Looking for a good time? The Nissan JUKE offers that in spades, and loads more. From the first glimpse of its audacious headlights, to the imposing grille and lower fender, and across its sleek upper body sportscar styling, the Nissan JUKE makes a bold statement with every arrival: Thrill seeker on the move. Combined with 370Z-inspired rear tail lights and cleverly concealed rear door handles, you have a city trailblazer with more than enough attitude to own the urban jungle.

TESTED TO THRILL

Look what just rode into town. And looks set to take over. Nissan JUKE is the compact sports crossover with an attitude to match its unique urban styling, a head-turner with high ground clearance and visibility that puts it head and shoulders above the rest. And packed with the latest integrated technology - to make sure it stays there. If you’ve been searching for a one-of-a-kind vehicle, the Nissan JUKE is the one you’ve been waiting for.

BREAK FREE

Looking for a good time? The Nissan JUKE offers that in spades, and loads more from the first glimpse of its audacious headlights to the imposing grille and lower fender, and across its sleek upper body sportscar styling, the Nissan JUKE makes a bold statement with every arrival. Third sealer on the move. Combined with 370Z-inspired rear tail lights and cleverly concealed rear door handles, you have a city trailblazer with more than enough attitude to own the urban jungle.
If you thought the exterior was distinctively audacious, wait till you step inside. The superbly styled interior puts you firmly, comfortably, completely in control.

Ramp up the refinement. Premium touches throughout reinforce the feeling of uniquely bold elegance that’s so striking, you can’t wait to get inside. Which, thanks to the Nissan Intelligent Key*, is easy: now you can lock and unlock the doors without even taking the key out of your pocket.

* Available on certain models.

Sunroof available on 1.6 DIG-T Tekna Manual
Hooded Gauges
The superbike-inspired circular gauges with hood cover add an extra-sporty look to the instrument panel.

Sport-bolstered Seats
Special seat bolsters hold your body in place during active driving, and add a generous helping of style to the ride.

Powered Sunroof*
Open up the thrill factor with a sunroof that lets the outside in at the touch of a button.

SPORTY INTERIOR
IT’S ALL ABOUT THE CONTROL

Travel in the style you deserve and demand. Nissan JUKE’s interior is dynamic by design, and it shows beautifully. A pulse-raising centre console inspired by the radical lines of an Italian superbike. Large, easy-to-read circular gauges display information in the blink of an eye. And unique stitching on the sport seats, steering wheel, and gear knob (except X-tronic gearbox) add striking finishing touches.

* Available on certain models – International model shown.
A HEART PUMPING RIDE
CHOOSE TO OUTPERFORM

Looks are important. But you want instant gratification under your right foot as well. The 1.6 DIG-T engine with Xtronic CVT delivers soul-stirring acceleration, with dual injectors for superb combustion and precise torque to get the power down fast even at low speeds.

Looking for a kick with astonishing fuel efficiency? Nissan JUKE’s 1.2 DIG-T delivers both, with loads of low end power thanks to its low gearing, and a silky smooth drive, sublimely suited to city driving.

P.S. It’s a whole lot of fun to drive.

NISSAN JUKE
NISSAN DYNAMIC CONTROL SYSTEM

CUSTOMISE YOUR RIDE ON THE FLY

Your moods can change – why shouldn’t your driving style? Nissan JUKE’s Integrated Control (I-CON) System lets you customise your ride at the push of a button, whatever mood you’re in. Nissan JUKE has the driving mode you can tailor your driving style, adjust the climate and keep stats on your performance, all while you’re out and about.

Performance Expert. Get torque, boost or efficiency exactly when you need it.

Normal Mode. The perfect combination of performance and efficiency.

Sport Mode. Feeling racy? Immediately feel the steering, transmission and throttle adjust for more responsive driving.

Eco Mode. Steady your pace and get the most out of every fill-up.

Stats Keeper. Stay on top of your performance stats with the Nissan Integrated Control System drive computer. It stores information about everything from maximum G-forces to trip mileage and daily fuel economy. The more information you have, the smarter you’ll drive.

Take the perfect weather with you. In addition to ride style, Nissan Integrated Control System gives you complete control over interior comfort. Simply switch from D-Mode to Climate Mode, and the display changes over to all the selections you need to make the cabin as toasty or cool as you like.

BOOK A TEST DRIVE
REQUEST A CALL BACK
LOCATE A DEALER
Torque Vectoring
In a turn, this multi-sensor system automatically transfers rear-wheel power to the left or right, depending on which needs it more, so any change in direction can be performed uniformly and securely.

ALL MODE 4x4-i Display
The digital readout between the centre gauges provides real-time AWD* feedback for all four corners.

* Available on certain models. Not intended for off-road use.

NISSAN ALL-MODE 4x4-i WITH TORQUE VECTORING*
LEFT OR RIGHT, THE POWER IS ON YOUR SIDE

Traditional All Wheel Drive (AWD) systems only distribute power from front to back. But Nissan JUKE is anything but traditional. The torque vectoring AWD available on Nissan JUKE adjusts power side-to-side to the rear wheels for more on road control than ever. When cornering, this means the outside rear wheel gets more power, helping you rotate into the curve and accelerate out.
Flat Cargo Floor
Longer items are far easier to store on a flat surface. Fold the second-row seats down and adjust the cargo floor up to create a flat floor surface. And for any items you want hidden, you’ll find a covered storage area under the cargo floor.

