

QASHQAI

Nissan QASHQAI. Defy Ordinary.

Qashqai – the original crossover – has done it again – defying expectations. It continues to overcome the challenges of the city, bringing excitement to urban drivers with its eye-catching refined design, even sharper advanced technologies, and enhanced connectivity. Ideal for every urban adventure.

All you have to do now is decide which Qashqai to choose.

Sharp modernity.
Redefined.

With its sporty and more dynamic proportions, Qashqai is an icon redefined. Bolder, subtly sophisticated and resolutely striking, its lighting signature and sharply cut grille add a powerful expression of modernity.

Redesigned front grille

Stylish rear bumper

New LED lights

20" alloy wheels

Sequential LED turn signals
for a refined, elegant finish.

Surrounded by refinement.

An elegant interior, with quality materials, superior finishes and subtle, sophisticated, customisable lighting* create an instant feeling of calm and comfort in a cabin you can truly make your own.

**Feature available depending on version.*

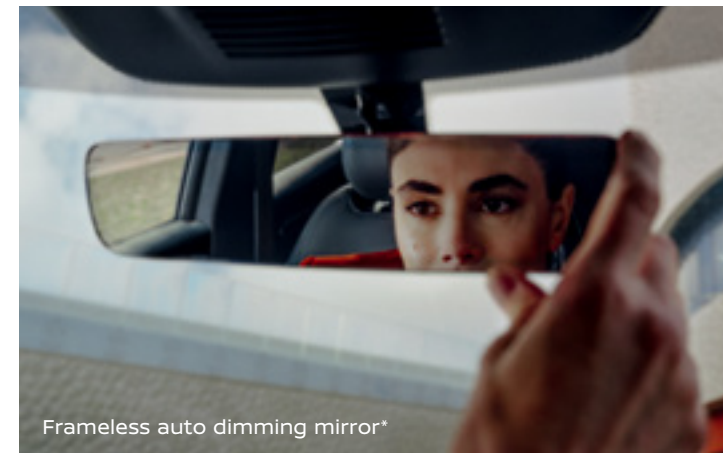

Elegance at its best.

Qashqai's cabin is designed around you. From the sharper, clearer digital displays to the ergonomically-designed cockpit and seating, to the convenient cup holders, USB outlets and storage space. Everything is right where you need it, effortlessly.

Enhanced 12.3" fully digital TFT display

Frameless auto dimming mirror*

12.3" infotainment screen

A true sense of harmony.

Step into a harmonious, refined interior. With quality materials carefully chosen to complement each other, it makes every journey more relaxing, more rewarding... more Qashqai.

Synthetic leather upholstery

Customizable seat adjustments

- Memory seats: Save your favourite seat and mirror positions for custom comfort and convenience, perfect for multiple drivers.
- Power seat adjustment: Fine-tuned comfort at your fingertips with user-friendly electronic controls.

Onboard quietness.

Thicker glass and improved soundproofing mean less road noise, less wind noise and a calmer, more peaceful journey.

Fast (15W) wireless charger*

Qi-certified and optimised for compatible devices, the wireless charging pad delivers quick, effortless power on the go. [1] Specifications depend on model. [2] Charging performance may be limited on non-Qi-certified devices.

Stay connected to your vehicle,
the road and the world around you.

PERSONALIZED DRIVING EXPERIENCE

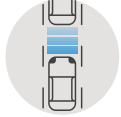

Focus on your drive thanks to Qashqai profile personalization, for up to six drivers. Your Qashqai recognizes you and adapts to your needs & preferences including car language, radio station, journey settings & history, app login and configuration.

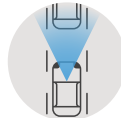

FREEDOM TO CHOOSE

Use Apple CarPlay® and Android Auto™ to access your music, messages, favorite apps, and more while you're driving. Benefit from in-car connectivity, wired or wireless.

INTELLIGENT CRUISE CONTROL
Keeps your distance. It measures the distance from the vehicle ahead, controlling acceleration and deceleration to automatically maintain a suitable following distance within your set speed.

