GET INSIDE. GO OUT THERE.

Experience the joy of life’s adventures in a bigger, bolder crossover that has everything you need to get out there. Muscular sculpted styling, solid capabilities and next-level technologies will keep you in control and give you all the space, comfort and flexibility you need to enjoy your action-packed trips. So where to next? Go out there & explore.
NEXT-LEVEL TECHNOLOGY FOR A CONFIDENT AND ENERGIZING DRIVE

Nissan Intelligent Mobility is redefining the way we power, drive and integrate cars in the world around us. It’s bringing you and your Nissan X-TRAIL closer together for a more confident, more exhilarating ride. It’s making your journey more personal through advanced connectivity and empowering you through progressive technologies. It’s enhancing the joy of being behind the wheel and turning the world into a safer place everyday.
INTELLIGENT LANE INTERVENTION. This system will alert you of drifting by giving audible and visible warnings.

INTELLIGENT FORWARD EMERGENCY BRAKING. Intelligent Forward Emergency Braking uses radar technology to monitor the vehicle in front of you, and provide audible & visual warnings prompting the driver to react to avoid a possible frontal collision. Upon driver intervention failure, the vehicle will apply braking to avoid or reduce the severity of the collision.

INTELLIGENT AUTO HEADLIGHTS. See more on dark roads. This system will activate the beams as soon as you need them and temporarily dip the lights for oncoming traffic.

INTELLIGENT BLIND SPOT INTERVENTION. This system can see what the eye cannot. It will warn you if it detects any vehicles in your rear diagonal blind spot.

GET A HAND WHEN YOU WANT IT, STEPPING IN WHEN YOU NEED IT.

Meet your co-driver. It sees and it senses. Smart safety features step in on your behalf, from Intelligent Auto headlights, Intelligent Emergency Braking, Intelligent Forward Collision warning and Intelligent Lane Departure Intervention, the new Nissan X-Trail acts as your driving partner, always looking out for you and those around you.
Intelligent AVM gives you a virtual 360° bird’s eye view of your vehicle to bring your parking space and maneuvering capabilities into full perspective.

Thanks to Intelligent AVM, you can check the front and back of the car while remaining comfortably in the driver’s seat.

The Nissan X-TRAIL offers the available intelligent around view monitor with moving object detection. This feature comes with 4 cameras that give you a virtual 360° birds eye view of your vehicle.

Intelligent AVM provides an overhead view and rear bumper view to help you align to trailer hitch with ease.

Intelligent AVM provides multiple views to help you park straight into your space without a scrape.

Intelligent AVM provides visuals that allow you to park like a pro.

Intelligent AVM provides visuals that help you pull all the way into a garage, showing any objects on the floor and ensuring you’ve cleared the garage door.

Intelligent AVM gives you a virtual 360° bird’s eye view of your vehicle to bring your parking space and maneuvering capabilities into full perspective.

INTELLIGENT RIDE CONTROL.
Take the rough with the smooth. This system applies subtle braking to prevent turbulence over bumps and enhances the overall comfort of the ride for the whole family.

INTELLIGENT TRACE CONTROL.
Keep cool when cornering. This system adjusts brake pressure on individual wheels to keep you on an optimal line through turns.

INTELLIGENT ENGINE BRAKE.
Feel the curve. This system controls the CVT as though you’re driving manual through a light bend. It shifts down to smoothly decelerate on your way through the curve, then shifts back up to accelerate on your way out.

The Nissan X-TRAIL is so agile and responsive, it actually improves your driving. Nissan’s Chassis Control technologies make it smooth to handle and secure to drive – ensuring an exciting yet comfortable journey for everyone on board. So get inside and have some fun.
NISSAN INTELLIGENT DRIVING

ADAPT TO ANY TYPE OF CONDITION IN THE BLINK OF AN EYE

The Nissan X-TRAIL can adapt to changing conditions 30 times faster than the blink of an eye. Whether it’s sand or gravel, rain-covered surfaces or a tight turn, the system will automatically send power to the wheels that need it the most. Even in ideal conditions, the Nissan X-TRAIL’s AWD system pays big dividends: getting a grip has never felt better.

