NISSAN

NAVARA

90 Years
PICKUP HERITAGE

A legacy of reliability you can trust.

For over 85 years, Nissan LCV's have been built around a simple understanding: trust and capability that's proven over time. Across generations, Nissan has developed vehicles trusted to work harder, travel further and take on more demanding conditions.

The Navara carries that LCV legacy forward, delivering capability in comfort, with the reliability that goes the distance.

It is a heritage that continues to evolve, built to do more, ready to Conquer Anything, and driven by the Nissan spirit to Dare Beyond.

Features and specifications are subject to change depending on market and grade. Please consult your local Nissan dealership for more information.

Built of more, to conquer anything.

The Nissan Navara brings together rugged capability, confident performance and elevated comfort in a pickup engineered to take on demanding conditions, with ease. With bold design, a refined and connected interior, advanced driver assistance technology and legendary 4X4 capability, Navara is built for drivers who expect more from every journey.

The Nissan Navara. Dare Beyond.

C-Shaped Signature LED Headlamps

18-inch Alloy Wheels

Boomerang LED Taillights

Styled to conquer.

The Nissan Navara's rugged styling stands out thanks to its aggressive design lines, it's muscular body shape, redesigned bumper, grille, headlights and hood.

The bold design and taller bed height adds to its tough profile while the NAVARA stamping on the rear tailgate leaves a lasting final impression.

Power, built to out-perform.

The Nissan Navara delivers the power, poise and capability to dominate on all terrains. Engineered for demanding African conditions, Navara combines proven, dependable performance with intelligent technology, for a drive that truly inspires confidence.

Trailer Stability Assist (TSA)

Technology that works smarter, not harder.

Navara's capability is backed by intelligent systems designed to help manage traction, stability and momentum when the going gets tough. Working seamlessly in the background, they make challenging terrain feel more predictable and easier to negotiate.

For on road comfort, Navara's class-leading five-link coil spring rear suspension helps deliver a smoother ride, without compromising on hardworking capability.

Features and specifications are subject to change depending on market and grade. Please consult your local Nissan dealership for more information.

Legendary Navara capability.

Instantly shift between 2x4 and 4x4 driving modes.

Engage 4WD-High for light off-roading at higher speeds, or 4WD-Low for navigating obstacles, sand or mud. It's as easy as flipping a switch.

For everyday driving, use 2WD-High mode to reduce fuel consumption and increase efficiency.

Get a clear view of challenging obstacles.

The Intelligent Around View® Monitor with Off-Road Mode can show more of the trail around you to help you navigate tougher obstacles.

Shift On-The-Fly-4X4

Electronic Rear Differential Lock

Intelligent Around View® Monitor with Off-Road Mode

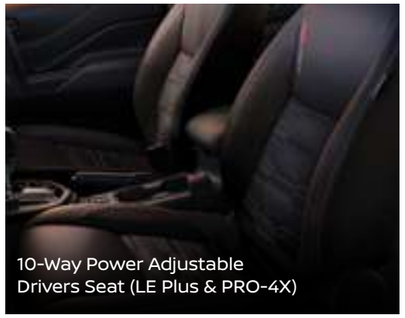

Premium comfort, in every seat.

The Nissan Navara combines pickup practicality with a refined, SUV-like cabin designed for comfort on every journey. Zero Gravity front seats, thoughtful rear-seat ergonomics, soft touch dash finishes and convenient storage help keep everyone comfortable, while noise-dampening materials create a quieter, more relaxed drive

On PRO-4X, distinctive trim, orange-accented stitching and unique detailing add an extra layer of elevated refinement.

NOISE REDUCING ACOUSTIC GLASS | FATIGUE REDUCING FRONT SEATS | COMFORT REAR SEATING CUSHIONS | REAR PASSENGER AIR-CONDITIONER DUCTS

Features and specifications are subject to change depending on market and grade. Please consult your local Nissan dealership for more information.

10-Way Power Adjustable
Drivers Seat (LE Plus & PRO-4X)