INTELLIGENT FORWARD COLLISION WARNING
Keeps an eye up to two vehicles in front of you. When the system detects a sudden deceleration ahead, it gives you an audible and visual warning to slow down.

LANE DEPARTURE PREVENTION
If you start drifting from the center of your lane, the system can gently guide you back by applying selective braking to the left or right wheels.

BLIND SPOT WARNING & INTERVENTION
Detects vehicles hiding in your blind spot and alerts you before you make your next move.

FORWARD EMERGENCY BRAKING
If a potential collision with a vehicle is detected, the system can apply the brakes to bring you to a full stop.

Feature availability may vary by model. The driver is always responsible for following traffic laws and driving safely. Driver-assist technologies are not a substitute for attentive driving. Some functions may not operate under all conditions. Speed and other limitations apply. Please contact your Nissan dealer or visit www.nissan.XX (middle east) for full details.

Take a fresh view of parking.

The new 3D Around View Monitor* helps you park with confidence.

Rear camera shows what is right behind you

Side camera shows you a curbside view

All-around view adds a virtual 3D, 360° view as you maneuver

The front camera blends aerial and forward views for enhanced perspective

It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times.

Better from every angle.

Split-screen closeups of your front, rear and curbside views and the Invisible Hood View* giving you full visibility at ground level, are perfect for narrow spaces where precision is key.

Features and specifications are subject to change depending on market and grade. Please consult your local dealer.

Instant Power
& Acceleration

Proven. Perfected. Powerful.

Qashqai offers two exciting powertrains to match the way you drive - e-Power and Internal Combustion Engine (ICE). While e-POWER delivers enhanced efficiency, fewer emissions, and a quieter drive, Internal Combustion Engine (ICE) delivers seamless power and exceptional efficiency every time you hit the road.

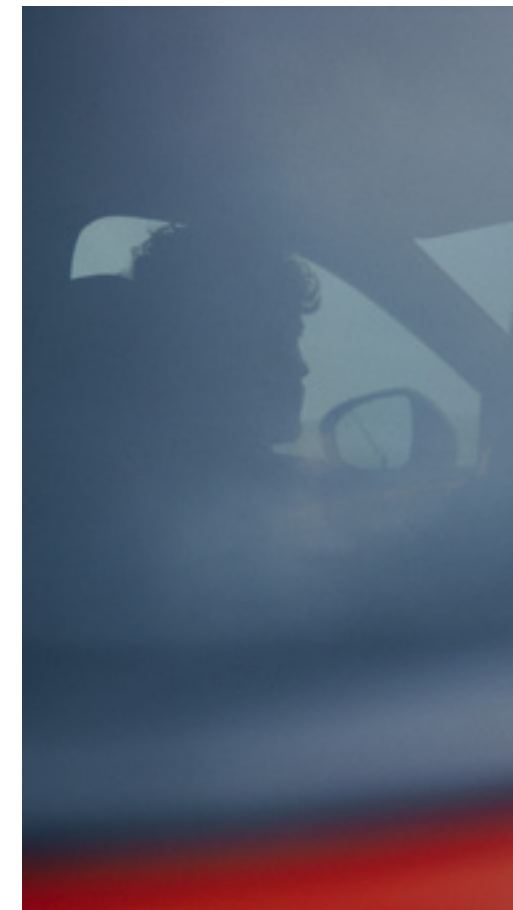

Whether you're navigating busy city streets or cruising the open highway, these precision-engineered powerhouses respond exactly when you need it, mile after mile.

e-POWER

Wheels are driven by an electric motor, with the battery topped up by a new efficient petrol engine.

ICE

Wheels are driven directly by a petrol engine, providing consistent power and efficiency for everyday driving.

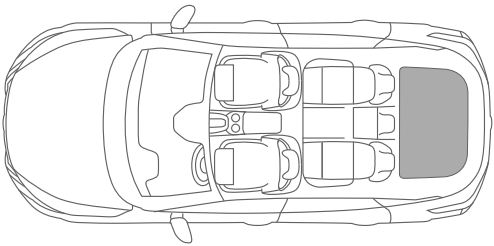

Handsfree power tailgate*
