughest terrain and trusted by the people who call it home.

Its legacy is measured not only in years, but in a bond built here and carried forward from one generation to the next.

EVERY DETAIL, CRAFTED WITH INTENTION

HERITAGE. EXCLUSIVITY. PRESTIGE.

This new edition of the Nissan Patrol carries 75 years of heritage in a form few will ever own.

Signature finishes and distinctive accents set it apart at first sight, creating a presence unlike any other.

A fitting tribute to an icon that has defined generations.

AN ICON, ACCENTED IN GOLD

Signature White or Black body color is finished with an exclusive Copper Gold accent across the fog lamp casing, chrome bar, logos, fender vent, shoulder line and emblem.

PRESTIGE IN EVERY SPOKE

Exclusively designed alloy wheels in clear black paint.
The same finish once reserved for the GT-R.

A LEGACY, PROUDLY MARKED

A 75th Anniversary decal marks the shoulder line and grille, a quiet signature of the milestone.

A DEEPER SHADE OF ELEGANCE

Dark Chrome finish replaces standard chrome throughout for a more premium, understated presence.

A DISTINCTION YOU CAN SEE

A distinctive 75th Anniversary badge takes its place on the rear and the chocolate bar, marking it as a rare expression of heritage, prestige and purpose.

LEGACY LIGHTS THE WAY

A carpet light projects "Patrol Since 1951" across a backdrop of sand dunes, bringing the Patrol's heritage to life every time you step inside.

DISTINCTION RUNS DEEP

A Bordeaux cabin trimmed in Copper Gold accents, built to feel as rare as the edition itself.

THE LEGACY, ETCHED WITHIN

75th Anniversary embossing on the passenger-side dash and seat headrests creates a refined reminder of the Patrol's enduring legacy.

DEPTH MEETS BRILLIANCE

Dark Chrome details bring a deeper, more commanding presence throughout the cabin, while Copper Gold accents on the steering wheel complete the signature look.

STEP INTO SOMETHING TIMELESS

An illuminated "75" signature kick plate in Copper Gold welcomes you with a distinctive detail that reflects the Patrol's heritage from the moment you step inside.

AN AMBIENCE OF DISTINCTION

Set to Copper Gold by default, the ambient illumination brings the edition's signature colour into the cabin with a warm, distinctive glow.

FROM KEY TO CABIN

A leather key fob case, matched to the interior leather, extends the edition's considered detailing to every interaction.

HERITAGE OF TRACK RACING

Born from Nissan's track performance heritage, the All New Nissan Patrol NISMO carries the legacy in every detail — from its expertly tuned V6TT engine to race-inspired aerodynamics. Crafted by NISMO engineers, it's an SUV built to deliver power, control, and pure exhilaration on every drive.

INSPIRED BY MOTORSPORT EXCELLENCE

Driven by pure adrenaline, the All-New Nissan Patrol NISMO fuses raw power with precision control. Every curve is sculpted by motorsport heritage, crafted by the legends behind Nissan's most iconic machines.

The result? Race-inspired performance that dominates everyday roads with unmatched intensity.

POWER UNLEASHED

SIGNATURE NISMO ENGINE

At the heart of the All-New Nissan Patrol NISMO lies its expertly tuned 3.5L V6 Twin-Turbo engine, proudly finished with a dual tone cover and a signature badge that marks its Japanese origins. Delivering 495 hp* and 700 Nm of torque, it's a powerhouse that commands respect.

THE PRECISION IN SUSPENSION

Get razor-sharp control when you need it.

NISMO's E-Damper Tuning Suspension automatically fine-tunes damping performance to match every curve and surface, giving you sharp handling and smooth stability wherever you go.

UNRIVALED STEERING POWER

The NISMO Electronic Power Steering adapts on the fly—light and effortless in the city, firm and confident at speed. Total control, no matter the road.

AERODYNAMIC DOMINANCE

The All-New Nissan Patrol NISMO is built to thrill. With advanced aerodynamics, it reduces drag and boosts airflow, delivering unmatched performance, control, and stability. Every detail ensures a faster, smoother, and more confident ride.

