Vehicle introduction

Make way for the unmistakable. The all-new Nissan TEKTON is designed to make every journey more confident, comfortable and connected. With its bold SUV presence, thoughtful design and innovative features, TEKTON brings together distinctive style and intelligent functionality, creating an experience that feels unmistakably yours.

EXTERIOR ACCESORIES

Give your TEKTON a bolder, more distinctive presence with exterior accessories designed to enhance style, protection and functionality. Each accessory is engineered to complement the vehicle's confident SUV character while adding practical everyday protection.

A - REMOVABLE TOWING SYSTEM

A complete towing solution designed for versatility and convenience. The removable towbar, ball kit, and wiring harness work together to provide a secure and seamless towing connection, while allowing the towbar to be removed when not in use.

B - SIDE STEP

Step in with confidence with a robust side step designed for easier access while complementing the TEKTON's bold SUV styling.

C - DOOR VISORS

Add comfort and protection from the elements while enhancing the TEKTON's clean, sophisticated exterior profile.

D - SPLASH GUARDS

Protect your TEKTON from the elements while maintaining its sleek and modern appearance.

INTERIOR ACCESORIES

Elevate every journey with thoughtfully designed interior accessories that combine premium comfort, practical protection and sophisticated style. Every detail is designed to enhance your driving experience and make your TEKTON unmistakably yours.

E - REVERSIBLE LUGGAGE MAT

Protect the entire boot area from dirt spills and everyday wear with a durable, practical luggage mat. Easily flip between surfaces to suit your needs, combining everyday practicality with a rugged design that complements the TEKTON's SUV character.

F - FRONT WIRELESS CHARGER

Keep your compatible smartphone powered on the move with convenient wireless charging designed to keep your interior free from cable clutter.