HILL START ASSIST/AUTO HOLD.
No rolling backwards. With Hill Start Assist, encountering an incline is simple. It applies the brakes to all four wheels to hold the car for 3 seconds, before the drive fed to the wheels releases them. With the Auto Hold function activated, the brakes are held for 3 minutes on any gradient.

INTELLIGENT 4X4. With Nissan X-TRAIL’s All-Mode 4x4-i, you’ve got a system that’s capable on-road and off. You can choose full-time 2WD for maximum efficiency. Auto Mode constantly monitors conditions and adjusts the balance of power between front and rear.
Looking for excellent fuel economy in a roomy crossover that’s lots of fun to drive? That’s what you get with the New Nissan X-TRAIL. From exterior aerodynamics that whisper through the wind to advanced engines and a virtually gearless XTRONIC transmission, it takes efficiency and performance to the next level. The Nissan X-TRAIL has an option of 3 engines: the trusted 2.0 litre petrol, punchy 2.5 litre petrol & highly efficient 1.6 litre diesel engine. The diesel offers enhanced fuel economy and lower CO2 emissions and is equipped with Nissan’s automatic Start/Stop system, which shuts down the engine when temporarily not in use to save fuel, then smoothly and quickly restarts as you pull away. The 2.5 petrol engine is mated with the latest version of XTRONIC CVT (Continuously Variable Transmission) with up to 40% reduced friction and the ratio coverage is increased to greater than that of some 8-speed automatics. The result is an engaging drive and smooth performance, it’s like riding a continuous wave of power.

Actual fuel consumption, range and emissions will vary depending on driving conditions and driver behaviour.
To design their zero-gravity-inspired seats with spinal support, Nissan’s engineers looked to the cosmos. They recreated the relaxed posture of astronauts floating in space by designing an articulated front seat that supports you from the pelvis to the chest optimizing the blood flow, and seat cushions that provide better pressure distribution. The result is exceptional comfort and less fatigue on the long distance trips of your adventures.

More inspiration comes from the panoramic sunroof, offering everyone aboard the most stunning theatre view of the sky and stars.
New shift knob with double-stitched leather boot

Gloss black trim with metallic accents

Nissan Connect with upgraded interface

Premium leather steering wheel

Sporty D-shaped steering wheel

Double-stitched leather seats*

Gloss black trim with metallic accents*

Leather-wrapped shift knob*

Panoramic Sunroof*

*Feature only available on some models/grades.
NISSAN ADVANCED DRIVE-ASSIST DISPLAY
INNOVATION THAT’S RIGHT IN FRONT OF YOU.

Driving made simple with turn-by-turn directions, caller ID and available safety features… all your info is right before your eyes on your 5” colour Advanced Drive-Assist Display. Use the steering wheel controls to switch between different screens. Just click on the arrows. Easy!
SLIDE, GLIDE AND SWING WIDE.

A SMARTER 2ND ROW. Thanks to the Nissan X-Trail’s flexible seating system, this 2nd row is truly first class. The 60/40 split seat slides forward for easy access and adjusts to give you more cargo space, more legroom, and everything in between. You can also recline the seats, when it’s time to just relax.

OPTIONAL 3RD ROW. The Nissan X-Trail’s folding 3rd-row 50/50 split seat gives you additional versatility. Perfect for accommodating extra passengers and their gear, it also folds down completely to make a flat cargo floor for maximum storage capacity.

REAR 77° WIDE OPENING DOORS. The Nissan X-Trail’s rear doors swing out to nearly 80°, giving you easy access to the kids, the cooler box, the adventure gear… making life convenient.

Best-in-class front headroom and thoughtful 2nd row vents help keep everyone comfortable. An available 3rd row of seats with a 50/50 folding split is ideal solution when you need to fit more family members and friends inside of your Nissan X-Trail - or you can fold it down completely, making the cargo floor flat and maximizing the storage space.
SINGLE-HANDEDLY REINVENTING VERSATILITY
The exclusive Cargo System adapts to your next trip in an instant. An adjustable set of shelves and dividers offer a variety of 9 configurations - it's so easy, you can do it with one hand.

Secret spot.
A long, flat floor for big items, with under-floor storage for things you want to hide.