BUILT TO GRIP

The bold front chin spoiler and rear roof spoiler are crafted to optimize airflow, boost downforce, and enhance high-speed stability—ensuring a smoother ride and confident handling through every turn.

"ZERO LIFT" ENGINEERING

Forged through zero-lift engineering, the Patrol NISMO is built for aerodynamic precision. With carefully designed diffusers and air splitters, it minimizes lift, enhances stability, and delivers sharp agility with a bold, commanding presence.

THE NISMO DRIVING EXPERIENCE

MASTER EVERY MODE

Choose the way you want to command the road with Patrol NISMO's distinctive drive modes. Switch effortlessly between Standard mode for everyday driving and Sport mode to feel the force of NISMO. The All-New Nissan Patrol NISMO surpasses full-size SUV standards, offering exceptional aerodynamics, NISMO-tuned suspension, and high-performance features for superior handling and control.

SPORT MODE LIKE NO OTHER

HEAR THE POWER

The NISMO throttle strikes with instant force, while the tuned exhaust unleashes a fierce, thunderous growl—igniting every drive with raw V6 Twin-Turbo adrenaline.

ADAPTIVE AIR SUSPENSION

Enhance performance on any road with the Patrol NISMO's adaptive air suspension. It adjusts in real time to optimize ride height and damping, delivering smoother comfort, better grip, greater stability, and improved efficiency.

FEEL ICONIC

AN ICON REIMAGINED

The All-New Nissan Patrol NISMO is built to thrill. With advanced aerodynamics, it reduces drag and boosts airflow, delivering unmatched performance, control, and stability. Every detail ensures a faster, smoother, and more confident ride.

FORGED FROM THE TRACK

Born from racing, the Patrol NISMO is sculpted for speed and control. Its fist-strong front and layered double-wing rear bumper fuse bold design with aerodynamic precision— commanding every road.

THE FACE OF THE BEAST

The Patrol NISMO's iconic presence has evolved with the reimagined V-Motion grille. Its bolder 3D honeycomb mesh, signature red accents, and precise vertical and horizontal strokes, exude power and purpose in motion.

THE MARK OF POWER

The iconic Patrol NISMO red side badge reflects its racing DNA, distinguishing it from the rest.

POWER IN CONTRAST

Each dual-tone combination features a tonal black roof, giving the All-New Patrol NISMO a commanding presence and refined edge.

UNMISTAKABLY nismo

THE UNIQUE NISMO IDENTITY

The unmistakable NISMO badge boldlyreflects the power within, embodying racing heritage, craftsmanship, and refined performance.

THE ART OF PERFORMANCE

THE ARCH OF PRECISION

The wheel arch finisher is meticulously designed to maintain an optimal gap, ensuring that the vehicle's dynamic stance is enhanced while maintaining the visual integrity of the low center of gravity.

WHEEL MASTERY IN MOTION

Crafted with RAYS, the 22" NISMO forged alloy wheels are 23% lighter, improving handling for a more responsive drive. Paired with new high-performance tires engineered for maximum grip, they amplify the excitement of driving the Patrol NISMO.

STRIKING ILLUMINATION

THE BEACON OF SPEED

Adding a touch of motorsport, the Formula-E inspired rear fog lamp elevates the car's racing DNA while enhancing safety when visibility matters most.

THE ICONIC LIGHT

Make your presence felt on the road with the signature Double C-Shape headlights that flows flawlessly with the car's sporty exterior design.

SEIZE THE DAY

Even in daylight, the Patrol NISMO's Daytime Running Lights stand out – boosting visibility and enhancing safety.

THE DRIVER'S COCKPIT

Motorsport heritage runs through every detail of the All-New Nissan Patrol NISMO. Bold black and NISMO Red accents highlight the racing DNA you can see and feel.