Adjustable Cargo Floor
Large luggage fits surprisingly well inside the Nissan JUKE. Simply adjust the cargo floor down, and there is ample space for your gear behind the second-row seats.

Flat Cargo Floor
* A variable on certain models.

354L CARGO CAPACITY*
PACK IN THE UNEXPECTED
You want it all? You’ve got it now. Looks, performance and loads of space to boot. Interior roominess in the Nissan JUKE is way more than you’d expect, thanks to the flexibility of its 2-stage adjustable cargo floor (2WD only). With the second-row seats up and cargo floor lowered, there’s plenty of space for luggage or sports equipment. Fold the seats down and you can adjust the floor to a higher position, creating a flat cargo floor for even more versatility.

*Available on certain models.
In touch, on the move. Your world’s always within reach with NissanConnect® smart technology. And with NissanConnect® Apps, your Nissan JUKE becomes your smartphone’s best friend, with music, information and the apps that you love, all coming together through the 5.8” touch screen display and audio system.

Nissan Navigation System: The latest maps, the most direct routes and the smartest way to get to your destination on time and as fuel efficiently as possible.

Online Search – powered by Google®: Based on the latest information, Google® Online Search helps you pinpoint your desired destination, even if you’re not sure of the name or category.

Facebook®: Launch the Facebook® app and see your events for the day. When you get to your destination, check in to let your friends know what you are up to.

International image shown – NissanConnect available in the Tekna Manual Transmission only.
SPARE YOUR WHEELS.
In Drive or Reverse, push the camera button to switch on the overhead camera for a side view – and precise curb parking, every time.

COMPLETE THE PICTURE.
Located under your driver’s side mirror, this camera helps round out your virtual 360° bird’s-eye view, whether you’re in Drive or Reverse.

DON’T BUMP YOUR NOSE.
In Drive, the display gives you both a front and overhead view, so you know just how far to pull up – without going too far.

LOOK OUT BELOW.
In Reverse, the display helps you see what’s directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window.

NISSAN AROUND VIEW MONITOR
PINPOINT PARKING EVERY TIME
A rearview monitor for reversing? Once again, Nissan JUKE takes it up a notch. Because when it comes to parallel parking, you need to see more than just what’s behind you. Nissan JUKE’s Around View Monitor* consists of four cameras to give you a virtual 360° bird’s-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you know exactly what’s going on around you. And since not all obstacles are stationary, Moving Object Detection keeps an eye out for any moving objects detected in your vicinity. Bags and shopping trolleys included.

NISSAN JUKE 1.6 DIG-T Tekna Manual Shown.

* Available on certain models.
SIGNATURE STYLE

STAMP YOUR STYLE ON NISSAN JUKE, with Genuine Nissan Accessories.

INTRODUCING NISSAN ASSURED, ITS MORE THAN A PROMISE.

AS PART OF THE NISSAN FAMILY YOU'RE GUARANTEED OUR COMMITMENT TO CUSTOMER CARE. A LASTING BOND BETWEEN YOU, YOUR VEHICLE AND THE NISSAN BRAND. THAT'S OUR PROMISE.

CUSTOMER EXPERIENCE
We promise to make your Nissan experience one to cherish, from your delivery day and everyday after, our commitment is to deliver a service experience you can trust – and believe in.

CUSTOMER SUPPORT
ROADSIDE ASSISTANCE
We keep you on the road 24/7. Should anything unexpected happen we guarantee you 24-hour roadside assistance, no matter the age of your Nissan, just call 0800 NISSAN (64 77 26) anywhere, anytime. Terms and Conditions do apply.

LICENCE RENEWAL REMINDER
We’ll remind you in advance so you can keep your licence disk up to date.

3 YEAR OR 90 000KM SERVICE PLAN
For the first 3 years or 90 000km of driving your car, whichever comes first, you can rest easy knowing that our promise to keep it in peak condition will never let you down.

6 YEAR OR 150 000KM WARRANTY
As long as your car is within our warranty, we’ll always have you covered if anything goes wrong. You don’t need to stress for the first 6 years or 150 000km, whichever comes first.

SERVICE AND REPAIRS
FREE VEHICLE HEALTH CHECK
We’ll give your car a free health check on every major and minor service to ensure your vehicle is running smoothly and is always on the road.

COMPETITIVELY PRICED PARTS
We deliver the highest care for your Nissan by fitting only Nissan Genuine Parts. The expertise of our Nissan trained teams will help you get the best value for your money by finding the most competitively priced part for your local dealer.

COURTESY CAR
We will arrange a courtesy car for all warranty repairs should the components required not be available within 48 hours.

WE MAKE PROMISES.
WE KEEP PROMISES.

Call 0800 NISSAN (64 77 26) or visit www.nissan.co.za for more information.

NISSAN ASSURED
More than a Promise.

Intelligent Mobility guides everything we do. We’re using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it’s cars that share the task of driving with you, or highways that change your EV as you go along. It’s all in the very near future. And it’s a future already taking shape in the Nissan you drive today.