Automatically
Dimming Rear View Mirror*

Rear USB Charging Ports

Cupholder and Mobile Phone
Storage Station

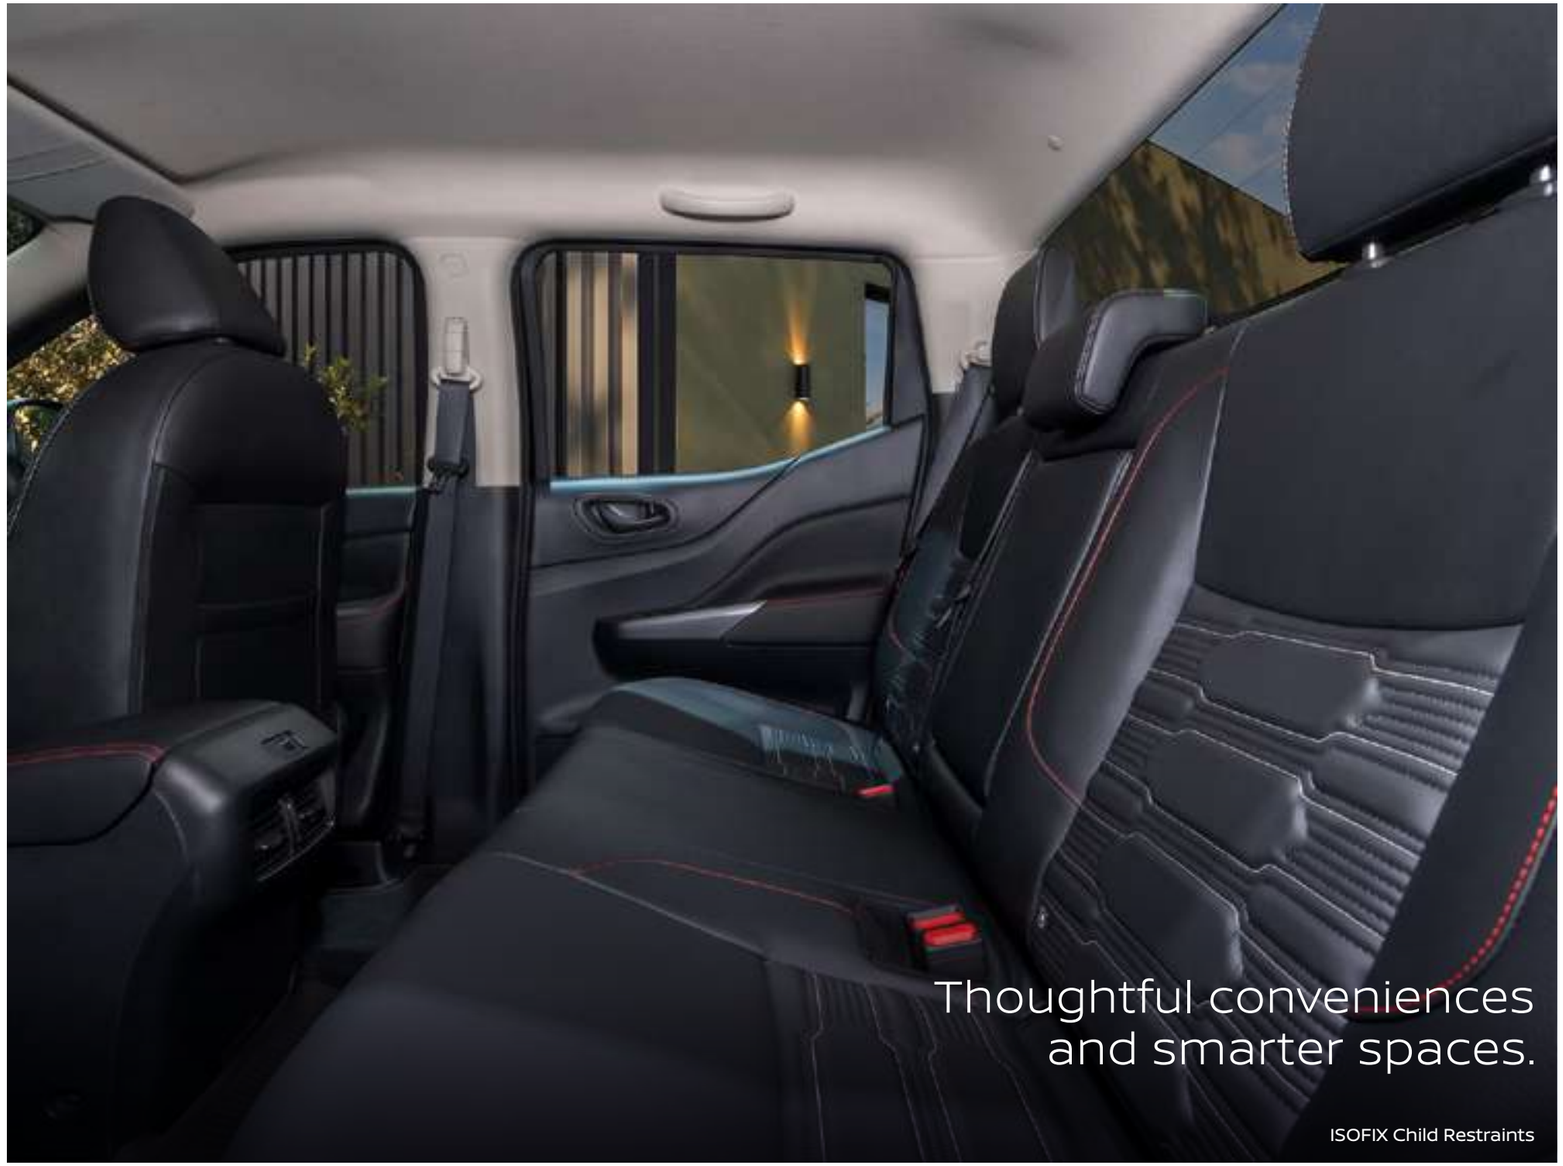

The Navara cabin is designed to make everyday life easier, with generous storage spaces, multiple charging points and smarter spaces throughout. Rear under-seat storage adds even more flexibility, while the rear seats can be flipped up to create extra room for taller or bulkier items when needed.

