

THE ALL-NEW
NISSAN TEKTON

MORE THAN YOU EXPECT

In a world full of expectations, the All-New Nissan Tekton is designed to exceed them. Combining bold SUV presence, advanced technology and elevated comfort, Tekton brings together everything you need in an SUV—without compromise.

Inspired by Nissan's SUV heritage and engineered for modern life, it delivers a driving experience that feels bigger, smarter and more rewarding than expected. Because what you expect is only the beginning.

COMMANDS ATTENTION NATURALLY.

Every detail of the All-New Nissan Tekton has been designed to have a lasting impact. From its front grille and Full LED Headlamps with a C-Signature LED connecting lamp to its commanding proportions, 18-inch diamond-cut alloy wheels and confident stance, Tekton brings unmistakable SUV presence to every journey.

Bold without being excessive.
Sophisticated without trying too hard.
This is confidence by design.

POWER THAT MOVES YOU FORWARD.

Responsive. Efficient. Effortless. Powered by a turbocharged 1.3L 4-cylinder engine delivering 153 HP and 278 NM @ 2,750 rpm, paired with a smooth 6-speed DCT with Wet Clutch & e-Shifter and E-Parking Brake with Autohold. Tekton delivers impressive performance whenever you need it. Whether you're navigating city streets or heading beyond them. Tekton offers the perfect balance of power, control and fuel efficiency. Because confidence should feel as good as it looks.

SMARTER STEPS ALL THE WAY.

Technology should simplify life, not complicate it. That's why the All-New Nissan Tekton comes equipped with intelligent features designed to make every drive easier, safer and more enjoyable.

From a 10.1-inch HD Infotainment Screen with Wireless Apple CarPlay® and Android Auto™ to a Multi-View Camera System with four cameras, Wireless Charger with cooling vent and push engine start, every innovation works quietly in the background so you can focus on what matters most. More convenience. Less effort.

ELEVATE EVERY JOURNEY.

Step inside and discover a cabin designed around your comfort. Premium finishes, thoughtful storage solutions and intelligent features create an environment that feels refined, spacious and welcoming.

With a 6-way power driver's seat, Active Comfort Quilted Leatherette seats, ventilated seats, Dual-Zone Automatic Climate Control, rear AC vents, a Smart Air Purifier Ionizer with AQI meter, 48-colour customizable Ambient Lighting, a Panoramic Sunroof, cooled armrest storage and an Electric Tailgate, every drive becomes something to look forward to. Because comfort shouldn't be reserved for special occasions.

CONFIDENCE KEEPS YOU BOLD.

Every journey deserves peace of mind. That's why the All-New Nissan Tekton is equipped with advanced safety technologies designed to support, assist and protect you on every drive. From Autonomous Emergency Braking (AEB), Blind Spot Warning (BSW), Lane Departure Warning, Lane Keep Assist, Intelligent Cruise Control with Stop & Go and a 360 Parking Shield with 12 ultrasonic parking sensors (Front, Rear & Flank), Tekton helps you stay aware, informed and confident behind the wheel. Protection designed around people.

MORE ROOM FOR WHAT MATTERS.

Life doesn't stand still, and neither should your SUV. Whether you're commuting, travelling with family or heading out for the weekend, Tekton offers the flexibility, comfort and practicality to adapt to every part of your lifestyle. Because the best journeys are the ones you enjoy along the way.

THE ALL-NEW NISSAN TEKTON **MORE THAN YOU EXPECT**

More presence. More performance. More technology. More comfort. More confidence. The All-New Nissan Tekton brings together everything people want from a compact SUV—and more. Designed to elevate every drive and exceed every expectation.
