AUTHENTIC CAPABILITY

With exceptional fuel economy, a spacious and comfortable passenger area and bold styling mean the Nissan NV350 IMPENDULO is the destination of choice for taxi operators who demand the best, both for their business and for their customers.

Turns profit as well as it does heads

The bold styling and dynamic looks of the Nissan NV350 IMPENDULO, with its new motion grille, create a powerful presence that shows you mean business. Inside, the generously sized driver's cabin is designed to be comfortable, appealing and, above all, functional. A multi-functional instrument display is positioned centrally for increased visibility of the gauges and indicators.

Large, thoughtfully designed storage pockets and drink holders complete the practicality of the driver's cabin, offering an attractive and functional workplace for any driver.

16 reasons to enjoy the trip

Designed to carry 15 passengers and a driver in comfort, the Nissan NV350 IMPENDULO offers comfortable passenger seats with an easy-fold aisle seat to make entry and exit effortless, as does the large sliding door which opens high and wide. Convenience and comfort is enhanced with stylish side windows and back rests.

With more space and legroom for passengers wherever they sit, every trip is a pleasure.

Exceptional fuel efficiency

A fuel-injected 2.5 litre petrol engine ensures the Nissan NV350 IMPENDULO offers incredible economy along with the power to get the job done. Together with its 5-speed manual transmission, smooth and responsive acceleration from start to cruising speed ensures you deliver your customers to their destinations efficiently and reliably every time.

Nissan's commitment to the environment: Nissan's environmental philosophy embraces people, vehicles and nature. In the pursuit of a sustainable mobile society, the Nissan Green Program aims to reduce the environmental impact of NISSAN vehicles at every stage of the vehicle's life cycle, while corporate activities address environmental challenges.

Delivering on protection

The Nissan NV350 IMPENDULO's ultra rigid body is designed for strength and stability. Safety features include ABS, Brake Assist and driver and passenger airbags. Getting your customers from A to B – and back again – safely and reliably every time.

Nissan NV350 IMPENDULO achieved a 5 star rating in the vehicle category and Nissan South Africa achieved a 5 star rating in the manufacture, importer and builder category of the ITAS scorecard programme.

Interior

Cab light

There is a "Cab light" that is situated towards the back on the roof above the second last row of seats. The light switch is controlled by the driver and the light can be switched on for better vision for the passengers when getting in or out of the vehicle, if required.

Wide Body, High Roof

NISSAN NV350 2.5 IMPENDULO TECHNICAL SPECIFICATION

NISSAN'S commitment to quality: to provide all customers with a consistently high level of quality, Nissan applies the standard worldwide, to ensure that all Nissan owners enjoy peace of mind for the lives of their vehicles. The approach is based on quality from the customer's perspective on three key elements: 1. The expectation of a smooth driving experience with complete peace of mind. 2. The intangible appeal of a vehicle, its power to captivate and excite, with features that capture attention and imagination. 3. The level of attentiveness and service during the sales process, and long after the sale is concluded.