POWER-DRIVEN SEATING

Engineered for both performance and luxury, the newly upgraded seats feature adaptive bolsters, massage functions, and enhanced lumbar support, meticulously crafted to elevate every journey. Racing-inspired seat belts complete the experience, blending safety and thrill seamlessly.

RACING DNA DASHBOARD

Premium suede, seamlessly paired with carbon fiber-styled cloth on the dashboard, surrounds you in an environment built for performance. Every detail makes you feel ready to take on the track.

CRAFTED FOR THRILL

The honeycomb mesh pattern, inspired from the front grille, seamlessly connects interior and exterior. The genuine leather and suede- type fabric ensure firm seating, keeping you in perfect control.

PRECISION AT A GLANCE

The Head-Up Display keeps critical vehicle data right where you need it — in your line of sight — so you can stay focused on the drive without distraction.

ASSURANCE IN EVERY DRIVE

The All-New Nissan Patrol NISMO isequipped with ProPILOT to intuitively handle steering, braking, and acceleration to keep you secure in your lane. Complemented with Adaptive Cruise Control that adjusts to traffic in real time, you have a combination that delivers a smooth, controlled and reassuring drive.

A SMARTER, SAFER VIEW

Get a clear picture of what is around you with the Frameless Smart Rear View Mirror. During the day or at night, the rear hatch camera helps you expand your rear field of vision and brightens low-light conditions.

SEE BEYOND

Stay aware of what's out of sight with Blind Spot Intervention in the All-New Nissan Patrol NISMO. By detecting vehicles approaching from either side and gently assisting when needed, it helps ensure every lane change is smooth and safe.

STAY ON TRACK

If you drift off coursefor too long, the Lane Departure Prevention feature will gently intervene to guide you back.

INTELLIGENT CONTROL & PARKING CONVENIENCE

NO ANGLES LEFT UNSEEN

The All-New Nissan Patrol NISMO's 360-degree around view monitorcamera offers enhanced 3D visibility, helping you spot obstacles and obstructions with ease, making parking in tight spaces effortless.

ALWAYS LOOKING AHEAD

The Automatic Emergency Braking with Pedestrian Detection feature uses laser range finder to monitor the road, providing timely visual and audible alerts when potential dangers are detected.

REVERSE CONFIDENTLY

No more looking back. The Rear Automatic Emergency Braking system alerts you and automatically brakes when it detects moving objects. Simultaneously, Rear Cross Traffic Alert warns you about vehicles approaching from the sides, with visual and sound alerts.

FEEL CONNECTED

MYNISSAN WITH GOOGLE BUILT-IN

With the new MyNISSAN featuring Google built-in, every drive becomes more connected, intuitive and tailored to you. Integrated access to Google Assistant, Google Maps, and Google Play brings seamless convenience right into your Patrol NISMO.

VEHICLE HEALTH STATUS CHECK

Know exactly how your Patrol NISMO is doing, wherever you are. The MyNISSAN App gives you a full health report on your phone - from fuel levels to tire pressure and oil checks - and notifies you immediately if there's an issue, along with an easy way to book a service visit.

REMOTE DOOR CONTROL

The All-New Nissan Patrol NISMO is always within reach. The MyNISSAN App lets you lock or unlock the doors remotely from any location.

ANTI-THEFT ALARM SYSTEM

Your peace of mind matters. The All-New Nissan Patrol NISMO is equipped with an advanced Anti-Theft Alarm System that keeps a watchful eye on your vehicle when you're not around.

ON-BOARD AIR COMPRESSOR

Go on your outdoor adventure with confidence. The high-capacity air compressor, equipped with a digital display, makes tire inflation and deflation a breeze.

SMART LUGGAGE SHELF

The smart luggage and essentials neatly separated and securely in place throughout every journey.

ILLUMINATED KICKING PLATES

Add a premium touch and brighten up your journey with this illuminated kicking plate.

ROOF CROSS BARS – BLACK AND SILVER

Take everything you need without compromise. The Patrol NISMO's strong, reliable roof cross bars hold up to 75kg, making room for whatever the road calls for.