The lowdown.
Lower your floor for added height to fit those tall items.
ACCESSORIES FOR EVERY OCCASION

From the city streets to the great outdoors, your Nissan X-TRAIL is ready to take on any adventure, thanks to its versatile range of Nissan Approved Accessories. Whether it’s towing the campervan, checking your tyre pressure or connecting your favourite music playlist, the versatile range of Nissan Approved Accessories ensures all your road trip needs are covered.

Boot Storage Bag
(Six Compartment)

Boots Storage Bag provides a handy storage solution for your boot area for items such as groceries and sports gear.

Rubber Floor Mats
(Front & Rear)

X-TRAIL branded Rubber Floor Mats designed with a raised outer perimeter to contain any dirt, grass and gravel whilst protecting the cabin floor.

Weathershields
(Slimline, Front & Rear)

X-TRAIL branded Weathershields that protect the cabin against the elements when windows are partially open. A slim finish that is perfectly tailored to your vehicle.

Towbar

Maximise your versatility with a quality towbar that has been engineered and tested to ensure a maximum breaking capacity of 1500kg and vertical load on ball of 75kg.

Bonnet Protector
(Smoked)

Tinted X-TRAIL branded Bonnet Protector complements the appearance of your Nissan and protects the leading edge of your bonnet from stones chips and other road debris.

Headlamp Protectors

Protect your vehicle’s headlamps from stones and other road debris with these Headlamp Protectors.

Boot Storage Bag
(Six Compartment)

Boots Storage Bag provides a handy storage solution for your boot area for items such as groceries and sports gear.

**WE MAKE PROMISES. WE KEEP PROMISES.**

Introducing Nissan Assured, it’s more than a promise. As part of the Nissan family, you’re guaranteed due commitment to customer care. A lasting bond between you, your vehicle and the Nissan brand that’s our promise.

**CUSTOMER EXPERIENCE**

We promise to make your Nissan experience one to cherish, from your delivery day and beyond. That means offering you exceptional care, support and peace of mind with every interaction.

**CUSTOMER SUPPORT**

Roadside Assistance

We keep you on the road 24/7. Should anything unexpected happen, we guarantee you 24-hour roadside assistance, no matter the age of your Nissan. Call 0800 NISSAN (46 77 26) anywhere, anytime.

**LICENCE RENEWAL REMINDER**

We'll remind you in advance so you can keep your licence disk up to date.

**3 YEAR OR 90 000KM SERVICE PLAN**

For the first 3 years or 90 000km of driving your car, we promise to keep your car running smoothly and always on the road.

**6 YEAR OR 150 000KM WARRANTY**

As long as your car is under our warranty, we'll always have you covered if anything goes wrong. You don't need to stress for the first 6 years or 150 000km, whichever comes first.

**SERVICE AND REPAIRS**

Free Vehicle Health Check

We'll give your car a free health check on every major and minor service prior to any work being carried out, so you know exactly what needs to be done, and how much it will cost.

**COMPETITIVELY PRICED PARTS**

We deliver the highest care for your Nissan by fitting only Nissan Genuine Parts. The expertise of our Nissan trained teams will also guarantee best value-for-money by finding the most competitively priced part for your local dealer.

**COURTESY CAR**

We will arrange a courtesy car for all warranty repairs should the components required not be available within 48 hours.

Call 0800 NISSAN (64 77 26) or visit www.nissan.co.za for more information.

Nissan’s commitment to environmentalism and outstanding design, engineering, and manufacturing excellence is evident in every aspect of our vehicles. We believe in creating products that are not only environmentally friendly but also offer exceptional performance, style, and comfort. Our commitment to sustainability is reflected in our use of innovative technologies and materials that reduce our carbon footprint and promote a cleaner, more sustainable future. We are dedicated to delivering vehicles that not only meet the demands of today but also anticipate the needs of the future, ensuring that our customers enjoy a seamless driving experience while minimizing their impact on the environment. Nissan’s commitment to environmentally friendly practices is reflected in our dedication to reducing emissions, conserving energy, and utilizing sustainable materials in our vehicles. We strive to create a more sustainable future through our commitment to environmentalism, offering vehicles that are not only enjoyable to drive but also contribute to a greener planet.
Intelligent Mobility guides everything we do. We’re using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it’s cars that share the task of driving with you, or highways that change your EV as you go along. It’s all in the very near future. And it’s a future already taking shape in the Nissan you drive today.