Dual-Zone Automatic Climate Control

Rear Air Vents with Flow Adjustment

Thoughtful conveniences and smarter spaces.

ISOFIX Child Restraints

Enjoy a more informed and convenient drive.

The Navara keeps everyday technology within easy reach with a Multifuction steering wheel equipped with Voice Control, while Intelligent Keyless Entry and Plus Bottom Start/Stop make getting on the road easier.

Features and specifications are subject to change depending on market and grade. Please consult your local Nissan dealership for more information.

8-inch Touchscreen Infotainment Display

Apple CarPlay® and Android Auto™

Seamless NissanConnect smartphone integration for access to compatible apps, navigation, music and calls, keeping everyday essentials within easy reach while you stay focused on the road ahead.

Advanced Drive-Assist Display

Navara's 7-inch Advanced Drive-Assist Display puts key driving information, audio details and driver-assistance alerts directly in your line of sight, helping you stay informed and focused whether you're navigating city traffic or heading off-road.

Digital Drive-Assist Display

A bird's eye view, on and off-road.

Around View Monitor with Moving Object Detection and Off-Road Mode

Nissan's Around View Monitor technology uses four cameras to create a 360° overhead view of your surroundings, helping make tight spaces easier to navigate. Switch between front, rear and two separate side-views to park like a pro every time, with additional parking sensors all making Navara easy to manoeuvre in confined urban spaces.

All-Around View:
Virtual 360° birds' eye view as you manoeuvre.

Front Camera:
Combined front and overhead view for perfect parking.

Rear Camera:
See what's right behind you.

Right Side Camera:
Flick the swtch to see the kerb.

4-Low Mode
On rough terrain and at slow speeds in 4-Low mode, the Around View Monitor provides a crystal clear view of the surrounding terrain, as you confidently navigate across challenging surfaces.

AVM with Off-Road Mode

Advanced driver safety, that's always thinking ahead.

Navara's advanced driver assistance systems use cameras, sensors and intelligent processing to continuously monitor the road and surrounding traffic. Working seamlessly in the background, they assess changing conditions, alert you to potential hazards and, in certain situations, can assist or intervene to help reduce the risk of a collision, while multiple airbags provide an additional layer of protection for occupants.

Lane Departure Warning (LDW)

LDW detects if the vehicle drifts out of its lane without an active turn signal and alerts the driver with an audible chime and blinking indicator light.

Forward Collision Warning (FCW)

FCW detects sudden deceleration or movements in the same lane ahead, allowing for extra time to react to hidden potential hazards.

Emergency Braking (AEB)

AEB provides alerts and helps avoid front-end collisions by giving a visual and audible cues. Automatic brake pressure is applied to reduce speed.

Rear Cross Traffic Alert (RCTA)

RCTA helps detect vehicles approaching from either side while you reverse, warning you of traffic that may be difficult to see.

Blind Spot Warning (BSW)

BSW detects and alerts the driver if a vehicle appears outside of your field of peripheral vision.

Versatility to get the job done.

Gone are the days where a choice has to be made between hardworking and good looking. Navara is engineered to take on tough jobs, with the strength and versatility to loads, tow and do the heavy lifting. While a stronger rear axle and larger rear brakes help support heavier loads with greater stability and better stopping performance.

Nissan's commitment to quality: To provide all customers with a consistently high level of quality, Nissan applies the same standards worldwide, to ensure that all Nissan owners enjoy peace of mind for the lives of their vehicles. The approach is based on quality from the customer's perspective on three key elements: First, the expectation of a smooth driving experience with complete peace of mind. Second, the intangible appeal of a vehicle, its power to captivate and excite, with features that capture attention and imagination. Third, the level of attentiveness and service during the sales process, and long after the sale is concluded.

Legal notice: Every effort has been made to ensure that the contents of this brochure is correct at the time of going to print (October 2026). This brochure may be produced featuring prototype or accessorised vehicles exhibited at motorshows and in accordance with the company's policy of continuously improving its products. Nissan South Africa reserves the right to change the specifications and the vehicles described and shown in this brochure at any time. Nissan dealers will be informed of any such modifications as quickly as possible. Please check with your local Nissan dealer to receive the most up-to-date information. Due to the limitations of the printing process used, the colours shown in this brochure may differ slightly from the actual colours of the paint and interior trim material used. All rights reserved.
